A BRIEF BIOGRAPHY OF OUR GRAND MASTER

M.W. Bro. Raymond S. J. Daniels was born in Orillia, Ontario, where he attended public and high school. At an early age, musical studies enabled him to become an organist and choirmaster serving at several churches in southern Ontario. He is a graduate of Wilfrid Laurier University with a degree in music and history and holds diplomas from the Royal Conservatory of Music, Toronto, and Trinity College of Music, London, England. His professional life was spent as a teacher, conductor, composer and keyboard performer. For twenty-three years he taught music and history at Eastwood Collegiate in Kitchener, where he helped establish the Arts Program. In 1991 he was awarded the K-W Arts Council Award for Music in recognition of artistic achievement in the community.

Daniels was initiated into Freemasonry, passed and raised in his father's lodge, Orillia No. 192, Orillia, in 1959. He served as Worshipful Master of New Hope Lodge No. 279, Cambridge (now Mystic Tie Lodge No. 279), and was the founding Worshipful Master of New Light Lodge No. 744, a daylight lodge instituted in Waterloo District in 2001. He is a member by affiliation of several lodges, and has been accorded Honorary Membership in others. Between 1999 and 2002 he served as Secretary to the Lodge of Instruction Team with M.W. Bro. C. Edwin Drew, the Custodian of the Work. Daniels was elected Grand Junior Warden 2000-2001, and was appointed to the Board of General Purposes in 2001, and subsequently elected in 2003 and 2005, where he served as Chairman of the Membership Resources Committee and the Committee on Masonic Education. He is the Grand Representative to the Grand Lodge of Quebec. Daniels was elected to the office of Deputy Grand Master at the Annual Communication in July 2007 and installed and invested as Grand Master on July 16, 2009.

Daniels is a member of several Appendant and Concordant bodies in both the York Rite and the Ancient and Accepted Scottish Rite. He is Past Principal of the Kitchener Chapter No. 117, Royal Arch Masons, Past Most Wise Sovereign of the Guelph Chapter Rose Croix and Past Senior Grand Deacon of the Grand Council of Allied Masonic Degrees of Canada. He was coroneted Honorary Inspector-General 33° Supreme Council of Canada in 2005 and was inducted into the Royal Order of Scotland in 2003. He is also a member of Mocha Temple, Ancient Arabic Order Nobles of the Mystic Shrine, and Preston Springs Chapter No. 208, Order of the Eastern Star. Daniels is a Fellow of the College of Freemasonry.

Since 1968, he has resided in Kitchener with his wife Brenda. Times of relaxation and refreshment are spent at their cottage in Muskoka.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren, how quickly two years has flown from the proud moment that my son, Bro. Brad Petrisor was allowed to place my cuffs. I began, at that time, in trepidation of what the future might hold. I now stand before you as one who has completed his term of office and can look back with a degree of satisfaction in accomplishing something towards the objectives that were started at the beginning of my term. I am sure there is so much more that can be done to further Masonry in Ontario and I must leave that now in the capable hands of my worthy successor.

I welcome each and everyone of you to the 154th Annual Communication and hope that you will find your time here most enjoyable and productive. I, along with the Masons of Ontario, extend a warm welcome and the hand of friendship to those distinguished visitors from our sister Grand Lodges from both Canada and the United States. I am so pleased that you were able to take the time to be with us. Hopefully, should time prevail, you will have an opportunity to bring your individual greetings from your Grand Lodge to give us an insight as to what is transpiring in Masonry elsewhere. To the leaders of the Family of Freemasonry, who are present with us today, representing the Scottish Rite, the Royal Arch Masons and the Shrine, we welcome you.

NECROLOGY

Brethren, every year we acknowledge that we have lost many to the Grand Lodge above. As always, there are those that have given of themselves and have made a significant contribution, leaving a lasting impression upon those who knew them.

I now mention the names of a few of those individuals.

M.W. Bro. Richard N. Richards, P.G.M., was born in Kinlough, Ontario, July 2, 1916, and died peacefully at Guelph, Ontario, October 19, 2008. He was 92 years old.

Richard Richards was one of four sons and two daughters of the late Richard A. Richards and Annie Patterson. He spent his early years on the family farm just outside of Lucknow, Ontario, in Bruce County. He benefited greatly from his roots on the farm and this lead him into the academic side of farming. He attended the Ontario Agricultural College graduating in 1938, (then affiliated with the University of Toronto), as a soil surveyor. He followed with post graduate studies at Michigan State University. He returned to O.A.C. in 1951, where he remained throughout his career as a professor, a researcher, and a very capable administrator for the university. Richards became the first Dean of the Ontario Agricultural College of the University of Guelph. During his lifetime, he received several academic awards and honours. His chosen field of expertise was land resource science through fellowships granted to him by the Agricultural Institute of Canada and the Soil Conservation Society of America. Included was a Doctor of Sciences degree from Laval University in 1967. He was named a Fellow of the University of Guelph.

In 1950, he married Mary Kathleen (Greer) and they had two sons.

Dr. Richards was initiated into Waverly Lodge No. 361 G.R.C. in 1943. He

was installed as W.M. in 1952 and again in 1953. He was appointed Assistant Grand Director of Ceremonies in 1956 – 1957. In 1965, he received an appointment to the Grand Lodge Board of General Purposes. While serving on the Board, he assumed chairmanship of Masonic Education, a member of the Benevolence Committee, and later Director and President of the Ontario Masonic Foundation. In 1977, he was elected as Deputy Grand Master, and in 1979 at the 124th Communication of Grand Lodge he was elected as our Grand Master.

For several years he traveled all over this Masonic Jurisdiction of Ontario, as Custodian of the Work, conveying instruction and introducing the correct methodology for providing our degree work and maintaining a high standard in our lodge administration. Rick left his mark. He set the standards high and wished them maintained.

M.W. Bro. Richards was an active member of the Scottish Rite, Guelph Valley, and for years was the charitable program funding chairman. He received his 33rd degree in 1974. He held office in the Royal Order of Scotland. He was appointed Grand Senior Sojourner R.A.M., in 1979, at Niagara Falls, Ontario. He was Grand Representative of the Grand Lodge of Quebec.

As we bid a final adieu, everyone should know that he possessed a good sense of humour, a treasure of delight and rests now in peace and comfort knowing that all over this land there are men whose lives he touched as a scholar, a researcher, a teacher and as a Mason.

M.W. Bro. Durward Ivan Greenwood, P.G.M., was born in Grand Valley, December 29, 1925. He married Doris Standbrook of Orangeville in 1948 and they were blessed with three children. He owned the Greenwood Construction Company.

He was initiated on December 8, 1947 into Scott Lodge No. 421 in Grand Valley, Ontario and became Worshipful Master in 1959 and D.D.G.M. of Grey District in 1978. After serving many years on the Board of General Purposes, he was elected Deputy Grand Master in 1993 and elected Most Worshipful Grand Master from 1995 to 1997. A 33rd Degree member of Scottish Rite, and member of the Royal Order of Scotland, he also was a member of the Royal Arch Masons and other concordant bodies.

He passed to the Grand Lodge above on July 24, 2008, in his 83rd year. He was the Grand Representative to the Grand Lodge of Ohio. He formed many Masonic relationships.

R.W. Bro. Dr. Charles A. Sankey, born on July 31, 1905, passed to the Grand Lodge above on April 29, 2009, in his 104th year. His lengthy obituary was published in the Globe and Mail on May 9th of this year. Our lives were intertwined, as I had presented him with his 80 year Mason certificate when he was 102 years old. Suffice it to say that his uncle was M.W. Bro. W. N. Ponton who served as Grand Master in 1921. This stirred his interest in Masonry. Joining University Lodge No. 496 in Toronto in 1927, he served as Worshipful Master of Perfection Lodge No. 616 in 1950 and became D.D.G.M. of Niagara District A in 1967. He was very involved in the Scottish Rite as a 33rd Degree member of Supreme Council and as member of the Royal Order of Scotland. He revitalized the Scottish Rite Charitable Foundation and turned it into a significant force in funding of research into mental retardation and dementia. As a Professional Engineer, his lifetime work was in the University setting, and he was recognized by the University of Toronto, Queens University and Brock University where the Senate chamber has been

renamed the, "Dr. Charles Sankey Chamber" in recognition of his contribution to the success of Brock University. Prior to his passing, he left a legacy of Masonic books to be housed in Brock University Library and known as the Charles A. Sankey collection with an endowment from Heritage Research Lodge No. 730. He will be well remembered.

R.W. Bro. Brian Ernest Bond was born August 27, 1937, and passed away of complications from surgery on March 25, 2009. He leaves his wife, Beverley. As our Grand Lodge Computer Resources Chairman for many years, his dedication and devotion to Grand Lodge went far and above what would be expected.

He was initiated on October 7, 1971, in Dentonia Lodge No. 532, W.M. in 1987, D.D.G.M. Toronto District 4 in 1990, Member of the Board of General Purposes from 1997 until the time of his passing, as well as, was the Worshipful Master of Heritage Research Lodge No. 730. He was also a Past Grand Superintendent of the R.A.M. His presence is missed at our Grand Lodge Office. He was the Grand Lodge Representative for South Australia.

R.W. Bro. Jim Heffel, a well known Ottawa District 2 Mason and member of Bytown Lodge No. 721, passed away on October 27, 2008. He was D.D.G.M. of Ottawa District 2 in 1996 – 1997, and Worthy Grand Patron of the O.E.S. in 1977 – 1978 and Grand Master of Demolay of Canada in 1987. He was certainly well involved with the Brother to Brother Programme and constantly visible in his district as he belonged to seven different lodges. His Masonic career was one of commitment.

R.W. Bro. Cecil Latchoo was D.D.G.M. of Toronto District 2 in 1995, and a staunch supporter of Masonry in every regard. What a joy it was to hear him do the General Charge either on his own or in tandem with his counterpart, R.W. Bro. David Sheen. A member of Maple Leaf Lodge No. 600, he passed away on December 13, 2008, in his 74th year.

R.W. Bro. Bill Henshall, a member of Fidelity Lodge No. 428 and D.D.G.M. of Ontario District in the year 2000 passed to the Grand Lodge above on December 4, 2008. He was a tireless supporter of the Grand Lodge Blood Donors' programme and very active in his district and beyond.

V.W. Bro. Sidney Lowe was initiated in Fairbank Lodge No. 592, in Toronto in 1953 and later moved to London where he became involved in the Grand Lodge College of Freemasonry Correspondence course as its lead mentor and supervisor. He served in WWII for the R.A.F. and was a P.O.W. in Italy and Germany for three years. He passed on April 28, 2009, at the age of 89.

W. Bro. Dave Sloman, born and raised in Kent, England, was initiated in Centennial Lodge No. 684 in 1973 in London, Ontario. He served as W.M. in 1997 and was involved in the Scottish Rite and the Shrine and rose to become the Potentate of Mocha Shrine in 2006. He was a colourful individual who was taken much too soon.

R.W. Bro. Leo Witmer, Grand Director of Ceremonies, 2007-2008, initiated into Mercer Wilson Lodge No. 678, 1965, passed to the Grand Lodge above June 30th, 2009 in his 75th year. He and his lady Mary Lou, of 51 years, served Grand Lodge well in looking after every need of the Grand Master and Lady Mary during our first term. Grand Lodge Officers and many Masonic brethren attended his memorial service. He always had a friendly smile, a chuckle and a warm greeting. He was the Grand representative to the Grand Lodge of Panama.

Although I have only mentioned a few names, many others will be recorded elsewhere in the Proceedings when published.

AD HOC COMMITTEES

I wish to thank the members of the Ad Hoc committee who were looking into the setting up of a lodge in Afghanistan for our Masonic service personnel namely, W. Bro. Bill Lewis, W. Bro. Bill Eastwood, W. Bro. Ralph Morgan, W. Bro. Andy Pollock. Several brethren had approached your Grand Master on this topic. It was felt that it was time to seriously look at the feasibility and possibility of establishing a lodge for our troops in Afghanistan utilizing a traveling warrant from out of the Grand Lodge of Canada in the Province of Ontario.

The problems encountered included: the consistency and the ongoing responsibility as most of the men are on six month rotation, finding a Mason who had served as Master to hold a lodge while in the field and establishing a meeting place.

WILLIAM MERCER WILSON MEDAL

I was privileged to present several brethren with the award of distinction known as the William Mercer Wilson Medal which is the highest honour that can be given to a Mason in Ontario who has not served the office of Worshipful Master. On many occasions the Deputy Grand Master was able to be present with me. A format was developed for the evening that allowed many friends and family members to be on hand to witness and take part in the presentation. It is an evening to honour the recipient. The following brethren received medals and were congratulated:

Bro. John Edward Millett, Moira Lodge No. 11, Belleville,
Bro. Robbie David, Civil Service Lodge No. 148, Ottawa,
Bro. John Emerson La-Rose, Durham Lodge No. 306, Durham,
Bro. James E. Hunter, King Solomon's Lodge No. 378, London,
Bro. John Moulton, Dereham Lodge No. 624, Mount Elgin,
Bro. John Otto Spence, Central Lodge No. 402, Essex,
Bro. Allen Bruce Fellowes, York Lodge No. 156, Toronto,
Bro. William Elgin Shea, Muskoka Lodge No. 360, Bracebridge.

PAST RANK

From time to time with amalgamations or lodges going into darkness, or circumstances that arise, the Worshipful Master may not have served a full term of 12 months. With due consideration, I am pleased to grant Past Master status to: W. Bro. Vernon Allen, Dymont Lodge No. 442, W. Bro. Bryan Caswell, Ashlar Lodge No. 564, W. Bro. Brian Wesley Elliott, Queen's Lodge No. 578, W. Bro. Anwar Ibrahim, Civil Service Lodge No. 148, W. Bro. Jon Stewart, Union Lodge No. 7, and W. Bro. Jacob Joseph, Dufferin Lodge No. 570.

In recognition of outstanding service to this Grand Lodge, I recommend that the rank of Past Grand Senior Warden be awarded to V.W. Bro. Bill Atkinson, Sr., Member of the Board of General Purposes and Youth Initiatives Chairman.

APPOINTMENTS

I am pleased to reappoint R.W. Bro. Norman G. McCarthy and R.W. Bro. Fred Halpern as Honorary Members of the Board for a further three year term. I am pleased to appoint W. Bro. Robert Kliaman for a three year term and to appoint for a two year term, filling the vacancy left by R.W. Bro. Sam Kalinowsky, V.W. Bro. Douglas Nichols, the President of the Masonic Foundation.

MERITORIOUS SERVICE AWARDS

Among the many brethren who have served Grand Lodge and their districts with distinction, there are those who continually give of themselves and who stand out as brethren deserving of further recognition. P.G.M., M.W. Bro. William Pellow, initiated such an award in 1988 and named it the Grand Master's Award for Distinguished service. This year I am pleased to announce the recipients of this award in the persons of R.W. Bro. Ronald Campbell, P.D.D.G.M. Ottawa District 1 and Past President of the Masonic Foundation, R.W. Bro. John L. (Bud) Jackson, P.D.D.G.M. Erie District, R.W. Bro. C. E. Balfour LeGresley, Past Grand Senior Warden 1980. I congratulate each on receiving this award.

PAST GRAND MASTERS

The Past Grand Masters of our Grand Lodge continue to form a solid support group for the Grand Master. I have appreciated the presence of those able to travel with me on occasion and look forward to joining the ranks of these esteemed brethren. I have both carried and received sincere greetings from many P.G.M.s of other jurisdictions whom they have befriended during their terms together. Three meetings were held and various jurisdictional items of interest were discussed. I thank each for their input. My wife and I have enjoyed the letters of encouragement that were sent on special occasions. We were saddened to lose two of our Past Grand Masters to the Grand Lodge above namely, M.W. Bro. Richard N. Richards, 1979–1981, and M.W. Bro. Durward Greenwood, 1995–1997.

GRAND LODGE OFFICERS

I express my thanks to the D.D.G.M.s. The burden of carrying the Grand Master's message and the rites and ceremonies of Grand Lodge into each of their districts and their lodges is borne by the 44 District Deputy Grand Masters without whom our jurisdiction could not operate. The success of our administrative system depends largely upon the way that these brethren and their District Secretaries perform their duties. You have represented me well, and as you retire to allow your successor to take your place may your commitment continue as you realize your responsibility to the order.

To the Members of the Board of General Purposes, I offer my heartfelt thanks for your dedication and commitment. You have promoted our programs, attended Lodges and District Receptions, throughout the jurisdiction in bringing the presence of Grand Lodge without reward or compensation.

To those retiring from the Board of General Purposes, R.W. Bros. Giles Loshaw, Samuel Kalinowsky, S.Weston Libbey, Alan Tibbetts, you have served well and faithfully, and I wish you all the best in your future endeavours in the paths that life may lead you. To R.W. Bro. D. Garry Dowling who leaves the Board to take on a higher office, I only wish the best for you as you move forward.

To those elected and appointed Grand Lodge Officers, I have appreciated the manner in which you have served during your term. Your presence on many occasions was an indication of your attachment and I shall hope that you have found your year rewarding and fulfilling as you served your Grand Lodge.

To the Grand Senior Warden, R.W. Bro. Ernie R. Morrison, the Grand Junior Warden, R.W. Bro. David R. Mackey, the Grand Registrar, R.W. Bro. Brian R. S. Manson, the Grand Chaplain, R.W. Bro. David P. Hardie, I thank you for your presence at the many functions that we have attended together, Dedications, Consecrations, Cornerstone Laying, Receptions and many Lodge evenings. I am aware that you, in your own right, have had several demands on your time as well as various other commitments about the jurisdiction. Your support has been very

much appreciated, not only by me, but by the many brethren of the lodges which you attended. The Grand Director of Ceremonies, and my Aide-de-Camp, R.W. Bro. George A. Napper, traveled constantly with me throughout the year and performed his duties in an exemplary fashion. He was ably assisted, on many occasions, by the Assistant Grand Director of Ceremonies, V.W. Bro. Glen Ashman. R.W. Bro. Napper's lady, Judy, and V.W. Bro. Ashman's lady, Mary, were a constant source of companionship and assistance for my wife, Mary, as we traveled together from function to function. My wife, Mary, and I express our heartfelt gratitude to both couples. Thank you.

To our long standing Grand Historian, R.W. Bro. Wallace McLeod, a 57 year Mason, I offer my thanks for your writings which have added so much to the understanding and history of our Craft. You have traveled well and have represented your Grand Lodge with pride, receiving much acclaim through your published works. You have served well as Grand Historian, since 1980, for 24 of the last 29 years and your informative reports on a variety of different topics and oft presented with wit were always a joy to listen to. As we look forward to hearing you deliver your last report, we wish you well and good health as you take retirement from your duties as Grand Historian. Thank you.

ESPECIAL COMMUNICATIONS OF GRAND LODGE

DEDICATIONS

Grand Lodge was opened on site for the following dedications.

- Friday, September 5, 2008, Cassia Lodge No. 116 – Dedication of new Lodge building at Ravenswood in Sarnia District.
- Tuesday, September 23, 2008, Huronia Lodge No. 348 – Dedication of new Lodge premises in the Huronia Gallery, Midland, in Georgian North District.

CORNERSTONES

Your Grand Master had an interesting experience on November 26, 2008, when I was asked to perform a Masonic Cornerstone Laying Ceremony in downtown Toronto, at Yonge and Davenport, on the CTV owned building at 888 Yonge St., which used to be the home of Masonry in Toronto from 1917 until 1994. The Deputy Grand Master, Grand Secretary, Grand Senior and Junior Wardens, Grand Chaplain and other Grand Lodge Officers were in attendance to open an Especial Communication of Grand Lodge. The ceremony was widely publicized as news media were on hand and the Grand Master was interviewed by three different news groups. It was a uniquely historical occasion.

In talking with the President of CTV and his Executive V.P. of Corporate Affairs, they explained their wish to preserve the Masonic heritage of the building and have gone to great lengths to do that by inviting the Grand Master to symbolically lay the cornerstone with Masonic Ceremony. They have preserved the Mosaic Pavement in one of the business offices on the second floor and the complete red room on the fifth floor which housed the Scottish Rite bodies at one time. Other Masonic symbolism still exists throughout the building as we discovered on the tour of the building which followed the ceremony.

If one asked why the building changed hands, I would say it was because of a

shifting membership base with people moving closer to Lodges on the perimeter of Toronto and the costs of maintenance spiraling with dwindling support. Does this sound familiar? It should cause each Temple Board and Lodge to look seriously at their finances and their plan for the future. I do notice in some Lodge summonses that several Lodges are facing their rising costs head-on by increasing their membership dues. The burden really does fall on each of us to take ownership and support our Lodge. Compare the cost of your dues to other activities in which you engage and you will find that Masonry in Ontario is a bargain.

INTERNATIONAL PLOWING MATCH

The Family of Freemasonry were in attendance at the International Plowing Match in Teeswater, where we held a meeting of the Masonic Leaders of the Appendant bodies. The Grand Worthy Matron, Mrs. Jeannie Lee, and Grand Worthy Patron, W. Bro. Bob Atkinson, were asked to join the meeting on that occasion. I thank, R.W. Bro. David Inglis of Walkerton and his committee for making the arrangements. The Grand Lodge marquee on site was well attended on the afternoon that we were there. I was pleased to meet with so many brethren and their ladies at the 'Meet and Greet' which followed. I note the next venue is in Earlton in

Temiskaming District with the 'Meet and Greet' set for Thursday, September 24, 2009. The large 50 ft. wide Grand Lodge Marquee housing Craft, Royal Arch Mason, Scottish Rite, and Shrine displays on these occasions showcases Masonry in a positive way in the rural community. It provides a glimpse of the Family of Freemasonry to the general public by giving those Masons attending a sense of pride in seeing Masonry on display in a public venue. It offers a short respite during a busy day often served by ladies of the Order of the Eastern Star.

NEW LODGE

On June 6, 2009, Grand Lodge assembled to constitute and consecrate a new Lodge known as Templum Fidelis No. 746, a lodge of Traditional Observance, established in Bath, Ontario. Prior to this day, the first small ceremony involved was signing of the new Warrant by the Grand Master, the Deputy Grand Master and the Grand Secretary. After the formation of our Grand Lodge, over 150 years ago, many lodges came into being with Warrants signed by M.W. Bro. William Mercer Wilson and other Grand Masters. In this day and age when Lodges are amalgamating or surrendering their Charter, new lodge formations are infrequent and thus it was a great honour for us to have signed into being a new Lodge which we sincerely hope will still be in existence 150 years from now. The Lodge is based upon traditional values with a strong emphasis on Masonic Education and fellowship in a formal banquet setting. Submission of a paper before receiving a higher degree is a prerequisite. Your Grand Master was made an honorary member of the Lodge. I also acted as the Installing Master for the Installation that followed, continuing using the Grand Lodge Officers in their respective chairs who then invested their Lodge counterpart.

AMALGAMATIONS

We were fortunate this year to have only one amalgamation to perform. I was pleased to preside on September 23, 2008, when Georgian Lodge No. 348 and Earl Kitchener Lodge No. 538 came together to form Huronia Lodge No. 348 keeping the presence of Masonry alive in the community of Midland. This followed the dedication of the new Lodge premises. It was an exceptionally beautiful afternoon when an Especial Meeting of Grand Lodge was held for the purpose of dedicating the new premises at the Huronia Gallery for this Lodge.

SURRENDER OF CHARTER

The Extinguishing of the Lights Ceremony for North Gate Lodge No. 591, Ajax, was officiated by the Deputy Grand Master on Thursday, May 14, 2009.

RECOGNITION OF 100 YEARS OF SERVICE

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission for the following lodges to wear gold braided regalia, effective the dates indicated:

Hiram Lodge No. 490, Markdale, as of April 27, 2008

Cardinal Lodge No. 491, Iroquois, as of March 1, 2009
Karnak Lodge No. 492, Orillia, March 16, 2009
University Lodge No. 496, Toronto, June 14, 2010

THE MASONIC FAMILY AND SPECIAL EVENTS

The Deputy Grand Master, R.W. Bro. Raymond S. J. Daniels, and I, and our ladies and a small contingent of Masons from Ontario attended three Lodges in Bermuda, one being Hannibal Lodge No. 224 (I.C.) of which he and R.W. Bro. George Hinds (M.B.G.P.) are affiliated members. The ritual may be slightly different, but the friendliness of the brethren and the fellowship are a constant throughout the world. Hannibal Lodge No. 224 brethren were present at my Installation as Grand Master and have visited Ontario Lodges many times prior. We were also well received by the brethren of St. George Lodge No. 200 (S.C.) and Bermuda Garrison Lodge No. 580 (I.C.).

This year once again I chaired three meetings of the Masonic Leaders of the Appendant bodies. These meetings provide an opportunity to share common problems and to give each other an insight as to what the other is doing. As a result, Masonry has become more cohesive with closer ties between us.

I attended the Grand Chapter of Royal Arch Masons in St. Catharines at the beginning of April and brought greetings on behalf of our Grand Lodge. I wish to thank Most Excellent Companion Roly Paddle for appointing me as the Very Excellent Grand Senior Sojourner for the ensuing year. I will be privileged to wear the regalia once worn by my friend and companion Right Excellent Companion Michael Bowman, Grand Third Principal, of Oxford Chapter No. 18 in Ingersoll.

PRESENTATIONS OF MILESTONE RECOGNITIONS

On October 29, 2008, I was present for the initiation of Bro. Cale Brillinger into Richmond Lodge No. 23 in becoming a fifth generation Brillinger and, then I presented Lewis Jewels to the grandfather, the father who passed away shortly thereafter, and his son. It was a touching human life experience and meant so much to the family.

On January 16, 2009, it was my pleasant and distinct privilege to present R.W. Bro. K. C. Emerson and his brother, V.W. Bro. Donal Emerson, with their 70 year a Mason buttons, both members of Vienna Lodge No. 237. Over 150 Masons attended a special celebration in the Vienna Community center to honour the two brethren. R.W. Bro. K. C. Emerson is also a 55 year Past D.D.G.M. of Wilson District and Charter member of my mother Lodge, Mercer Wilson Lodge No. 678 as it was formed when he served as D.D.G.M.

I was pleased to welcome the Grand Master of Quebec, M.W. Bro. Opkhar Sandhu, into Ontario on the occasion of the 165th Anniversary of St. John's Lodge No. 21a in VanKleek Hill held in Hawkesbury on March 17th, 2009.

I was pleased to attend on two occasions multiple presentations of Lewis Jewels and other awards in Leamington Lodge No. 290 when 26 Lewis Jewels were presented and Palace Lodge No. 604 where a combination of 30 Lewis Jewels and long service pins were presented. I had the pleasure of welcoming into Ontario the Grand Master of the Grand Lodge of Ohio, M.W. Bro. Charles Murphy on that occasion.

CONFERENCES

It was our pleasure to attend the North American Conference of Grand Masters and Grand Secretaries along with the Deputy Grand Master and the Grand Secretary and our ladies. Held in Anaheim, California, the theme of the Conference was "*Freemasonry Yesterday, Today and Tomorrow.*" The Chairman was M.W. Bro. Gerald Carver, Grand Master of the Grand Lodge of South Carolina. The keynote speaker was Ill. Bro. Ronald A. Seale, Sovereign Grand Commander of the A.A.S.R. Southern Jurisdiction. His topic was, "If Masonry died tomorrow, who would care and would it be missed?" He then went on to point out how big a part Masonry has played through the ages and concluded that it definitely would make a huge difference and leave a vast void if Masonry ceased to exist. As is the custom, a variety of other breakout sessions and discussions were held, some of which we took part in were entitled, "Image of Freemasonry," "Philosophy of young versus old Masons," "Challenges of a growing Craft," "Moving from Leader to Mentor," "Membership Retention and Restoration," and "Connecting with non-participants." Each of these would provide a good topic for a Lodge of Discussion in your own lodge on an off night.

At this conference, the Deputy Grand Master, R.W. Bro. Raymond S. J. Daniels, was named to the Planning Committee for the 2010 Conference in Arlington, Virginia. The Grand Secretary, M.W. Bro. Terence Shand, was elected as the Vice President of the Committee on Information for Recognition. R.W. Bro. Ray Dobbs, MasoniChip Program Director was re-elected to the Board of MasoniCHIP International. I am proud of their accomplishments and congratulate each on bringing honour to our Grand Lodge.

The Deputy Grand Master, Grand Secretary, and I attended the All Canada Conference of Grand Masters, Deputy Grand Masters and Grand Secretaries held in Winnipeg at the end of March. It was an interesting session, chaired by R.W. Bro. Rowan Caseley, D.G.M. of the Grand Lodge of Prince Edward Island, with the theme, "How do we make good men better." I was called upon, along with four other Grand Masters, to give an essay on the theme topic which I subsequently posted to the Grand Lodge Website for your perusal, and I hope that many of you have had the opportunity to read it. The upshot was that we personally don't make good men better, but adherence to the teachings of Freemasonry by a Mason, in a variety of ways, cannot help but to improve his personal stature. Lively conversations with our counterparts, discussion groups and breakout sessions in an intimate surrounding make this a most interesting Conference to attend.

DISCIPLINE

Several issues have been turned over to the Discipline Committee for review.

MASONIC.I.P.

I was presented with a Certificate of Achievement at the Conference of Grand Masters in Anaheim signifying our involvement in processing over 12,000 children across Ontario, to that date. We since have processed over 18,000 children and I extend my congratulations to our Program Director R.W. Bro. Ray Dobbs of Woodstock and his committee members and the many volunteers who have made this possible. We, in Woodstock, my home, were so saddened by the abduction and loss of an eight year old girl (Tori Stafford) in April of this year. It only emphasizes that we cannot be too overly cautious where our children are concerned, no matter the size of the community.

The children will always be there. The need for reassurance will always be there and I sincerely hope that our brethren will always be there to assist in providing parents of these children a sense of security. It has been said before that children may be 25% of our population, but they are fully 100% of our future. It would be nice to see that they all get there.

This, brethren, is another way that Masons can *“Make a Difference”* in our community and increase public awareness of the Masons and at the same time make us feel proud to be a part of the community.

YOUTH INITIATIVES

Again this year, our Youth Initiatives Committee has been setting a pace. My wife and I attended a Rainbow for Girls National Assembly last August in Ottawa. We were well received with many Masons on hand wearing their regalia. My wife, Mary, and I also attended the Primrose Chapter Rainbow for Girls Installation on January 18, 2009. We were also pleased to attend the institution of a new Demolay Chapter in Mississauga on February 28, 2009. The room was packed and the day was very successful. The members performed their work in a very impressive manner. I wish the new chapter well. I congratulate V.W. Bro. Bill Atkinson and his committee members for taking to heart the welfare and well being of these youth groups. Brethren, whenever you have 5 to 10 youngsters of like mind that play together please consider formation of a youth group. They learn so much so quickly and may become the leaders of tomorrow. It was an unanticipated surprise for me to have been made an Honorary Member of the Demolay in a special meeting held

yesterday with Provincial Master Councilor, Andrew Brown, presiding. Miss Amy Larue, Provincial Sweetheart, also announced her Charity Project to donate money for the MasoniChip programme to the Grand Master in the amount of \$2200 at the Grand Master's Banquet.

PROSTATE CANCER RESEARCH

Your support of the Grand Master's Charity of choice, Prostate Cancer Research was very positive and even though it was not the goal to collect a lot of money, but rather to stress awareness of early detection of Prostate Cancer, your overwhelming support has superceded my expectations. Several Districts also adopted this as their project. As a result, the Masonic Foundation, the Mason's Charity of Choice, donated over \$100,000 to Mr. Greg Sarney, Vice President of Prostate Cancer Canada, and Ms. Meredith Bongers, Senior Manager, yesterday during the Board meeting. This was in addition to the over \$200,000 donated by the Masonic Foundation of Ontario to date. All of this was unsolicited, but very much appreciated by myself and the group of dedicated professionals and researchers at the Prostate Cancer Canada office. I stress early detection by use of P.S.A. Screening as early as age 40 and yearly examination by your physician. Do it for the sake of your loved ones.

THINK TANK

The biennial workshop with the theme, "Rebuilding the West Gate" was held with all Honourary, Elected and Appointed Members of the Board to discuss the future direction of our Grand Lodge. As the participants gathered to discuss plans, we probably did not realize the tremendous importance of our input, which will only become known years from now. I thank the Chairman, R.W. Bro. Gregory Hazlitt, and his members on the Long Range Planning Committee and all who took part for bringing us together in an atmosphere of renewal.

Just as each of us takes ownership of the actions in our own Lodges, so do the Elected and Appointed Members of Grand Lodge take pride, ownership and responsibility in keeping Masonry in Ontario healthy and vibrant. I am sure that our Deputy Grand Master has received much input from this workshop to aid and assist in formulating his plans during his two year tenure as next Grand Master.

GRAND MASTER'S BANQUET

The Guest speaker will be Dr. David Harte, the spokesperson for MasoniChip International. He is a practicing dentist from the greater Boston area who developed the Tooth Print Wafer that is used in the Child Identification program for DNA sampling. He will also talk on the subject of forensics. Again, this evening, as last year, I have invited a table of Youth Group Officers to join with us for dinner and also have given permission for the youth to listen in from the gallery during the banquet speech.

DEPUTY GRAND MASTER

The confidence and ability which our Deputy Grand Master has shown over the last two years as President of the Board of General Purposes and Chairman of the

Management Committee indicates to me that he is more than ready to take over the helm of leadership of this great Grand Lodge. I have enjoyed my travels with him this year, as we have come together on many occasions to present the William Mercer Wilson Medals, attend installations, attend conferences and of course meet on business occasions at Grand Lodge Office in Hamilton. Our ladies have traveled together with us on several occasions and we have formed a bond of friendship that shall last forever. I wish for you the wisdom of King Solomon in leading our Craft and for you and your lady, Brenda, good health, safe travels and the blessing of the Great Architect in your term as Grand Master.

ACKNOWLEDGMENTS AND APPRECIATION

The Grand Secretary, it almost goes without saying, is the cog that keeps the machinery of Grand Lodge well functioning. He is always there to provide needed assistance, has a good command of the Constitution and the interpretation thereof, and has been ready and willing to offer advice when asked. He truly has acted as the Grand Master's right arm and I sincerely thank you, M.W. Bro. Shand, for all of your help. I also offer my thanks through you to our office staff, Gail Nickerson, Rose Blandin, Stacey Birks, and Angela Schmidt. They were very supportive and helpful with every request for assistance on many occasions and have become like family. Thank you, Ladies.

The Grand Treasurer, R.W. Bro. T. R. Davies, with his wealth of expertise of matters pertaining to finances, has provided our Grand Lodge the means to keep our Grand Lodge financial records balanced. It was my pleasure to be on hand along with many Grand Lodge officers in Harry L. Martyn Lodge No. 696, on the night of their 50th anniversary to present R.W. Bro. Davies with his 50 years a Mason pin and certificate, being one of their very first candidates. The pin that he received was the very same one that he himself had presented to his father on the night of his 50th pin presentation. On behalf of our Grand Lodge, I thank you for your ongoing contribution as Grand Treasurer and congratulate you on reaching this milestone in your Masonic journey.

The Custodian of the Work, M.W. Bro. Donald H. Mumby, continued again bringing instruction to the lodges and districts with his **Lodge of Instruction** team. This year the team traveled to Northwestern Ontario and were very well received. The sessions are open to all Masons and I would encourage all brethren to attend whenever a Lodge of Instruction is near or in your district. Interesting topics are presented as well as instruction in the Mechanics of the Work which will help improve the competence of the work within the Lodges. This advancement in our Masonic Knowledge is one way that we can '*make a positive difference*' in our Lodges. I offer my thanks to the Custodian and the well qualified brethren who make up his team.

To those dedicated Masons who form the Committee on Arrangements for our Grand Lodge, I give you my personal thanks for insuring that every detail has been attended to and all is in place for the success of this Annual Communication.

CONCLUSION

Brethren, during my term of office, I have received many courtesies, gifts and mementoes of this incredible journey and have been made an honorary member of several Lodges for all of which I am very grateful. You have treated me with such respect that I could not imagine prior to becoming your Grand Master. You have

embraced my theme, "*Masonry, Making a Difference*," and have shown that it is a reality.

To my wife and constant companion, Mary, I offer my greatest thanks and love. She has been beside me all the way. In her words of response to many toasts to the ladies she said, "I have a sincere pride for you gentlemen in making Freemasonry a way of life. As we ladies watch Masonry make you into better men, it gently shapes us as well." "Let us continue to support and be proud of our Masons." Thank you, Mary.

The last few years have not given a lot of family time to either of us, and I also thank the members of our family for being so understanding.

To you, my brethren, I offer my sincerest thanks for giving me the opportunity to enjoy what has been the greatest experience in life that anyone could ever have. I know I shall look back with fond memories of the many times that we have shared together in lodges and in locations throughout the province and beyond. I am sure the brethren of my mother lodge, Mercer Wilson No. 678, who have supported me all the way will be pleased to see me on a more regular basis in the future.

Over my two years, I have often talked about showing a good example, but 30 years ago another Grand Master of our Grand Lodge, M.W. Bro. Robert E. Davies, may have said it best and I'd like to conclude with his remarks.

He said, "I would suggest that the real success of Freemasonry rests in the hearts and minds of our members who continue to practice Brotherly Love, Relief and Truth. The Great Architect is still monitoring the course of history! The holy book remains open on our altars and as its message is read and studied so will it continue to teach and inspire! Freemasonry is firmly rounded on the teachings of that holy book and our rituals are rich with the expression of it. The youth who are knocking on our doors are destined to fill the ranks of the future and fundamentally will be guided by our example.

What will the future of Freemasonry depend upon? It is not necessarily the great charities, appealing as they are. It is not the beauty of our ritual, inspiring as it may be. It is not the social intercourse enjoyed by so many. It is, however, in the day to day practice by each of us those things that Freemasonry teaches and for which it stands and has stood down through the years. Freemasonry shall grow and prosper in our time in direct proportion to our faithfulness to ever practice the principles and teachings of Freemasonry. Therein lies the future of Freemasonry."

Brethren, be proud of who you are and be proud of what you do. Freemasonry depends upon it.

Allan J. Petrisor
Grand Master

To the Most Worshipful Grand Master,
Officers and Members of Grand Lodge A.F. & A.M. of
Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

We have audited the consolidated statement of financial position of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 2009, the consolidated statements of operations and fund balance, and the statements of operations and fund balances for the general and segregated funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 2009 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Notes to the Financial Statements

April 30, 2009

1. Purpose of the organization

The Grand Lodge A.F. & A.M. of Canada in the Province of Ontario is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The organization is exempt from income tax under the Income Tax Act.

2. Summary of significant accounting policies

Fund accounting

The Grand Lodge A.F. and A.M. of Canada in the Province of Ontario follows the restricted fund method of accounting for contributions.

The General Fund reports the organization's administrative activities.

Revenues and expenses related to programme activities are reported only in the Programme Fund.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are consolidated and reported in the Segregated Fund.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

Capital assets

Capital assets are carried at cost less accumulated depreciation. Only expenditures in excess of \$ 5,000 are capitalized. Depreciation is provided using the straight-line method as follows:

Computer equipment and workstations

3 years

The donations-in-kind revenue used to acquire capital assets has been deferred and will be recognized as income at the same rate as the asset is depreciated in order to better match revenues and expenses.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario

Notes to the Financial Statements

April 30, 2009

2. Summary of significant accounting policies (continued)

Revenue recognition

Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donated materials which would otherwise be paid for by the organization are recorded at fair market value when provided. The value of these donations-in-kind, as determined by the donor, amounted to \$ 61,000 in 2009 (2008 - \$ 88,070) and have been included in Masonic Child I.D. Program revenue – donations-in-kind, and capital assets for the year.

Foreign currency translation

Transactions denominated in foreign currencies are recorded in the accounts of the organization at the rate of exchange prevailing during the date of the transaction. At year end, monetary assets and liabilities denominated in a foreign currency are translated into Canadian dollars at year end rates of exchange.

Financial instruments

Financial instruments classified as held-for-trading are measured at fair value with changes in fair value recognized in the statement of operations. Financial assets classified as held-to-maturity or as loans and receivables and financial liabilities not classified as held-for-trading are measured at amortized cost. Available-for-sale financial assets are measured at fair value.

The organization has classified its financial instruments as follows:

Cash and cash equivalents	Held-for-trading
Receivables	Loans and receivables
Investments	Held-for-trading
Notes receivable	Loans and receivables
Payables and accruals	Other liabilities

Use of estimates

In preparing the organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates.

Notes to the Financial Statements

April 30, 2009

2. Summary of significant accounting policies (continued)

New accounting standards

Effective May 1, 2008, the organization adopted the accounting and disclosure requirements of the CICA's two new accounting standards, Section 3862, Financial Instruments – Disclosures, and Section 3863, Financial Instruments – Presentation. The new standards did not have a material effect on the financial position of Grand Lodge.

Effective May 1, 2008, the organization also adopted the CICA's new accounting standard, Section 1535, Capital Disclosures, which requires the disclosure of both quantitative and qualitative information that enables users of financial statements to evaluate the entity's objectives, policies and processes for managing capital. The new standard did not have an effect on the financial position of Grand Lodge.

3. Prior period adjustments

(a) Change in accounting policy

The organization has historically expensed the cost of capital assets, such as computer equipment and furniture and fixtures. Effective May 1, 2008, the organization adopted Handbook Section 3061, Property, Plant and Equipment, to conform with Canadian Generally Accepted Accounting Principles. This change represents a change in accounting policy as defined by CICA Handbook Section 1506, Accounting Changes, and has accordingly been applied on a retrospective basis.

The cumulative effect of the change in policy on the balance sheet as at April 30, 2008 is the increase in capital assets' net book value by \$ 14,003, and the increase in opening net assets by \$ 10,971. The excess of revenue over expenses for 2008 increased by \$ 6,361, the net amount of reversing previously expensed furniture and fixtures and computer equipment and recording depreciation expense on the capitalized book amount.

(b) Prior period error

During fiscal 2008, the organization established a separate committee responsible for the Masonic Child I.D. Program. In the current fiscal year, management determined that the activities of this committee should be reflected in the financial statements of the organization. The adjustment has been recorded by restating the prior year figures.

REPORT OF THE GRAND TREASURER

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It gives me a great deal of pleasure to report that in spite of the tremendous volatility and chaotic events in financial markets this past year, your Grand Lodge funds have fared reasonably well. We are solvent with a portfolio of quality bonds and soundly established equity investments. Losses have been taken during the year and we can offer no prediction as to what may lie ahead, but now is not the time to change our investment strategy which has served us well over some twenty years.

Earlier this year, the Audit and Finance Committee reviewed our investment policy with our investment Manager, Scotia Cassels and concluded unanimously to present an updated policy for ratification and approval at this session of Grand Lodge. That policy recommendation is printed verbatim on a separate page (Page #) in your proceedings.

Your approval of this report of your Grand Treasurer will accordingly serve as the ratification and approval of the Investment Policy detailed above until future revision.

The day to day operating results of Grand Lodge as detailed in the financial statements of your Proceedings are essentially within budget while the investment income category shows a large negative impact. This is a non cash item and obviously we expect a reversal and recovery of this during the year (or years?) ahead.

A case could be made to justify a per capita dues increase as the costs of running your Grand Lodge office and programs continue to escalate ever so gradually. At the same time, we are concerned at the effect such would have on more than a few Loges during this period of rising unemployment and recessionary events. After considerable discussion at Audit and Finance and Management Committees, it has been agreed to present a potential deficit budget for the year ahead and to defer for at least this year the alternative of raising the per capita from its present level i.e. \$12.00. We understand our per capita to be one of the lowest per capita in effect in Canada or the United States.

In reviewing our Proceedings of earlier times viz 1994 and 1999 (ten and fifteen years ago), it is evident that investment income then represented 20 and even 30% of General Fund total revenues. With interest rates presently at historic lows and equity markets in still unpredictable territory, we cannot look for our investment portfolio to come close to the General Fund revenue of those years. Further, the investment environment is also causing a serious deterioration in the revenues that Grand Lodge has to dedicate to Benevolence appeals and even to fully maintain funding of our Commutation Fund.

The current situation dictates a need for serious belt tightening of discretionary expenses and of some well respected Grand Lodge programs. Your Grand Secretary with your Grand Treasurer and your Audit and Finance Committee have been diligent in our work to arrive at the proposed budget to be presented later by the Chair of Audit and Finance.

We are fortunate to have a Committee of Audit and Finance apprised of several dedicated Masons with a proven background of business and financial experience. We commend them on their diligence. Further, the Grand Secretary and his staff are a loyal and dependable group with considerable experience in their various responsibilities. I am proud to have had a relationship with all those concerned these past many years.

Respectfully and fraternally submitted.

T. RICHARD DAVIES
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

Computerization

Maintenance of a membership mailing data base for Special Programme purposes is an arduous task. Please assist those responsible for its upkeep by providing accurate information in a timely manner. The upgrade of computer hardware and software is an ongoing process. It is requested that Masonic email transmissions include the lodge name and number on the subject line to ensure its identity as a Masonic message by office staff.

Warrants

Since the 2008 report: Georgian Lodge No. 348 amalgamated with Earl Kitchener Lodge No. 538 to become Huronia Lodge No. 348. On June 6, 2009, at Bath, Ontario, Templum Fidelis Lodge U.D. was constituted and consecrated, Templum Fidelis Lodge No. 746, Frontenac District. M.W. Bro. Allan J. Petrisor, Grand Master, presiding.

Conferences

In February 2009, I attended 'The Conference of Grand Secretaries in North America,' held at Garden Grove, California, where several presentations such as: "Reference Library for Masonic Leaders," "Transitional Leadership," "The Millennium Mason," "Digitization of Grand Lodge Proceedings," "Master Insurance Plan for Masonic Lodges," "Listening to Younger Mason" and "Town Hall Meetings with Masonic Districts." While at the conference, I represented the Canada Region on the North American, "Commission on Information for Recognition," where presentations for recognition and information was received from: Azerbaijan, Baja, California, the United Grand Lodge of Bulgaria, Moldova, and Paraguay, together with four items of miscellaneous information. Especially worthy of note, a number of lodges have been chartered in the United States of America from foreign Grand Lodges not recognized by our Grand Lodges. The Regular Grand Lodge of California was chartered in June 2008, by the Regular Grand Lodge of Nevada, and according to their website are linked to the Regular Grand Lodge of England. There

are also a number of Co-Masonic and Feminine Grand Lodges operating in the U.S.A. We need to be diligent when examining documentation to determine legitimacy of origin prior to accepting visitors.

In March 2009, I accompanied our Grand Master and Deputy Grand Master to the "All Canada Conference" held at Winnipeg. The theme, "How do we make Good Men Better." Each attending Grand Master gave his viewpoint on the subject followed by a panel discussion. A paper, "Solicitation of Members into Freemasonry" was presented. Break out sessions were held by four individual groups: Grand Masters, Deputy Grand Masters, Grand Secretaries and Observers, where a variety of topics were discussed. Reports were received on: the Western Canada Conference, World Conference, May 2008, Conference of Grand Masters in North America and the Conference of Grand Secretaries in N.A.

Secretary Seminars

During the past Masonic year Lodge Secretary seminars were conducted in November at Kemptville, December at Renforth, February at Richmond Hill, April at Stayner and June at Thunder Bay. Lodge Secretaries attended a half-day symposium dealing with recent constitutional changes and a review of the responsibilities of Lodge Secretary relative to our Book of Constitution. The sessions provide an excellent forum for friendly interaction of ideas and information to address concerns, and to overview the operations of our Grand Lodge office and its staff. Secretary seminars in the coming year, if requested, can be arranged through the District Deputy Grand Master.

Semi Annual Returns

As of this writing, several Semi-Annual Returns, due January 8, 2009, have not been received at the Grand Lodge office. Subsequently, the July 8 return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder... Section 300, Book of Constitution states, "Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8th day of January and the 8th day of July each year." Please consider this responsibility an important one.

Closing Remarks

The Grand Lodge staff continue as dedicated team players who take great pride in the service they provide. Each contributes to the *esprit de corps* enjoyed in our daily office activities.

We thank the great majority of lodge secretaries for the stellar service provided to their respective lodge. We commend those of you who conscientiously submit the required data and information in a timely manner.

Finally, to all those having dealings at the office, our thanks for your cooperation as we endeavor to provide the essential services necessary.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

Forty-four reports of the District Deputy Grand Masters were presented by the Grand Secretary, and, on motion of the Deputy Grand Master, seconded by M.W. Bro. Terence Shand, they were referred to the Board of General Purposes.

REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. Raymond S. J. Daniels, Chairman, and on motion of R.W. Bro. Daniels, seconded by R.W. Bro. D. G. Dowling, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege and pleasure to present this report on behalf of the members of the Management Committee.

The Management Committee was established as a Standing Committee in 1991, after several years of planning. Seven meetings were held in the first year under the chairmanship of R.W. Bro. C. Edwin Drew, then Deputy Grand Master. In his report to Grand Lodge in 1992, the Chairman stated: *"Your representatives have endeavoured to perform their allotted tasks with a sound balance of vigour and caution to ensure that this committee, established on a sound foundation, will be able to serve the Board of General Purposes and our Grand Lodge for many years to come."* Those prophetic words could be repeated today.

During the year, the Management Committee has met at the Grand Lodge Memorial Building in Hamilton six times: October 1, 2008, November 12, 2008, January 22, 2009, March 25, 2009, April 22, 2009, and June 3, 2009, to receive and review recommendations from the Standing and Special Committees. The members have also been invited to attend the Chairmen's Meetings (August 19, 2008, and April 1, 2009).

The Reports submitted by the District Deputy Grand Masters were thoroughly reviewed and recommendations were made to the chairmen of committees when and where specific needs are identified. Through the Committee on the Condition of Masonry, the D.D.G.M.s were requested and strongly encouraged to submit reports on the completion of their Official Visits to expedite more efficiently Grand Lodge support and assistance to those lodges where a need was identified – e.g. membership retention, finances, officer progression, etc.

It was brought to the attention of the committee that confusion and disparity had occurred in some districts about the use of proxy votes in their District Meetings held at Grand Lodge for the election of the D.D.G.M. Acting on the advice of the Chairman of the Committee on Constitution and Jurisprudence, it is stated for the record that the District Meeting (Section 65), while held at Grand Lodge, is not, ipso facto, a meeting of Grand Lodge and therefore proxy votes cannot be used.

Presentations were made by the Committee on the *Ontario Mason* magazine (V.W. Bro. Bruce Miller), Computer Resources Committee (R.W. Bro. Brian Bond), Communications Committee (R.W. Bro. Douglas Conway), Youth Initiatives Committee (V.W. Bro. William Atkinson, Sr.)

R.W. Bro. James Kirk-White re-assumed duties as Webmaster of the Grand Lodge website, and following the untimely death of R.W. Bro. Brian Bond, W. Bro. Robert Kliaman was appointed as interim Chairman of the Computer Resources Committee. We are grateful to these brethren for undertaking these essential duties

A proposal for a major fund-raising project was made to take the place of the Special Program Fund (Calendars and Labels) which is being rapidly depleted. There was a diversity of opinion about how the services and programs of Grand Lodge should be funded – paying our way through per capita assessment, which remains comparatively low, or through fund-raising projects. The committee decided to table the proposal for further discussion of how we fund our programs in the coming year. From the outset, the Special Program Fund has been the responsibility of the Management Committee. A moratorium was placed on spending from the Special Program Fund unless approved and authorized by the Management Committee.

The Management Committee thoroughly reviewed the budget requests submitted by all Committee Chairmen and made recommendations to the Audit and Finance Committee.

The data base and mailing list for the *Ontario Mason* magazine and the calendars and labels has been a most serious concern. It has not been adequately maintained or regularly updated, resulting in the return of undelivered magazines at high cost to Grand Lodge. It is recommended that professional expertise be engaged to address the problem before any further mailings can take place. We have in hand several proposals to be considered prior

to the end of this Masonic year which we hope to report to the Board of General Purposes at the Annual Communication in July.

Following the biennial Strategic Planning Conference attended by the Honorary, Elected, and Appointed Members of the Board of General Purposes, the summary report of the Long Range Planning Committee and the recommendations of the breakout sessions were reviewed. Consideration will be given to a modification of the present liaison structure to have each member of the Management Committee assume a Centre of Excellence as, 'Management Advisor Member,' and play a more important role on the committees thereof. The committees will each have a chairman, appointed from the Members of the Board of General Purposes, but the 'Management Advisor Member' would be more involved and active with the work of the committee. To this end, it is suggested that the Management Committee should meet more frequently during the year.

The following requests were approved:

- (1) Youth Initiatives Committee – printing and posting of a full colour pamphlet
- (2) Public Awareness Committee – International Plowing Match 2009, Earlton
- (3) *Ontario Mason* magazine – publication of one issue, fall 2009

The following requests and proposals were sent back to the committees for further study and/or amendment:

- (1) Communications Committee – revision of the Ontario Masonic Directory
- (2) Computer Resources Committee – Conference calling and SKYPE
- (3) Youth Initiatives Committee – "Youth of the Year Award"

All of which is respectfully submitted on behalf of the dedicated members of the committee: M.W. Bro. Allan J. Petrisor, Grand Master, R.W. Bros. Donald A. Campbell, D. Garry Dowling, Thomas W. Hogeboom, Terry A. McLean, Paul E. Todd, James C. Sutherland, Chairman of Audit and Finance, and T. Richard Davies, Grand Treasurer. M.W. Bro. Terence Shand, Grand Secretary, provided invaluable assistance, support and advice.

After much discussion and consideration it was determined that future participation in the International Plowing Match should be a district initiative as opposed to a Grand Lodge incentive.

It is therefore recommended, should any district wish to become involved in a community project, including a local I.P.M., the district should contact the Chairman, Public Awareness Committee for advice and assistance. Should the district seek the assistance of Grand Lodge funds, it is to submit a business plan to Public Awareness whose Chairman will make a presentation to the Management Committee.

RAYMOND S. J. DANIELS, Chairman

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. F. Halpern, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Halpern, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received the following TWELVE(12) Notices of Motion for consideration.

1. The first proposal deals with the requirement of the District Deputy Grand Master to file his reports as contained in Section 104 and reads as follows.

The proposed amendment would renumber the current Section to 104(a) and add the following as Section 104(b).

104(b) In addition, the District Deputy Grand Master shall send to the Grand Lodge Chairman on the Condition of Masonry within fourteen (14) days of his official visit

to each lodge in his District either by electronic transmission as an attachment, or facsimile or surface mail a copy of his report. - (c) that I will cheerfully conform to all the ancient usages and established customs of the Order; and

It is further proposed that the paragraph as follows:

Be amended by adding another line so that it will read as follows:

In consideration of your receiving this application for membership, I consent to investigations being made from any source relating to my qualifications for membership in the Masonic Order. Upon request I will produce a police clearance letter.

Section 187(b) is deleted.

The current Section 188 is deleted and a new Section 188 is to read as follows:

- (a) The \$2500.00 paid by the lodge to establish the Honorary Membership, together with any monies already held by the lodge on account of existing Honorary Membership and/or grandfathered Life Membership, shall be kept separate and apart from the General Funds of the lodge in a separate Trust Fund.

The committee shall inquire into the character and qualifications of the applicant and shall report in writing thereon to the lodge at its next regular meeting held after the lapse of not less than four weeks, or as soon as possible thereafter.

Changed to:

If proper notice had not been given the ballot shall stand over until the next regular meeting of the lodge of which proper notice has been given.

Changed to:

323(a) If a unanimously favorable report of the committee of inquiry with respect to an application has been submitted to the lodge, (meaning no objection has been voiced and all members of the committee agree), and if the Grand Secretary has provided a report that the applicant is clear on the Grand Lodge records, the Worshipful Master may at his discretion do away with the ballot and declare the applicant a candidate for initiation or membership into the lodge by affiliation. If, however, any objection has been raised to the committee or any member of the committee is not in favor, proper notice of the ballot stating particulars of the name, date of birth, (year/month/day), occupation and residence of the applicant has been given in the lodge summons, and if the Grand Secretary has provided a report that the applicant is clear of the Grand Lodge records, the ballot may be proceeded with at once. Your committee finds this proposal to be a statement only and it is not found in the Constitution.

REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. David P. Hardie, Grand Chaplain

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It was a distinct honour and privilege last spring to have been asked by our Most Worshipful Grand Master, Allan J. Petrisor, to serve him and this Grand Lodge as Grand Chaplain for the term 2008–2009. It has been a delight and an experience that will be one of the highlights of my Masonic life. The only regret that I have and would pass on to my successors is that there was not enough free time as a working priest in active parish ministry to fully encompass the possibilities of this Masonic office.

During the year, I have had the pleasure to travel to many small communities, as well as large, to witness just how many lodges there are in this province. It has been an eye-opener to see the dedication of so many brethren, to hear their stories and, to see the remarkable proficiency displayed by them. It truly is a humbling experience. I wish to thank each and everyone for this opportunity, but especially to the Grand Master, Allan J. Petrisor and the Officers of Grand Lodge for their dedication, patience and support for the office of the Grand Chaplain and my efforts to fulfill it. A special thanks I would like to extend to Granite Lodge No. 352 and the Parry Sound-Muskoka District for their support and kindness which allowed me to undertake this distinct honour.

The office of Grand Chaplain can be a hectic one matching that of any of the major elected offices of Grand Lodge. It involves travel, ceremonies, liaison with the District Deputy Grand Masters, the District Chaplains, meetings, preparing services, conducting District Services, and several pastoral undertakings throughout the year. Like my predecessors who have filled the office and who have not been retired, the duties can be daunting. However, the enjoyment and sense of accomplishment have been equally fulfilling. Beginning early in the term each District Deputy Grand Master was contacted and congratulated on his preferment and at the same time to offer my services to him and his District Chaplain as much as possible as my work commitments would allow. I have been taken up on this offer on several occasions and where and when possible have enjoyed the opportunity to be of assistance. As there are often times when I have not been available,

there has been work of the Assistant Grand Chaplains who have filled in and to them I extend my sincerest thanks and warmest regards.

As part of the undertaking as Grand Chaplain, I have been privileged to have been asked to participate in several amalgamations, dedications and re-dedications throughout the province. At the writing of this report and as the year is winding toward this One Hundred and Fifty-Fourth Annual Communication, there are still many more travels that will be undertaken including dedications, installations, receptions and most delightful Divine Services, all with the opportunity to meet and sojourn with brethren from all parts of this great jurisdiction.

Most Worshipful Grand Master, you have set an amazing standard and pace this past year, and I am not sure where you got your stamina to do it; perhaps you might, in private, let us know so that we might try to emulate your achievements. It has been a delight and honour to have served for you and with you.

Finally, I wish to extend a benediction to all who hear and read this report. May the God who created heaven and earth, who first breathed the breath of life into each of us, be merciful unto us, give us wisdom to see what He wills, the strength to accomplish His purposes, and the beauty to adorn our efforts so as to bring glory to Him and happiness to all humanity. And when we have been called from this our earthly quarries, may He welcome us into that foreign land from where no traveler returns and where He will bestow the wages of a well spent life! Amen.

Respectfully and fraternally submitted

REV. DR. DAVID P. HARDIE, Grand Chaplain

REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there were no Masonic trails or appeals from decisions rendered at Masonic trials. There was one request for a Certificate of Severance which was granted.

There were two applications for Restoration from Members who had been previously granted Certificates of Severance. These requests were approved by the Lodges involved and they were reviewed by your committee. After consideration, both requests were approved.

Three complaints were determined by the Grand Master after due consideration to be private piques and quarrels and no further action was required. Four matters are presently under investigation.

Your committee is pleased that there has been a significant decrease in complaints received by Grand Lodge. We hope this trend continues.

Your Committee is on record as being available through the Grand Secretary's Office to assist any Brother with respect to a Masonic complaint, charge or trail. It is much more prudent to ask at the beginning than start the process and deal with errors later.

Your Committee extends its thanks to the Grand Secretary and Grand Master for their efforts in dealing with disciplinary matters on a prompt basis throughout the Masonic Year.

As Chairman, I personally extend my thanks to each member of the Committee for their assistance.

All of which is respectfully and fraternally submitted.

DAVID E. JACKLIN, Chairman

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

This Report was presented by R.W. Bro. Samuel Kalinowsky, President

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren.

This Report does not appear in the Preliminary Proceedings.

On Tuesday morning, it was my privilege to present the 2009 Annual Report, on behalf of the Board of Directors, to the 46th Annual General Meeting of the Masonic Foundation of Ontario.

Highlights of the activities of the past year, 2008-09, are contained therein and I highly recommend it for your perusal. It was widely distributed at the Foundation Display the last two days, will be mailed to all Lodges shortly and will be available to surfers on our WebPage.

During the last two years, the Foundation has enjoyed, with sincere gratitude, the unqualified support of our Grand Master, Most Worshipful Allan J. Petrisor, who has championed our noble cause with passion and conviction. His personal project, "Early Detection and Awareness of Prostate Cancer" struck a resonant chord with the Masons of Ontario, and culminated on Tuesday with the presentation of a cheque of \$81,000 to Prostate Cancer Canada...truly a remarkable achievement!

Today, I would like you to join me in formally recognizing the contributions of 3 departing Directors: R.W. Bros Kenneth Campbell, Barry Hutton and Ian Millar, who have effectively completed their tenure with your Foundation. At the same time, we are pleased to welcome R.W. Bros Ivan Elliott, Robert McBride and Henry Krajewski as the new Directors.

We applaud the continuing support of the Past Grand Masters, The Members of the Board of General Purposes, the 44 DDGMS and, indeed, all the Masons of Ontario for their commitment to our noble cause. The continuing diligence of our Hamilton Office, Melvyn Duke and Marlene Victor, is graciously appreciated.

Financially, we experienced a good year, the unrestricted net assets of the Foundation rose to \$10, 636, 675. at March 31, 2009... the first time in our relatively short history that we have surpassed \$10 million. Revenues from Investment Income were \$395,086, Yellow and Grey Envelopes and Bequests totaled \$2,620,237. Foundation-supported programs received \$375,611 and a further amount of \$425,038 was paid out for District Projects. Administration and Fund-Raising Expenses totaled \$134,309. As a result, Excess of Revenue over Expenses amounted to \$2,476,403.

My tenure as the President of The Masonic Foundation of Ontario ended on Tuesday morning. I am pleased to introduce my successor, Right Worshipful Bro. A. Douglas Nichols, from New Hamburg, a retired Chartered Accountant, who has served your Foundation with distinction for the last 8 years, as Treasurer for the last two years and prior to that as Vice President on the Executive Committee and Board of Directors for six years.

Your Masonic Foundation is strong, led by effective and visionary leaders, structurally and administratively sound and financially well endowed. I have absolute confidence in the wisdom and resolve of its Management Team. As we advance towards our 50th Anniversary in 2014, I commit myself unreservedly to assist in the realization of our collective hopes and dreams.

In conclusion, it has been an honour and privilege to have followed in the footsteps of all those who have occupied the Office of President of the greatest Foundation in the world, The Masonic Foundation of Ontario. It remains but to quote from the immortal words of Kahlil Gibran, "the moving finger writes; and having writ, moves on;".....**for the cause of good.**

Respectfully submitted on behalf of the Board of Directors and Officers of The Masonic Foundation of Ontario.

SAMUEL KALINOWSKY, President

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The duties and responsibilities of the Committee on Audit and Finance of Grand Lodge are set forth in the Book of Constitution Section 136 (a) and the committee now reports to Grand Lodge on the discharge of these several duties and responsibilities.

The past year has been quite the rollercoaster ride. The continuing turmoil in the world's financial markets has reduced the value of the assets held by Grand Lodge and the income derived from those assets. During the past year working with the Grand Treasurer and Scotia Cassels our investment portfolio managers we have reduced our exposure to equities. The equities we have retained are of high quality, but diminished in value due to the state of the stock market. We are confident they will recover their value, but the timing of that recovery is still unclear. The committee, with the Grand Treasurer considered the question of selling all equities until the stock market recovers. It was unanimously agreed that Grand Lodge continue to maintain an exposure in equities in spite of the present depressed markets.

ACTIVITIES

Your committee reviewed the Investment Policy of Grand Lodge. The Investment Policy was simplified and maximums and minimums were established regarding the various holdings of cash, bonds and equities. The overall asset mix remains unchanged with the majority of our investments in debt securities.

The committee continues to review the financial statements of Grand Lodge on a monthly basis. They are compared to the budget so as to be sure that the financial position of Grand Lodge remains sound. The Grand Lodge office and the committees of Grand Lodge continue to prudently stay within budget.

The Annual Reports of the Grand Secretary, Grand Treasurer and the Auditors were reviewed and this committee recommends the adoption of these reports.

In an effort to reduce the workload on the Grand Lodge staff in dealing with late semi-annual returns and to get funds to Grand Lodge in a timely manner, the committee has proposed an amendment to the constitution to add an administration fee to the lodge Semi-Annual Returns. This administration fee will be waived if the Semi-Annual Return is received on or before the due dates of the 8th day of January and the 8th day of July each year.

The Grand Lodge Insurance Program is well underway with more lodge building corporations and lodges joining daily. The savings have been substantial for those lodges in hydrant protected areas. The savings have been smaller in areas serviced by volunteer fire departments. The broker handling the program has encountered many lodge buildings carrying inadequate coverage and lodges that were not properly insured. Due to requests from building corporations the program has been expanded to cover concordant bodies that meet in these buildings with the exception of the Shrine. The coverage and the cost of the coverage is superior to that which a lodge or Lodge Building Corporation could obtain on its own. Some lodges and Lodge Building Corporations have remained with their existing insurer due to personal ties or the feeling that they do not require the extensive coverage offered by the Grand Lodge Insurance Program.

Budget projections looking forward 5 years have been completed. We project that this Grand Lodge will be in a deficit position in 2012 unless Grand Lodge dues are increased.

The committee has looked at the Commutation Fund to make sure that it is actuarially sound. At this time it is in a sound financial position.

INVESTMENT PORTFOLIO

During the past year your committee met several times with Scotia Cassels Investment Counsel Limited to review the Grand Lodge portfolio to make sure revenue would match the budget.

The overall Investment Portfolio of Grand Lodge as of April 30, 2009, stood at a market value of \$4,040,600 compared to \$4,293,222 on April 30, 2008. As mentioned, the decline in value is due to the sharp fall in the stock market during the past year. Our equity investments have been marked to market value. This accounting standard was initiated with last year's report.

We recommend that Scotia Cassels Investment Counsel Limited continue to be engaged as the Grand Lodge portfolio managers.

FINANCIAL STATEMENTS

The audited financial statements for Grand Lodge for the year ending April 30, 2009, were reviewed and discussed in detail with our auditors, Grant Thornton, L.L.P., Chartered Accountants at a June 2, 2009, meeting of the Audit and Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2009, Grand Lodge experienced a consolidated loss of revenue over expenses of \$268,612 for fiscal 2009 compared to a consolidated excess of revenue over expenses of \$259,119 for fiscal 2008. This dramatic change in revenue compared with expenses is due to a loss on the value of our investments now that they are marked to market and a loss on the sale of some investments.

The Grand Treasurer, the Grand Secretary, the Grand Master, the Chairman of the Management Committee and the members of the various Grand Lodge committees are to be commended for their prudent management of the financial resources of our Grand Lodge during these difficult economic times.

Accordingly, the committee recommends that the audited financial statements for the year ended April 30, 2009, be adopted as submitted. We also continue to recommend the engagement of Grant Thornton, L.L.P., Chartered Accountants as our auditors.

I wish to thank James Brennan, C.A. and Michelle Auger of Grant Thornton, L.L.P., Chartered Accountants for their assistance and advice during the past year.

BUDGET 2009 – 2010

The Management Committee presented the Audit and Finance Committee with the budgetary requirements for all the Grand Lodge committees for the coming year. The requirements were used to prepare the annual budget for Grand Lodge for the year ending April 30, 2010. The requirements of the Grand Lodge committees for the coming year total \$49,275.

The budget for the General Fund for the ensuing year is set out in the appendix to this report, which reflects anticipated revenue of \$771,500 and expenses of \$734,575 resulting in a projected excess of revenue over expenses of \$36,925 before the application of the unrealized gain (loss) on investments.

As in prior years, a budget for the Special Programme Fund has been prepared, which is set out in the appendix attached to this report and reflects budgeted expenditures of \$90,500. We project that at the end of April 30, 2010, the funds in the Special Programme Fund will have been reduced to \$24,076. The fund will then be closed and the remaining funds transferred to the General Fund.

The Operational and Special Programme budgets were prepared on a line by line based examination of the actual results of the previous year and giving consideration to the needs of Grand Lodge to deliver their programmes.

In accordance with Section 134(c) of the Book of Constitution, the committee submits for consideration and approval, as set out below, an estimate of the revenue and expenses as they relate to the General Fund for the period ending April 30, 2010. The committee believes that the budget set out in this report is realistic and provides for items which can reasonably be foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming fiscal year.

CHARITABLE DONATIONS

The committee reviewed the donations made by the Grand Master on behalf of Grand Lodge.

The donations totaled \$2,000 and were: \$1,000 to the Masonic Information Centre and \$1,000 to Texas hurricane relief. As such, we recommend the approval of the same.

GENERAL

I must thank the members of my committee, M.W. Bro. A. J. Petrisor, R.W. Bros. R. S. J. Daniels, T. R. Davies, N. McCarthy, P. McGrenere, E. Standish, S. Cohen, M. Coulter and I. Respectfully and fraternally submitted on behalf of the committee.

JAMES E. SUTHERLAND, Chairman

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. R. E. Groshaw, seconded by M.W. Bro. G. A. Atkinson, and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

On behalf of this committee composed of all of the Past Grand Masters, It is my privilege and pleasure to present the report on the Grand Master's Address.

A fitting welcome has been eloquently tendered to our Members as well as to our distinguished guests. Likewise, a fitting tribute has been paid to our departed brethren. In particular, he acknowledges the "Significant Contribution" of two of our Past Grand Masters and a member of our Board of General Purposes along with several who have produced a "Lasting Impression" on so many of our members in particular and masonry in general.

This committee salutes the efforts of the Ad Hoc Committee to extend masonic facilities and fellowship to our serving brothers in NATO commitments and military operations in trouble spots around this world. It is our hope that we all will keep their welfare and that of their families in our thoughts, actions and prayers until the ideal day when diplomacy and understanding will supplant violence.

On a happier note, we endorse the Grand Master's presentation of the William Mercer Wilson medal to 8 Master Masons who have served their communities and masonry over many years of diligent and compassionate service. We also support the granting of Past Rank to 6 Worshipful Masters who served less than 12 months. As well as conferring the rank of Past Grand Senior Warden upon the chairman of Youth Initiatives. In this same view, we endorse and congratulate the Grand Representatives that have been named in order to promote continued masonic diplomacy and sharing of talent and resources.

The Grand Master's kind remarks to the Past Grand Masters is much appreciated by this committee and we wholeheartedly endorse his vote of thanks expressed to those who served with him, including the 44 DDGM, and District Secretaries, the members of the Board of General Purposes including the Grand Wardens and Grand Registrar and all Appointed Officers including the Grand Chaplain, Grand Historian and Grand Director of Ceremonies. The heavy work load of the Deputy Grand Master (who is also President of the Board of General Purposes,) the Grand Treasurer, Grand Secretary and Custodian of the Work is likewise acknowledged and addition ally the staff of the Grand Lodge Office. The service of board members who are leaving is acknowledged and appreciated.

In addition to a heavy administrative schedule, Our Grand Master has displayed dignity and decorum while attending so many official functions, visitations and fraternal visits including the dedication of two lodge premises and the consecration of a lodge of "Traditional Observance". Many Lewis jewels and long service decorations were presented by our Grand Master. The presentations of Lewis jewels to a mason on the evening of his initiation as well as his Grandfather and father occurred shortly before the father's untimely cancer death. The masonic cornerstone laying ceremony at 888 Young Street in Toronto was a "Unique Historical Occasion" and we thank our Grand Master for the admonition to plan well for the masonic lodge rooms for our present and future freemasons.

We congratulate the lodge that have celebrated significant anniversaries and concur with his granting of gold braided regalia to 4 lodges at the time of their centennial celebrations.

This committee is pleased with the Grand Master's incentives with Youth, Prostate Cancer Research, rebuilding the west gate workshop as well as the masonic chip program, about which we will have learned more this last evening, we concur with his gratitude expressed to those who made preparation for the successful display of this family of freemasonry at the Teeswater International Plowing Match and to the committee on arrangements for this 154th communication of our Grand Lodge.

In conclusion, we, the Members of the Committee on the Grand Master's Address make note of the support of his family, especially Mary, his gracious and charming wife, as well as the membership of his mother lodge. We are happy to endorse the Grand Master's decisions, actions and philosophy during this past year and congratulate his on this fine address to Grand Lodge.

R. E. Groshaw, Chairman

REPORT OF THE LIBRARY, MUSEUM AND ARCHIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure to report on the activities of the Library, Museum and Archives Committee of this Grand Lodge for the past year.

LIBRARY

This year the committee consisted of R.W. Bros. Lanny Salmon (Team Leader), Ronald Bivens, James Ford, Donald Jagger, Victor Lepp, V.W. Bros. Bruce Miller, Charles Willmore, W. Bros. Donald Falconer, Allison Gowling and Louis Jansurik.

Once again the committee had a busy year. This year the library was open under supervision of the committee members and volunteer brethren for the months of September, October, November 2008, and February, March, April and May 2009, on Tuesdays, Wednesdays and Thursdays from 3:45 p.m. to 7:15 p.m. Special arrangements were made available for out of town brethren to visit the library at other times through pre-arranged appointments by contacting R.W. Bro. Lanny Salmon.

This year we renewed our membership in the MLMA (Masonic Library and Museum Association) of North America. In 2009–2010 we will be using this association on a number of projects.

For the first time, we arranged to have the Grand Lodge Library open with volunteers for three days during the 2008 Scottish Rite Fall Re-union in Hamilton.

We have completed the change over of all current VHF videos and audio cassettes to DVDs.

We now have our own e-mail address on line (library@grandlodge.on.ca).

Heritage Lodge No. 730 have been kind enough to donate to our Resource Library a complete set of 119 CD's from the Quatuor Coronati Lodge No. 2076, UGLE. These CD's cover all the research papers that have been published by The Quatuor Coronati Lodge up to 2008.

We have now finalized the cataloguing of approximately 3,500 pieces of reading material and books in the Lending Library with our new Boyden System. The books are listed under 10 general headings:

M00 – General Works

M10 – History and Philosophy

M20 – Customs and Paraphernalia

Masons

M30 – Jurisprudence

M40 – Charity and Education

M50 – Art and Architecture

M60 – Literature and Music

M70 – Societies Admitting Only

M80 – Woman In Masonry

M90 – Prince Hall Freemasonry

We have also completed the installation of a new software system called "Library World." With this new software we can now control the total library operation. The 3,300 plus catalogued books have now been installed onto this system. We now have the ability to computerize the following :

1. Recording of all books going out on loan
2. Recording of current inventory of all books at all times

3. Tracking length of time books are on loan
4. Recording due dates of all books on loan
5. Reporting immediately if book is not returned on due date
6. Record necessary action taken on overdue books

MUSEUM & ARCHIVES

The committee consisted of W. Bro. Daniel Glenney (Team Leader), R.W. Bro. Marvin Smith, V.W. Bro. Gene Lotz, W. Bros. Thomas Peddle and Brian Griffin. This committee also had a busy year.

Grand Masters Commemoration: (In progress) The actual cemeteries and/or general geographical locations of the final resting places of all 73 deceased Grand Masters have now been identified, including both Ontario and Quebec. In addition, due consideration continues on various concepts for suitable on-site identifying markers, as well as legal issues relating to privacy. The next step in the process will be the delegation to local teams to visit, photograph, and report back on the condition of the graves in their specific geographical area, over the summer and fall of 2009.

Masonic War Dead (On-going): The initial project concept concentrating on WWI and WW2 in the Windsor and Erie Districts has been enlarged to include all of Ontario, as well as ultimately the Boer War, Korean War, Cold War, Peacekeeping and Afghanistan.

Masonic Cornerstones (On-going): The considerable research carried out by V.W. Bro. Gene Lotz will be supplemented later this summer with the addition of some up-dated research information. The dedication of the Masonic cornerstone at the re-created Masonic Lodge in Upper Canada Village in the summer of 2008 stands as the latest addition to this file.

SPECIAL EVENTS

Wilson Lodge No. 113: The committee forwarded planning concepts to Wilson Lodge for their use including information on commemorative plaques and historical re-enactments of the War of 1812. The actual event is now scheduled for September 26, 2009.

Canadian Museum of Civilization: (On-going) Grand Lodge has agreed to be the senior Masonic partner with the Museum Corporation in the development of the web-based exhibit "Hidden In Plain Sight – Canadian Freemasonry." Support includes access to Masonic artefact and archival collections, plus introductions to other significant sources of information. The Museum Corporation has submitted a funding request to the Dept. of Canadian Heritage, and pending approval in June 2009, the project will be unveiled in the summer of 2011.

International Commemorations – Bicentennial of the War of 1812 and Centennial of the First World War 1914-1918: (Initial concepts) Tentative consideration has been given to various options to highlight the role of Freemasonry in these historical events.

We would like to thank the Grand Master and the Deputy Grand Master for their continued support of the goals and objectives of the Library, Museum & Archives Committee.

In closing, I would like to extend my appreciation and sincere thanks to the members of the Library, Museum & Archives Committee for their time, effort, contribution and co-operation, to the library volunteers for their time and contribution, to the Grand Secretary and the Grand Lodge Office staff for their help and co-operation and to the late R.W. Bro. Brian Bond for his special effort and contribution.

Respectfully submitted on behalf of the committee.

Mississippi Lodge is considering the construction of a new lodge building and requested any guidelines this committee could be of assistance with. We sent our information package in September 2007. Communicating with Bro. Pierce in March 2008, we found that plans were in limbo and we will be contacted with any progress that is made. There has been no further contact as of the writing of this report.

We will return with a preliminary list for the Grand Master to review and results will be available in July.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Fraternal Relations met in the boardroom at the Grand Lodge Memorial building on Tuesday, March 30, 2009. The committee reviewed and discussed three requests for Recognition, from the Grand Lodge of Moldova, the National Grand Lodge of Romania and Prince Hall Grand Lodge of Connecticut.

In considering these requests for recognition your committee looks at three important criteria:

1. Legitimacy of Origin
2. Territorial Sovereignty
3. Adherence to the Ancient Landmarks

Using these three standards, together with, information received from the requesting Grand Lodges and reports from the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America, the committee wishes to provide the following information and recommendation.

Grand Lodge of Moldova

The Grand Lodge of Moldova was constituted in October of 1999 by the Regular Grand Lodge of Italy, a Grand Lodge that we do not recognize. They have 210 members in seventeen lodges. The Committee on Information for Recognition indicates that they do not meet the standard.

Grand Lodge of Romania

This Grand Lodge was re-constituted in January 1993 by the Grand Orient of Italy. At that time there were three Lodges; today the National Grand Lodge of Romania has 6,234 active members in 203 lodges. The Committee on Information for Recognition indicates that they meet the standard.

Prince Hall Grand Lodge of Connecticut

The Prince Hall Grand Lodge of Connecticut is recognized by the Grand Lodge of Connecticut and pursuant to Section 4(b) of our Book of Constitution meets the standard for recognition.

Your committee recommends that our Grand Lodge recognize the National Grand Lodge of Romania and The Prince Hall Grand Lodge of Connecticut.

Last year at our Annual Communication, your Committee on Fraternal Relations recommended that four Grand Lodges seeking recognition be delayed. These Grand Lodges were the Grand Lodge of Latvia, Grand Lodge of the Republic of San Marino, Grand Lodge of Slovenia and the Grand Lodge of Serbia. Information received suggests that they have now stabilized and the committee, therefore recommends that all four receive recognition.

Noteworthy:

Lodge and Grand Lodges continue to spring up around the world from unrecognized sources. A number of lodges have been chartered in the U.S.A. from foreign Grand Lodges

of this nature. A new Supreme Council, whose origins is unknown, has also been established in America, called Supreme Council of North America, with bodies located in Virginia, North Carolina and Illinois. We need to be very diligent in examining dues cards when accepting visitors to our lodges, and determine the legitimacy of a lodge that may wish to visit.

In 2006, the committee brought to the attention of this Grand Lodge that a group calling themselves the "Regular Grand Lodge of England" were creating Grand Lodges in Europe and South America. Today, we see that they have moved into the U.S.A. The Regular Grand Lodge of California in 2008 was constituted by the Regular Grand Lodge of Nevada and both are reported to be linked to the Regular Grand Lodge of England. We do not recognize the Regular Grand Lodge of England.

Each August, our Grand Lodge circulates a list of lodges and Grand Lodges that our Grand Lodge recognizes. You should find it located in the front of the Tyler's register. Please check the list and guard the porches.

Grand Lodges may recognize other Grand Lodges, both near and far; however, it is not an uncommon practice for a Grand Lodge to exchange representatives.

I would like to thank all members of the committee for their knowledge and expertise.

On behalf of the committee, it is a pleasure to submit this report.

REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The committee has enjoyed an active schedule with full agenda meetings each month since August 2008. The goal was to assist lodges and temples with financial planning. Budgets, by-laws, taxes and auditing as well as simplified record keeping and reporting were covered. Life Membership was a major agenda item.

Temple Corporations

In this area, our main focus this year concentrated on Temple Corporations as they deal with the multifaceted challenge of corporate structure, GST and PST, their deteriorating facilities, diminishing revenue streams and officer & directors insurance to cover board members. Considerable work remains as we continue our dialogue and exert influence. While there have been some success stories, the fact remains that a number of temples will close. The only question is when.

Given that we have a ceremony when we consecrate a new temple, perhaps it is time to establish a similar ceremony for a temple going dark. This would permit the closure of temples with dignity and understanding similar to the closure ceremony for lodges.

Lodge and Temple Tax and By-Law Issues

Robert Kliaman, CA, provided professional advice and assistance to many lodges and temple corporations on various tax issues including: Federal and Ontario tax filings and assessments, Notices of objections to taxation, Goods and Services tax issues and Federal and Provincial Information returns.

We thank Robert for his insight and ongoing counsel. Going forward we are looking at developing basic "How to" templates which will assist the temples and lodges with the challenges they face.

Life Membership

Over the years various Financial Committees and indeed, Board after Board have strongly endorsed eliminating Life Membership. In the past Grand Lodge and this committee have dealt with many lodges seeking by-law approval for granting a Life Membership and/or the elimination of annual dues. Little or no consideration seems to have been given to the required funding or the impact on lodge finances and dues paying members.

This committee recommended constitutional changes, eliminating new Life Members and introducing procedures and costs for the Honorary Member. Existing life members

(December 2008) will be grandfathered. We are pleased to report that Constitution and Jurisprudence have found the recommendations "Regular."

Lodge and Temple Finances and Insurance – Powerpoint

The Lodge and Temple Corporations Financial Powerpoint presentation has been updated and full coverage insurance based on Ecclesiastical's Policy offered through F.C.A., has been added. This Policy has been requested by many lodges and temples over the past two months.

Financial Seminars

1. On March 10, 2009, Cambridge Masonic Centre hosted a Seminar Presentation of Lodge Finances and Insurance for the Waterloo District. Organized by Lloyd Hammel (Chairman Seminars and Workshops), 13 lodges attended. In attendance were 29 members, 24 from Waterloo, 2 from St. Thomas and 3 from Bruce District.
2. On March 14, 2009 Scarborough Temple hosted a seminar for the Temple Presidents. Topics included: Temple Corporate Structure, taxes, protocol for by-laws and financial statements, mergers and procedures for financing. In attendance were 35 members representing 18 temples from: Eastern, Georgian South and North, Hamilton A, B and C, Ontario, Peterborough, St. Thomas, York, Toronto's East, West, Don Valley and Humber Valley Districts participated.

We thank R.W. Bros. Lloyd Hammel and Giles Loshaw, Chairmen of the "Seminars and Workshops" and "Condition of Masonry Committee," respectively for their input and assistance throughout the year.

Simplified Financial Reporting

We continue to update and simplify financial reporting protocol and associated templates which are available through the Grand Lodge office and website. The newest issue is "Guidelines for Lodge Audit" reports.

With Thanks

Sincere appreciation is also extended to M.W. Bro. Terence Shand, Grand Secretary, and Mrs. Stacey Birks, Assistant to the Grand Secretary for their individual and collective contribution throughout the year.

Respectfully submitted on behalf of the committee members: R.W. Bros. Robert Collins, David Armstrong, Robert Wands, Murray Lampert, V.W. Bro. Bill Birdsall, W. Bros. Robert Kliaman, Vince Phillips and H. Alan Fryer (Secretary).

TERRENCE HORNER, Chairman

REPORT OF THE COMMITTEE ON PUBLIC AWARENESS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Public Awareness Committee members: R.W. Bros. Henry Krajewski (Vice-Chairman), Ian Millar, V.W. Bro. Mathew Clark and W. Bro. Ian LaFleur plus the Special Events Team: R.W. Bros. Les Armstrong (Team Leader); Allen Hackett, Allen Morley, Harvey Street, and V.W. Bro. William Wright.

Promoting a positive image to the general public of Freemasonry continues to be the focus of this committee. At the writing of this report, close to 50 dispensations had been granted for lodges to hold open houses or community events showing their neighbours who and what we are. Thanks to the Grand Lodge office, the committee was apprised of these events so that support could be provided. Templates were given to each D.D.G.M. early in the Masonic year, providing suggested media releases for any special events. These templates were to assist in giving consistent information to the local media to accompany photos in local newspapers. As Grand Master's receptions and anniversaries were celebrated, similar templates were given to the committees organizing these events. Many smaller communities took advantage of these opportunities and we thank the Grand Master for his

friendly and informative interviews. As well, the Grand Lodge Display booth continues to be available through the Grand Lodge office. And a special *thank you* to R.W. Bro. Roy Davies and his wife Kathy for their dedication maintaining the Grand Lodge Scrapbook of newspaper articles from throughout the jurisdiction.

A meeting was held with the Public Awareness contacts for Scottish Rite of Freemasonry, York Rite Freemasonry, Sovereign Great Priory and the Shriners of Tunis, Mocha and Rameses. The exchange of information should be continued with the hope of a combined effort to promote our fraternity.

The major Special Event again this year was the International Plowing Match in Teeswater. R.W. Bro. Dave Inglis and his committee ran a well organized event, supported by the team leader for this committee, R.W. Bro. Les Armstrong. Most of the volunteers were members of Bruce District and North Huron District and their monthly meetings along with a "Task List" assured a positive result for the marquee display. Seven organizations along with our own Masonic Display were represented in the Main Marquee. The Masonic Foundation of Ontario, Knights Templar, Shrine, York Rite, Scottish Rite, Order of the Eastern Star and Canadian Blood Services. On Wednesday, the Family of Freemasonry held a morning meeting and luncheon with the Grand Master and the other concordant bodies. This was followed by over 150 people at the Meet & Greet that evening. Canadian Blood Services provided visitors with checking blood pressure and blood type and on Saturday, the MasonicChIP program registered over 100 children. Although the week started off very wet, the excellent weather later in the week resulted in approximately 4,000 people visiting the tent. R.W. Bro. Lester Cudmore and his committee from Temiskaming District are already planning and looking forward to another great public awareness display at next year's International Plowing Match in Earlton.

All of which is respectfully submitted.

BARRY HUTTON, Chairman

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

"Someday perhaps the inner light will shine forth from us, and then we'll need no other light." Bro. Johann Wolfgang von Goethe.

In the meantime, we need to search for light. The Internet is where the young Mason first searches for information and education. Without neglecting our print resources the Committee on Masonic Education has focused our efforts on the Internet. We have tried to have as many of our resources as possible available to the brethren via the Grand Lodge website.

After many years of diligent work, V.W. Bros. Syd Lowe and Gordon Walker retired as Administrators of the College of Freemasonry. Certificates of Commendation were personally presented to them by one or more of the Grand Master, Deputy Grand Master and Chair, along with the heartfelt thanks of the Committee and Grand Lodge. W. Bros. Dale Graham and David Gomez have ably taken over. The new contact information is available on the Grand Lodge website.

There are 46 active students in the Master Mason's Distance Education Course and 93 in the D.D.G.M. Preparation course. We have finished revising and updating the content of the courses and now are in the technical stages of implementing an Internet format.

Productive talks have been initiated between Brock University and the College to explore the interest and feasibility of elevating Masonic study into the theatre of academic freedom. The reception to this idea was positive. The initial talking point was the merit of developing interest in the study of Freemasonry at a university level, to explore the history, principles and progress of Freemasonry. Brock University, located in Niagara, an area influential in the growth of early Canada and holder of the Sankey Collection is a logical, accessible location for Masonic research.

R.W. Bro. Bob McBride has taken over as editor of The Newsletter and R.W. Bro. Bob Jones has taken over subscriptions and production. The number of subscriptions has increased to 609. Some of these are placed in lodge libraries and anterooms and therefore read by many brethren. In order to better reflect its purpose, that is, a journal of Masonic education, the

name has been changed to *Reflections*. Along with interesting articles written by Ontario Masons for Ontario Masons, there is a new section of short *Masonic Spotlights* suitable for a moment of Masonic education prior to the closing of Lodge meetings. R.W. Bro. McBride is actively seeking suitable articles for future issues and his contact information can be found on the Grand Lodge website, along with subscription information and an archive of back issues for research purposes.

The G15 continues its examination of gaps in our Fraternity. Their Education Manuals for Entered Apprentices and Fellowcrafts are available for downloading from the Grand Lodge website, and the Master Masons' is in the works. We encourage all candidates and their mentors to avail themselves of these excellent education tools.

The Lodge of Discussion concept is spreading throughout the Grand Jurisdiction and is even being used by some appendant bodies. We have demonstrated this format in several venues, always with the "train the trainer" message that once they learn how to do it, they can then take the concept and run it on their own.

V.W. Bro. Iain Mackenzie continues to manage the book sales in his very efficient manner. This year there will be 6 new titles amongst a total of 60, not counting all the Grand Lodge publications.

We reprinted the pamphlet, "To A Mason's Family" and distributed it to the D.D.G.M.s, but we also made a pdf file available for downloading from the Grand Lodge website so lodge secretaries always can get one to give to a new initiate.

We have continued to pique the interest of many Masons with our monthly Internet bulletins, which get forwarded across the province and around the world as far as India. An archive of the past bulletins is now also on the Grand Lodge website. Feel free to use these for education in your lodge.

In order to be more green and to encourage participation from the far-flung regions of our Grand Jurisdiction, we have tried meeting virtually by Internet. While it had its challenges, it did save a minimum of 100 litres of gas and 235 kg of Carbon Dioxide emissions per meeting.

As you can tell from the many references to the Grand Lodge website, we feel it is a very important starting point for those seeking information on Masonic Education programs. We have updated, and continue to keep our section updated, adding several new areas. Please check it out if you have not done so lately.

Thanks and recognition is given to the committee: W. Bro. Dennis Cook (Tillsonburg), Secretary; the late V.W. Bro. Syd Lowe, Administrator, and V.W. Bro. Gordon Walker (London), Co-administrator of the College of Freemasonry; W. Bros. Dale Graham, FCF and David Gomez (Owen Sound), Principals of the College of Freemasonry; R.W. Bro. Robert McBride (Indian River), Editor of *Reflections*; V.W. Bro. Iain Mackenzie (Burlington), Team Leader, Publications and Book Sales; W. Bro. Kris Stevens (Toronto), G15 rep.; R.W. Bros. Michael Diamond, FCF (London) and Stewart Greavette (St. Catharines); Bros. Brian Arnold (London) and Bruce Palanik (Pickering); Regional Representatives: R.W. Bros. Alan Tibbetts (Fort Frances), John Hodder (Little Current), Garnet Schenk, FCF (Gravenhurst), William Malmo (Stratford), Eduardo Cordero (Hamilton), Robert Jones (Oshawa), Robert Tate (Ottawa), V.W. Bros. Ervin Aspiras (Toronto), James Telfer FCF (Lynden), W. Bros. David Cook, FCF (St. Williams), Kevin Lorenz, FCF (Windsor) and Richard Wright, FCF (Ottawa). Gratitude is also extended R.W. Bro. Wayne Elgie for managing the email bulletins. And, finally to the Mentors of the College of Freemasons who are anonymous, but have our thanks and great respect.

"We have all the light we need, we just need to put it in practice." Bro. Albert Pike

Respectfully submitted on behalf of the Team Leaders and the Committee.

DAVID J. CAMERON, Chairman

REPORT OF THE BLOOD DONORS' COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased again to present this report on behalf of the Blood Donors' Committee: R.W. Bros. Tom Forbes, Secretary, G. Cousins, G. Bloomfield, Wm. Sylvester, D. McLaren, R. Ferguson, H. Danford, D. Rumble, H. Brockwell, R. Hunt, R. Kallio, D. Kennedy, B. Barker, V.W. Bros. D. McCallum and A. Inch.

To all volunteers, District Chairmen and the D.D.G.M.s, this committee wishes to extend our sincere appreciation for your commitment, as we could not exist without your good work.

We regret the sudden passing of R.W. Bro. Bill Henshall this past December. Bill was very devoted to this committee and is sadly missed. R.W. Bro. Harry Danford, who is involved with blood donations, was asked to fill this position and accepted. We are thankful to have him.

The goal of this committee is to encourage donations and to understand the urgent need for blood. We also encourage volunteering. Your district's key volunteers work very hard and do need your assistance.

Partners for Life

This program is still in effect at Grand Lodge, but at a lower scale. The program is now used more effectively at the district level.

The Partners for Life program is being accepted by many districts. The main theme of this program is to count all donations electronically which leaves no room for error. All districts that have enrolled are pleased with their results. It is the district's duty to have all donors complete a membership form.

Listed below are the numbers of plasma, platelet, and whole blood donations by district from April 1, 2008, to March 31, 2009.

International Plowing Match

The CBS attended our Masonic tent at Teeswater this past September. The popular Blood Typing attracted more than 200 people which is a two fold increase from last year. Many others came just to collect information. This event proved to be very busy for the two ladies of the CBS, but they were very pleased with the numbers. Special thanks to the Eastern Star as they were extra busy providing refreshments. The CBS of Sudbury have been invited to attend with us at the 2009 International Plowing Match.

Certificates of Merit

Certificates of Merit are issued as called on from first donations to 850 donations, the most recorded thus far.

We are pleased to extend congratulations to R.W. Bro. Clare Hatt of London East District for donations exceeding 850. We also congratulate W. Bro. Shaurds Sutherland of London West District for his commitment of more than 800 donations. How do we thank them for this milestone? Let us all pause for a moment and think of the number of lives they have affected, the number of hours they have spent at clinics, and how proud we are of their milestone and then maybe we may find the proper way to express our feelings.

Plaques

Three awards are awarded annually to outstanding districts. It is the wish of this committee to present the following:

Most Donations — Hamilton District B — 9213

Most Improved — York District

Most Donations from Partners for Life — Algoma District

Observation

It seems that the recession has not affected donations as our numbers indicate, but there is still a drastic shortage of blood and some surgeries have been postponed. However, all of our volunteers across our jurisdiction need your help; many have said if more would commit perhaps more could be done.

The Partners for Life is an excellent vehicle and 40% of our districts are taking advantage of it. First and foremost the electronic counting has reduced the numbers of hours District Chairmen and volunteers have to spend insuring donations are properly recorded. This also has enabled a greater level of accuracy in the total counts.

Conclusion

We are pleased with the donations of this past year and with the success of the electronic counting by the Canadian Blood Services. Our hope is that each year more districts will enroll with *The Partners For Life Program*.

As we see advertisements in the media regarding the shortage of blood, I feel the Masons of this province are doing an excellent job trying to meet the demand. Masonic donations are a known fact to many non-Masons; this is an image we need to protect. As in the Grand Master's motto, "*Masonry, Making a Difference*" appears to be evident in our Blood Donor Program.

Respectively submitted on behalf of the committee.

THOMAS A. SIEMIERNIK, Chairman

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report on the Condition of Masonry pursuant to its mandate as set out in Section 136 of the Book of Constitution. The committee is most grateful to the

District Deputy Grand Masters for the reports submitted and would take this opportunity to extend special thanks to the lodge Masters and Secretaries for assisting in the compilation of those reports.

The information contained therein from those reports has been reviewed, analyzed and filed with new reporting forms introduced last year by this committee. The reporting forms, which the committee strives to improve, provide invaluable information and statistics which will prove most beneficial to the lodges throughout this jurisdiction and Grand Lodge in general.

From the information compiled the committee presents the following statistics and recommendations:

Officer Progression

Of the 562 lodges that reported, 72.5% (407 lodges) have Past Masters serving in the senior offices of the lodge. This may be contributed to declining membership or newer members unwilling to accept the position of an office within the lodge.

Recommendation: Succession planning is essential to the future of the lodge.

Membership

While 111 lodges enjoyed an increase in membership, a steady membership was maintained in 253 lodges; however, a decrease was experienced in 198 lodges, undoubtedly the result of demit, suspension and death.

Grand Lodge Programs

From the information provided, statistics reveal a very confusing report for Grand Lodge Programs. Confusing in that while Chairmen and Team Leaders travel throughout the jurisdiction providing seminars and workshops for these programs, reports show that the Mentor Program was used in only 253 lodges or 45% of all lodges while the Friend to Friend Program was provided in 146 lodges or 26% of all lodges and the Brother-to-Brother was utilized in only 122 lodges or 21.75% of all lodges.

Recommendation:

1. The District Summary Reports which were created this year by this committee and forwarded to all Grand Lodge Chairmen with a summary of the Condition of Masonry within each district quickly identifies the districts which need assistance and should act as an invaluable tool for the Grand Lodge chairmen.
2. If the incoming D.D.G.M. is provided with a copy of the District Summary Report, it will provide him with an overview of the respective district and afford him the opportunity to challenge and correct the situation.

Request for Assistance

One of the most alarming results brought forward is the fact that only 87 lodges (15.5%) requested assistance from Grand Lodge and district resources.

Recommendation: Communication is the key.

1. Grand Lodge and district resources should continue to communicate with the lodges offering assistance.
2. The lodges in preparation of their meetings for the upcoming Masonic year should communicate with both Grand Lodge and district committees seeking assistance in the areas they deem necessary.

Lodge Records

Just as the quill pen and ink well were replaced, so has the typewriter been replaced in this era of electronic media.

There are presently 407 lodges (72%) where the lodge secretary has confirmed that the minutes of the lodge are recorded on computer. In addition, there are 232 lodges (41%) that have the records of the treasurer on computer.

While direction has been given that, "Lodge Minutes are to be printed and kept in a bound Minute Book (glue or stitch backed)," and produced as per section 298(a) of the Book of Constitution and related Form 4, this committee for the first time, will begin to gather that information in September 2009.

Recommendation: With the significant number of lodges using this resource for such important information the lodges should be looking at the ownership, security and storage of these computers.

Lodge Finance

While lodges lay claim to be in sound financial management, reports indicate a very disturbing and sharp contrast in that:

1. 397 lodges (70.65%) have members in arrears.
While 402 lodges (71.55%) have Finance Committees only 270 lodges (48%) have a budget.
2. Of 344 lodges (61.25%) that have Life Memberships only 254 lodges have a Life Membership Trust Fund and only 229 lodges are in compliance with Section 188 of the Book of Constitution, meaning 115 lodges are in violation of Section 188 of the Book of Constitution.
3. While 257 lodges (45.75%) report a Long Range Committee only 158 lodges (28%) review the Long Range Plan annually.

This report is not intended to be portrayed as one of “doom and gloom,” but rather a factual report. During this time of global economic downturn and turmoil, we have witnessed many large corporations experiencing financial disaster, proving no one is exempt – not even our lodges. Sound financial management is essential.

Recommendations

1. All lodge officers should be involved in lodge finance planning.
2. Lodges should be drawing on the resources which the Lodge Finance Advisory Committee can provide.

Electronic Submission of Reports

While we have been subject to many changes in today's society, one of the greatest changes experienced is the technology of communication. Just as we have accepted that change in our personal and business lives, so must we give consideration to applying those changes to this great Fraternity.

Acting upon a recommendation put forward by this committee last year, a proposed amendment to the Book of Constitution pertaining to the electronic submission of D.D.G.M. Official reports to the Chairman of the Condition of Masonry within fourteen days of his official visit was submitted and will be brought to the floor of this year's Communication.

In September 2008, a letter was sent to all D.D.G.M.s explaining the many benefits of electronic submission and requesting that they give consideration to the same. It is a pleasure to report that to date, 306 reports have been submitted by 30 D.D.G.M.s, and in turn those reports have been forwarded to committee members for an analogy of the same.

Amalgamations

The number of amalgamations in the jurisdiction has experienced a marked decrease this past year.

Mid-Term meeting of the D.D.G.M.

At the annual Mid-Term Meeting of the D.D.G.M.s held on January 10, 2009, at Scarborough Masonic Temple, reports, concerns and discussions resulting from break out sessions once again took place under the direction of the Grand Master.

Those reports and concerns which had been submitted electronically to the condition of Masonry Committee, in addition to the minutes of that meeting were prepared and put in C.D. form. The C.D. was given to the Grand Master on January 20, 2009, by the Condition of Masonry Committee, who in turn provided a copy to the Grand Lodge Chairmen and Team Leaders.

Special Thanks

With the introduction of voluntary electronic submission of official reports by the D.D.G.M.s to the Condition of Masonry Committee this year, a vast increase in the work load per member has occurred.

In addition to the 562 “book reports” received from Grand Lodge an additional 306 electronic reports were received, resulting in a 60% workload increase.

Committee reporting forms were fine tuned, a District Summary Reporting form was created, and last but not least, a spread sheet in Excel format has been created with very pertinent information related to the Condition of Masonry within this Grand Lodge jurisdiction.

A debt of gratitude is owed to these dedicated and hard working members for their support and input.

Sincere appreciation is extended to the Grand Secretary, M.W. Bro. T. Shand, for his counsel and guidance, as well as the staff at Grand Lodge Office for their support and assistance.

All of which is respectfully submitted on behalf of the Condition of Masonry Committee members: R.W. Bros. Alfred Messenger, Robert Taylor, Ronald Campbell, Jim Sercombe, Charles Woods, David Vojvodin, Brian Koivu, Robert McKee, Frank Granville and V.W. Bro. Michael Dennis.

GILES O. LOSHAW, Chairman

REPORT OF THE COMMITTEE ON COMPUTER RESOURCES

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Chairman:

While I am pleased and honoured to assume the position of Chairman of the Computer Resources Committee effective April 2009, it is unfortunate that my appointment is due to the passing of a good friend and brother, R.W. Bro. Brian E. Bond, on March 24, 2009.

Brian was responsible for bringing the Craft into the 21st century by changing our record keeping from manual to digital form, such as electronic Summons, introduction of databases for storage of membership information and the transformation of the Grand Lodge Office to computerization. Brian worked every Wednesday at Grand Lodge, for approximately 10 hours; an incredible time commitment.

For those of you who are not familiar with his Curriculum Vitae, the following is a brief Summary: Worshipful Master of Dentonia Lodge No. 651, 1987, D.D.G.M. Toronto District 4, 1990, Chairman of the Computer Resources Committee, 1997 to 2009, appointed to the Board of General Purposes 1997 to 2009, Elected to the Board of General Purposes 2005, Worshipful Master Brougham Union Lodge No. 269, 2006, and Worshipful Master Heritage Lodge No. 730, 2008.

Mandate:

1. To provide assistance to the Grand Lodge office as requested;
2. To promote the use and development of computerization within our jurisdiction which is compatible with the Grand Lodge computer data base; and
3. To provide assistance to those lodges wishing to computerize their records and administration.

Grand Lodge Web Page: (www.grandlodge.on.ca)

In the early Spring of 2009, Bro. Joe Johnson stepped down from the post as Grand Lodge Webmaster and R.W. Bro. James Kirk-White has resumed the mantle. R.W. Bro. James Kirk-White is a Past Master of Corona Lodge No. 454 and served as the District Deputy Grand Master for Muskoka-Parry Sound District. He has been the Grand Lodge Webmaster for several years and was instrumental in transforming our web page into a well-known and respected publication in Masonic circles.

Joe is the Past President of the Oshawa Shrine Club, webmaster for several local Masonic lodges and his district. He brought to the position his expertise as an employee of IBM and a devoted Mason. Joe, your pleasant manner and unique gifts will be missed and, on behalf of all of us who benefitted from your efforts, we sincerely thank you.

Database Update:

The address list at Grand Lodge which is used for the mailing of the *Ontario Mason* magazine, the Calendar programme and the Return Label Programme is in process of being updated, with several thousand corrections already made and several hundred new names added to the list. A letter, sent out with the 2008 Spring mailing to all lodge secretaries, requested that they forward to Grand Lodge a complete list of the mailing addresses of each of their members, along with the Grand Lodge Certificate number. This, coupled with the information received over the past year from the Chairman of the *Ontario Mason*, R.W. Bro. Bruce Miller, will ensure that the database will be brought up-to-date. The co-operation of the

various lodge secretaries is essential to maintain the list by advising Grand Lodge in a timely manner of any changes in their address list.

Card File Input:

The extensive card file system in the vault at the Grand Lodge Memorial Building, which covers member data location and reference, dates back to some time before the official formation of this Grand Lodge. The use of it was generally discontinued after the member oriented computer database was introduced and finalized. Plans are now on-going to preserve these cards and the data in electronic form, so that historical searches may be conducted without major effort.

Seminars:

We have conducted several seminars in Southern Ontario this Masonic year. The attendance and interest has been gratifying, sufficient to cement our plans for continuation.

July 15, 2008	Grand Lodge
November 29, 2008	St. Lawrence
December 6, 2009	Ontario, Toronto East, Toronto Don Valley
December 13, 2008	Toronto Humber Valley, Toronto West
January 31, 2009	Eastern, Frontenac
February 7, 2009	York, Georgian South & surrounding districts
April 4, 2009	Georgian North, Grey, South Huron
May 9, 2009	Algoma

Video Projectors:

We have three projectors. Two are, more-or-less, on permanent loan to other committees until the end of this Masonic year, leaving one for distribution and scheduling, which is always a concern. If you are using the projector, please return it to the Grand Lodge office by the date promised so that the next person can get it on time.

Food for Thought:

Electronic communication is now far more prevalent than in the past. This trend will only expand as a result of the heavy pressure that all communication companies are applying to our youth via intensive advertising in every public media. Gentle pressure is also being applied to our older membership by their grandchildren, who absorb and use computer skills as if they were born with them.

We will lose if we do not grow with this. I have talked with several younger members who are impressed with the swing to utilizing electronics more fully, but overall, we need greater awareness of information location.

New Equipment:

The work stations have been upgraded and new software is to be installed. This was made necessary by the average service life of a continually running machine, which is in the area of about 5 years. (Based on the quality of the hardware attached, such as hard drives, etc). Some of the new software purchased allows for the creation of electronic documents in Portable Document Format (PDF), word processing, presentation software and software which optimizes PDF documents for distribution on the Grand Lodge website.

Grand Lodge Forms:

Several Grand Lodge forms, including the Semi-annual Return, are posted on the net in the Grand Lodge Forms site (www.grandlodge.on.ca/Forms) These forms have been restored to the Computer Resources Distribution CD and postings are made to the Forms site as updates are applied so that these are available to all in a timely manner.

Most of these forms and the Semi-annual Return may be completed on a computer using Adobe Reader, available as a free download from Adobe.com or from your Computer Resources Representative. The new D.D.G.M. Report Forms for 2008–2009 are now formatted in Microsoft Word format so that they may now be saved for future use.

For the Semi-Annual Return, a series of rules are to be followed:

1. The form is to be printed on WHITE, ACID-FREE paper.
2. The original form MUST BE RETURNED to the Grand Lodge Office with the completed PDF form.
3. The DATES and FINANCIAL information contained on the original form MUST BE TRANSFERRED to the PDF form.

Lodge Programming:

The Distribution CD for 2008–2009 contains the following files:

Acrobat Reader 6.0.	Full installation program (older Windows programs)
Acrobat Reader 7.0 + Update	Full installation program
Acrobat Reader 8.0 + Update	Full installation program

Sight and Hearing Challenged Brethren:

Those lodges who have members who are sight impaired may apply for a special CD, designed to be used with the voice synthesizer in their computer. We also distribute a copy of the Book of the Work in LARGE TYPE, on 8 1/2" x 11" paper.

Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master.

- BOOK OF THE WORK 2007
- INSTALLATION 2007

And several more Grand Lodge publications.

These files are password protected and formatted in Microsoft Word and Adobe format as required by the standards set down by the manufacturers of voice synthesizer equipment and approved by the C.N.I.B.

Registration:

Our second year using the new notebook computers for the Registration at Grand Lodge went without a hitch. W. Bro. Kris Nickerson's registration program accurately noted each registrant and his lodge, compiling numbers and data for future publication in the Proceedings. His team is also responsible for the count of the ballots cast for election to the various offices at Grand Lodge.

The members of the Computer Resources Committee wish to thank the Grand Secretary and his excellent staff for their courtesy and assistance throughout the past year.

Respectfully submitted on behalf of the committee.

ROBERT KLIAMAN, Chairman

REPORT OF THE LONG RANGE PLANNING COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Constitutionally, the Long Range Planning Committee is to —

"Identify, study and assess matters which may affect the future of Freemasonry, to prepare and present a five-year plan and to make recommendations annually to the BGP for the long term benefit of the Craft."

In order to effect this mandate, the committee stepped out of the proverbial box to present a systematic and service-driven value-based approach to managing the many phases of operations within this Grand Lodge: the plan of which was presented to the BGP at the Biennial Planning Conference held in Hamilton on February 20 and 21, 2009. The concept was never to be construed as 'out with the old and in with the new'. Rather, it is an alternative to the way in which we can function as a team for the good of the Craft. This is a re-shaping to allow more latitude within which to work and achieve desired results. Life does not continue on the same plane forever, nor should we expect this organization to do so.

It has been said that, –

“Unless you try to do something beyond what you have already done and mastered, you will never grow.”

Accordingly, in concert with the Grand Master, the Deputy Grand Master and the Grand Secretary, details for the Biennial Conference were put in place. This has been an arduous undertaking by the members of the Long Range Planning Committee. To the delight of this chairman, it was agreed upon that the committee as a whole would not only plan the event, but would also facilitate the conference. Following monthly meetings from August to December of 2008, our meetings quickly became weekly via conference calling in preparation for the Strategic Planning Conference.

In his opening remarks to the participants at the Biennial Planning Conference, the Deputy Grand Master stated that, “our Grand Lodge is on a par with the best in providing well-crafted programs to support and encourage our constituent lodges.” However, he went on to say that, “we fall behind in adapting the administrative tools to make our organization efficient.” In effect, this summed the *raison d’être* for the conference as the Long Range Planning Committee laid out a planning model for adjusting the way in which we function as a Fraternity.

Biennial Conference in a nutshell:

Friday Evening, February 20, 2009

- PPP to introduce and outline the suggested model and plan for re-structuring
- Survey completed and collated
- Survey was based on the five CoE's as outlined in the PPP
- Participants asked to indicate on a 5-point scale the Proficiency and Importance of several statements in reference to present Grand Lodge Programs and Operations

Saturday, February 21, 2009

- Survey results displayed and explained
- Participants were grouped according to the 5 CoE's
- Two tasks were requested:
 - Prepare a mandate for the respective CoE
 - Develop a first year project within that CoE
- Each group presented their findings

It is on these findings that the following recommendations have been decided upon.

Recommendations for year one:

1. That the present Vision and Mission statements be revised to read:

Vision:

To ensure the timeless vitality of Freemasonry in Ontario.

Mission:

Grand Lodge will achieve its vision by providing effective and sustainable leadership to Ontario's Masonic community and by preserving the timeless Masonic initiatory system as a framework for all good men to transform their lives through the ancient and enduring tenets of brotherly Love, Relief and Truth.

Committee members feel that the re-wording is more expressive, definitive and is in keeping with the notion of re-shaping and renewal.

2. Introduction of a Centre of Excellence (CoE) operational framework.

3. Re-orienting Grand Lodge as a service-driven value based organization.
4. Introduction of Project Teams and Operational Teams.
5. That a Strategic Program Office be created and mandated to drive the Strategic Plan and that the Long Range Planning Committee become the custodians of that office on an interim basis while the plan is in its infancy.
6. That a member of the Management Committee be delegated to lead each Centre of Excellence thereby being responsible for the successful outcome of those deliverables recommended by the Strategic Program Office to each of the Standing and Special Committees under its umbrella.
7. That the first project for each committee within a CoE be to complete an internal audit under the guidance of the SDO and to develop a plan as to how it can communicate both internally and externally more effectively and efficiently. Committees would be requested to carefully consider their perceived mandates. Standing Committees would review their present mandates and mandates would be prepared for the Special Committees. Each committee would review their work in progress thus determining strengths and weaknesses. For the short and long term welfare of the Craft, this committee feels that we must understand ourselves before we can look outward and to the future.
8. Establish operational accountability. The existing WINS chart would be replaced with the use of a balanced score methodology.
9. Embark on a Five-Year, 25 project renewal and vitality strategy driving up to 2017.

In addition, the Long Range Planning Committee has set an aggressive agenda for itself over the months leading to Grand Lodge. We will be preparing a hard copy of the Strategic Plan for consideration and ultimate acceptance. We will be developing a definitive strategy for each Centre of Excellence and we will continue to plan steps for year two of the project.

It will take a series of short term goals and projects to reach long term desired results. It will also demand patience and understanding by all those involved for ultimate achievement. The fact remains that the Grand Lodge of 2017 should not necessarily look like the Grand Lodge of 2009.

It is with regret that R.W. Bro. William Jones has expressed his desire to retire from committee duties at this time. His service to the Long Range Planning Committee has been much appreciated. On behalf of the committee, I wish all the joy of life for him and his family.

Also, it has been my privilege to have had the opportunity to work with such a dedicated and experienced committee in the persons of: R.W. Bros. Barry Burchill, (Vice chairman), Neil Dolson, William Jones, Peter Mouriopoulos, Brian Seabourn, William Sweet, V.W. Bro. James Thornton, Bros. Graeme Boyce and Stephen Brash (Secretary). Each has been most accommodating with his time, experience and ideas as we strive to open avenues to protect what we have and to also grow the Craft for the future.

All of which is respectfully submitted.

GREGORY HAZLITT, Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Benevolence Committee is pleased to report that during the year ending April 30, 2009, there was disbursed in the name of benevolence, 8 grants from the Memorial Fund, totaling \$40,819.46. In addition, \$12,000.00 was paid for services provided by our Grand Lodge staff and \$7,598.48 was paid to the investment firm of Scotia Cassels Investment Counsel Limited for investment Management fees. Total expenditures were \$60,417.94. Income on investments was \$49,516.56. Donations and bequeaths totaling \$200.00 were received.

This year the committee's annual meeting was held on, April 30, 2009, at the Grand Lodge Office Building where your committee reviewed 11 applications. As the annual meeting was held so close to the end of the fiscal year, grants for these applications are not reflected in the above figures, however will show up in next year's figures. 8 applications that came in earlier in the year had been previously reviewed at the time of receipt.

The committee made Powerpoint presentations on the Benevolence process in four districts during the year. Also, the Powerpoint Presentation DVD has been updated to reflect current financial data.

District Benevolent Chairmen have been provided with the updated booklet, "Guide to Masonic Benevolence," along with enough copies to distribute one to each lodge in their respective districts.

Benevolent Committee reference material was supplied to the Lodge Resources Committee for inclusion in their "Lodge Resource Manual."

An ad hoc committee of former Benevolence Chairmen was struck, with the request to review the Book of Constitution with the idea of proposing changes that would allow less stringent criteria for applications for benevolence. It was concluded that the present constitution, as written contains all the safe guards to allow the committee to make informed evaluations in an equitable manner that is in accordance with the values under which the Memorial Fund was originally intended.

I would like to thank the District Chairmen of Benevolence that have taken an active role in the advancement of benevolence in their respective districts. Brethren, in these times of increasing financial hardship, it is our duty that we are diligent and must keep it paramount in our mind that, "*We are our brother's keeper.*"

In conclusion, let me express the committee's sincere appreciation for the assistance of our Grand Secretary, M.W. Bro Terence Shand and Mrs. Stacey Birks, for their continued support.

Respectfully submitted on behalf of the committee: R.W. Bros. T. R. Davies, R. C. James, P. J. Mullen, R. E. Kerr, J. A. R. Keith, J. W. Trousdale, K. L. Whiting, J. D. Kingston, W. Atkinson Jr., V.W. Bros. D. K. Bromley, R. Hilderley, P. J. Gillespie.

J. DAVID BELL, Chairman

REPORT OF THE COMMITTEE ON THE ONTARIO MASON MAGAZINE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I thank you for the opportunity of serving as Editor of *The Ontario Mason* magazine for the year 2008 – 2009.

The Ontario Mason magazine endeavoured to produce a higher quality magazine printed on 60 pound Allegro gloss paper. The focus was on stories that highlight the Grand Master's theme, "*Masonry . . . Making a Difference.*" To this end *The Ontario Mason* magazine used larger pictures and more feature stories instead of many small pictures that were difficult to see. Stories not used in *The Ontario Mason* magazine were relayed to the E-zine for on-line publication.

We were able to create a crisp and interesting new magazine focused on "Masonry In Action." *The Ontario Mason* magazine was a great success, both in quality and appearance. Financially, it proved to be expensive to mail due to the change in postal requirements. It also pointed out a need to harmonize a database with that of the lodges' membership lists to be more accurate in providing direct mail service.

The response of the brethren was enthusiastic and from every quarter. Requests were received from many quarters, including: the State of New York to share with their committee chairmen; the PPCLI to present to Bro. Sgt. Eades' widow; Kandahar airfield for the troops; lodges – for specific articles; the AASR for the centerfold ad to use in their publications.

The Ontario Mason magazine continues to be the public face of Freemasonry in Ontario. That is to say, that it communicates to the public, and to our brethren, what Masons do privately and publically to serve our communities while carrying on a proud tradition of education and character building.

It also continues to be a primary tool for recruitment by attracting the interest of non-members who have their interest elevated by seeing that Masonry isn't a "secret society," but

one that, while it may have secrets, invites its members to participate in their communities in building a better nation and better men.

My greatest thanks to the efforts of the Grand Secretary, M.W. Bro. T. Shand and R.W. Bro. Brian Bond for their efforts, understanding and guidance in furthering the completion of this project.

I strongly recommend that we continue to produce *The Ontario Mason* magazine using an improved dynamic database involving all of our lodges.

Respectfully submitted.

BRUCE MILLER, Chairman

REPORT OF THE LODGE RESOURCES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Lodge Resource Committee mandate is:

"To provide, the effective continuance of the Friend to Friend and Mentor, Officer Progression, Protocol and Etiquette and Brother to Brother Programmes, for the betterment of the constituent lodges and their members, within each District of the Grand Jurisdiction."

The Vision Statement is:

"To present these Masonic Membership initiatives in a timely, regular and on a rotational basis, providing for the monitoring and reporting of the program(s) usage and improvement."

The committee met on August 11, 2008, where the mandate and vision statements were reviewed including the rollout procedures for the Lodge Resources Manual in the Toronto and York. Districts, which were scheduled as follows:

November 15, 2008 — Toronto East	January 24, 2009 — Toronto West
November 22, 2008 — Toronto Don Valley	January 17, 2009 — York
November 29, 2008 — Toronto Humber Valley	

The PowerPoint Presentation for the roll out was reviewed and I commended Bill Brimer and Iain Waites for their yeomen work on the draft. The manual was reviewed and designed so that there are sections available for all committees of Grand Lodge for their input. However, it was stipulated that as the manual was an ongoing work in progress and always should be, in order to remain timely. It was stressed that the manual be ready in its presentational form for distribution for the rollout sessions by October 15, 2008. The chairmen of the committees of Grand Lodge were requested to speak to the committee so that their committees information might be included in the manual with that date in mind.

The focus areas for the COMBINED TEAMS this year were for: Brother to Brother, Friend to Friend and Mentor, Region 1 and for Protocol and Etiquette and Officer Progression Region 4 and the schedule and areas are included below.

Year	<u>Officer Progression and Protocol and Etiquette</u>	<u>Friend to Friend, Mentor and Brother to Brother</u>
2008 – 2009	4	2
2009 – 2010	2	5
2010 – 2011	5	3
2011 – 2012	1	4
2012 – 2013	3	2

The policy of the committee was reviewed to facilitate any request for assistance from a lodge or district in the jurisdiction. Further, that the Regional Liaison Representatives were to facilitate feed back and tracking form retrieval from the districts.

It was resolved that the Liaison Representatives would attend the Regional and Requested Overview Sessions and would assist in arranging them when requested by the respective District Deputy Grand Master in their assigned regions, reporting the requests to the respective TEAM Leaders. In this way the Regional Chairmen and the Team Leaders can work more effectively together.

This is the second year in which Brother-2-Brother has played an integral role in the much larger Lodge Resources Committee. In our view, the decision to conjoin Friend to Friend, Mentor, Brother-2-Brother, Officer Progression and Protocol and Etiquette continues to pay huge dividends. Being allowed to showcase these programs in an integrated manner demonstrates the success that can be achieved if the programs are fully embraced by the constituent lodges of the jurisdiction.

PROGRAM DELIVERY ENHANCEMENT

Early in the Masonic Year the team established some priorities for improving the delivery of the Brother-2-Brother program to the brethren across the jurisdiction. Our desire was to present the many benefits of the program in a more hands-on fashion. We wanted to encourage effective and open communication with those seeking our support and we wanted to identify, as the year progressed, additional resources that could be developed to help the lodges improve membership retention. Some of these are identified below.

The *Program Presentation* was refreshed this year by taking a more practical or hands-on approach to the delivery method used at Overview Sessions. In doing so, we committed more time to taking a "Closer Look" at the material and the real "Nuts & Bolts" of the program. This strategy has resulted in the participants gaining a much better understanding of the benefits that can be derived by using the program; and therefore, the team has been more effective in communicating its message.

The *Six Step Membership Retention Guide* was developed as a quick reference handout. It highlights the key steps that, if taken, can help in the development of a lodge's membership retention plan. It is ideally suited to or targets those Masons and Chairmen who are seeking to determine where best to get started.

The *Lodge Greeter Program* was developed to provide lodges with a guide that can help make members and visitors alike feel welcome and at home in any lodge. When men leave Freemasonry, they tell us that the single greatest reason for doing so is because "they felt like they were ignored." This program provides tips a lodge can use to improve the "welcoming power" in their lodge. It outlines the roles and responsibilities of those involved, prior to the opening of lodge, the closing of lodge, along with the banquet hour and at the end of the evening. Lodges who embrace this program will soon realize the power of a kind word and a warm handshake.

PRESENTATIONS CONDUCTED

Through the theme of "Building On The Momentum" the TEAM aggressively promoted the program through the District Deputy Grand Masters and generally received positive feedback. Conjoined with the Friend to Friend / Mentor Team we focused our presentation efforts in Region # 1, which is primarily Southwestern Ontario and fulfilled our mandate to bring these programs to the region. Some 10 districts and 118 lodges received the benefits of these programs through Overview Sessions. Having successfully met this goal, we conducted additional B-2-B presentations in 10 districts, involving 119 lodges.

The following is a complete list of presentation locations and dates:

- Ontario District – November 8, 2008
- Toronto Don Valley – January 24, 2009
- Ottawa District 2 – February 21, 2009
- Erie and Windsor Districts – March , 2009
- Sudbury-Manitowlin – March 28, 2009
- Chatham and Sarnia Districts – April 4, 2009
- Georgian North and Georgian South District – April 11, 2009
- Bruce, North Huron and South Huron – April 18, 2009
- St. Thomas, London East and London West Districts – April 25, 2009
- Nipissing East, Temiskaming and Muskoka Parry Sound Districts – May 9, 2009
- Wellington District – May 30, 2009

The chairman in conjunction with the B-2-B Team Leader, V.W. Bro. Iain Waties; Officer Progression Team Leader, V.W. Bro. Bill Brimer and B-2-B Team member R.W. Bro. Brian

Seabourn were involved in the development and implementation of the new Lodge Resources Lodge Chairman Workshop. This new workshop was rolled out in the Toronto area and made available to some 100 lodges at the following locations:

- Toronto East District – November 15, 2008
- Toronto Humber Valley District – November 22, 2008
- York District – January 17, 2009
- Toronto West District – January 24, 2009
- Toronto Don Valley District – January 31, 2009

B-2-B REQUESTS AND FEEDBACK

This year the team, as we did last year, has gone to great lengths to encourage and create an environment of cooperation and open communication between itself, the districts and constituent lodges. It was our goal to build on the momentum created last year and we have been extremely pleased with the results. By proactively demonstrating our desire to open the lines of communication we have fostered a new atmosphere between the team and those we have helped. By the end of this Masonic year we will have been contacted on well over 120 occasions by districts, lodges and individual members.

B-2-B FACILIFACTS

This periodical continues to be extremely well received and used by its readership. We are encouraged to see so many more districts and lodges either posting the publication on their websites or using excerpts in their Newsletters. It is hoped that, through this type of medium the leaders of our lodges and the brethren in general will become more acquainted with the B-2-B program and the value added benefits that it can bring to the constituent lodges.

The direct distribution list has now grown beyond 1,300 Masons and as a result of the further distribution through district, lodge and personal address lists, we are comfortable in stating that well over 10,000 Masons read the publication each month.

Brother-2-Brother Membership Retention Manual

This year a new B-2-B Membership Retention Manual was developed in conjunction with the introduction of the newly developed Lodge Resources Manual. This new B-2-B publication includes most of the B-2-B related material that was in the Tool Kit and incorporated some new additional material for lodges to use. The new manual is also available on CD for those wishing a copy.

Year End Recommendations:

- | | |
|----------------------------|---|
| 1. Rusty Mason Program | Design and implement a program that will encourage and prepare long absent brethren for their return to regular lodge meeting attendance. |
| 2. Effective Communication | Develop a strategy that captures the interest and imagination of newly elected district representatives and the Masons that they serve. |

The Friend to Friend and Mentor Committee has had an active schedule of Program Overview Sessions throughout this Masonic year; as well as meeting the "Focus Area" needs in concert with the Brother to Brother Team.

We have complimented these Region 1 presentations by holding nine additional presentations outside of our Focus Region. These came in the form of requests from district and lodges in all parts of the jurisdiction. Each event was tailored to the wishes of the requesting lodge or district. Seven districts held combined presentations which included Ontario District in Orono, Algoma East District in Blind River, Toronto Don Valley District in Thornhill, Ottawa 2 District in Arnprior, Georgian North District in Orillia, Peterborough and surrounding Districts in Peterborough, and Wellington District in Guelph.

In each of the 13 venues, our overview sessions included a PowerPoint presentation followed by discussion and questions from the brethren. Feedback forms were completed by the participants and Program CD's were provided for each lodge in the district represented at the event. Audio CD's entitled, "What is Freemasonry," and video DVD's entitled, "Freemasonry in Ontario" were available for purchase at the end of each session. During this Masonic year the Friend to Friend and Mentor Program has been able to target in excess of 211 lodges in eighteen districts through our Presentation Schedule. Although the attendance at each

event varied, the enthusiasm was high and interest in these two Grand Lodge programs appeared genuine among the session participants.

Early in the Masonic year it was suggested by our Lodge Resources Chairman that each Program Team should hold training sessions for our committee members. Program CDs were sent to each committee member for their study and examination. This was followed up with three sessions, one in Lindsay in the fall, one in Whitby in January at which V.W. Bro. Bob Gillman, our committee member from Thunder Bay was in attendance, and one in Guelph which coincided with a recent committee meeting. An overview of the program was examined and the PowerPoint slide presentation was explained.

The Protocol and Etiquette TEAM has also had an active and productive year. Our initial efforts during the previous year seem to have created a stronger awareness of the common bond which protocol and etiquette shares with all our rituals and ceremonies. As a result, requests for Protocol and Etiquette presentations have doubled this year.

The committee held a formal meeting on February 1, 2009. There were also informal meetings with key members of the committee throughout the year, to work on strategy, review the topics we highlight in our presentations, and to plan our year's activities.

The twenty-page, multi-color Protocol and Etiquette handout, which was first created in the Fall of 2007, continues to be distributed. It has also undergone a couple of minor refinements in the past six months.

The handout has proven to be very popular throughout our Grand Jurisdiction. In addition to several thousand copies which have been distributed at our presentations, the handout has:

- Been posted on at least two district websites (Toronto East and Ontario);
- Been converted into booklet form by one district, for all their Worshipful Masters (Toronto Humber);
- Been recommended to form part of the reference material for the D.D.G.M. Course;
- Been e-mailed countless times to any brother who requested a copy in this manner.

It is a pleasure to report that the TEAM has made twenty-three Protocol and Etiquette presentations since last July. Several thousand kilometers have been traveled by the TEAM to make these presentations, throughout all regions of the province.

A new *"Protocol & Etiquette Resource Manual"* was created and distributed to TEAM Members last term. (It is a *"train the presenter"* manual, designed to provide them with appropriate material to make a presentation on most Protocol and Etiquette topics.)

The Resource Manual was updated and further enhanced for this year. A copy was provided to each member of this year's committee.

One of our goals, since the TEAM was originally formed eighteen months ago, has been to distribute a Protocol and Etiquette newsletter by e-mail, on a regular basis, throughout our Jurisdiction.

The Officer Progression TEAM has also had a very busy and productive year and held sessions in:

- Richmond Hill Masonic Temple – Tuesday, October 2, 2008
- Star in the East Lodge, Prince Edward District – Saturday, October 4, 2008
- "Masonic Leadership" for the Past Masters' Association of Niagara District "B" – Tuesday October 21, 2008
- "Masonic Leadership" and "The Chair of the Worshipful Master," Ontario District – Saturday, November 8, 2008
- "Masonic Leadership" and the "Chair of the Worshipful Master," Waterloo District – Friday, November 21, 2008
- "Masonic Leadership" and "The Office of the Worshipful Master," Victoria District – Saturday, November 29, 2008
- "Masonic Leadership" workshop to the Toronto Humber Valley Wardens Association Temple – Wednesday, January 21, 2009
- "Masonic Leadership" workshop for Master's Wardens Association of Hamilton Masonic Districts A, B & C – Thursday, January 29, 2009
- Lodge Overview Session in Arnprior – Saturday, February 21, 2009
- Lodge Resources Overview Session, Peterborough District – Saturday, April 18, 2009
- Lodge Resources Overview Session, Wellington District – Saturday May 9, 2009

OFFICER PROGRESSION PROGRAMME DEVELOPMENT

The Officer Progression Seminar currently consists of two workshops:

(1) Masonic Leadership and (2) The Master's Chair. Both have been well received and appreciated.

The TEAM is proposing that two new programmes be designed and approved for inclusion as training programmes. They are "The Deacons Floor Work" and "Call to Order."

DEACONS FLOOR WORK: This is a training aid originally developed R.W. Bro. Peter Mourgiopoulos. The Officer Progression Committee is currently revising and updating that document. The 2009 revised edition will be submitted to the Deputy Grand Master and Custodian of the Work for approval as a secondary training resource to be used by individual lodges.

CALL TO ORDER: The committee is researching material to be used to develop a training module to provide officers with the skills and knowledge to efficiently conduct the business portion of lodge meetings and to properly chair committee meetings in a professional manner. It will be submitted for approval when completed.

PROGRAMME

1. Deacon's Floor Work
2. Call to Order
3. Masonic Leadership
4. The Masters Chair

SUGGESTED PARTICIPANTS

- All junior officers, Junior and Senior Deacons
 All officers and or members
 All officers, Junior and Senior Wardens
 All officers, Wardens and Worshipful Masters

The modular approach will provide training geared to the level of authority and responsibility of the various offices. It is our hope that the new modules will be approved and ready for the Officer Progression Committee to offer during the 2009 – 2010 Masonic year.

GRAND LODGE PUBLICATION SALES

During the 2008 – 2009 Masonic year, the Officer Progression TEAM has provided various publications from the Grand Lodge book store for sale at workshops and seminars. The total book sales are currently \$810.00.

The Grand Lodge Resource Committee teams are currently developing a display board to be used to promote our services and programmes at Grand Lodge.

LODGE RESOURCES BULLETIN

At meeting of the committee, it was proposed that an e-mail publication be styled the Lodge Resources Review which would provide the membership of the jurisdiction with a bi-monthly "news style" review of the TEAM initiatives, suggestions and feedback. It was felt by the committee that this review combine the Facilifax and Protocol and Etiquette Essentials as well as information from the Friend to Friend, Mentor and Officer Progression TEAMS. The rational was that a single publication would reach and be read more readily that separate publications from each of the TEAM leaders.

In addition, the combined committee newsletter would be reflective of a "Unity of Purpose" between the sub-committees and that the Lodge Resources Program Review would acted as a catalyst in delivering the messages of the "TEAMS" to the Masons in Ontario.

V.W. Bro. Iain Waites provided the committee with a mockup of the proposed newsletter the "Lodge Resources Review" which was renamed the Lodge Resources Program Review.

- A five page newsletter to cover all four subcommittees of the Lodge Resources Committee.
- The first page is for the chairman's message, scheduled presentations, etc.
- Each committee has one page in the newsletter but can borrow space from other subcommittees if mutually agreed on.

THE CORNERSTONE PROGRAM

In addition, the committee is pleased to announce that in meeting the objectives of "service to the membership of Grand Lodge," we have developed the Cornerstone Program which is a lodge driven initiative.

The concept of the cornerstone program is derived from that first stone set in the construction of a masonry foundation. It is important because all other stones will be set in reference to this stone, thus determining the position and strength of the entire edifice.

As the proper placement of the cornerstone ensures a solid foundation upon which to build any structure, so too does it teach our lodges the important lesson of having innovative and vibrant programs to ensure that our lodges are strong, *"until time shall be no more."*

Although good planning and strong management is a vitally important component to the overall success of your lodge, it must never be forgotten that in order to maintain the momentum in your lodge, the members must have a compelling idea of where the lodge needs to go, what type of members it will attract, what benefits it can provide, and how the organization needs to be perceived in the community if it is to thrive.

VALUE ADDED BENEFITS

When a lodge makes the decision to participate in this program, they acknowledge their desire to increase the value of the experience that they provide to their membership. Participation will bring many value added benefits such as:

- Increased lodge vitality
- Enhanced teamwork
- Increased sense of pride in the lodge
- Greater sense of accomplishment
- And, the use of the designation of "Cornerstone Lodge 2010 and/or subsequent years" on the Lodge Summons, Newsletter, Letterhead or other lodge material.

PROGRAM:

The Cornerstone Program *is not* a stand-alone initiative, but rather a program that should be used in conjunction with other Grand Lodge, Lodge Resources programs as each is designed to build upon one another to achieve the overall success and a sustainable future for the lodge.

The Grand Lodge through the Lodge Resources Committee administers the program. This program is not a one-time event. It is an award that is presented on a yearly basis and should a lodge choose to participate, a *"Letter of Intent"* must be submitted each and every year a lodge chooses to participate.

To qualify for the Cornerstone designation the individual lodge must fulfill one of two Mandatory requirements, complete five (5) of the major standards and six (6) of the basic standards. Lodges that meet the qualification requirements will be recognized at the Annual Grand Lodge Communication where the Worshipful Master and his lodge will be presented with this award.

To begin the process of qualification, the Worshipful Master of each lodge must appoint a Cornerstone Program Coordinator. This person will serve as the liaison between the lodge and the Grand Lodge, Lodge Resources Committee. This information must be communicated in writing by mailing the *Lodge Letter of Intent* to the Grand Lodge office by June 30th of each year.

The Cornerstone Program commences on July 1st of each year and is active for a period of 10 months, ending April 30th of the following year.

PROGRAM APPLICATION:

In order to be considered for the Cornerstone designation a lodge must submit the Program Application to the Grand Lodge, Lodge Resources Committee detailing their activities. *This application must be submitted no later than May 30th of each program year.*

To confirm the applications accuracy and completeness, it must be reviewed and signed by the Worshipful Master and the Lodge Secretary affixed. Documentation of the lodge's activities must be included in order to make the application complete.

This program has been referred to the Custodian of the Work, M.W. Bro. Donald Mumby for his review and once this process is complete we will submit it to the Management Committee for costing approval.

I am pleased to report that the TEAMS had a very productive and rewarding year as we traveled together throughout the jurisdiction promoting and presenting these vital lodge programs. Your Lodge Resources TEAM is blessed with a fine group of dedicated brethren at each TEAM level and I thank V.W. Bro. Bill Brimer, Officer Progression TEAM Leader, R.W. Bro. John Hay, TEAM Leader Friend to Friend and Mentor, V.W. Bro. Iain Wates,

TEAM Leader Brother to Brother and V.W. Bro. Gord Crutcher, TEAM Leader, Protocol and Etiquette, as well the brethren who form the backbone of these TEAMS and served unselfishly, donating their time and talents to the initiatives of TEAM Lodge Resources to the betterment of the lodges and districts of the jurisdiction.

In closing, I wish to express my appreciation to the Grand Secretary, M.W. Bro. Terry Shand and the staff at Grand Office for their unqualified support. I also extend to the District Deputies of the jurisdiction the gratitude of the committee for their co-operation in scheduling the Overview and Training Sessions, without your assistance we would not have had the Program exposure so necessary for their success. We also thank you, the members of this great Fraternity for the support and inspiration that you have provided to each of us as we endeavour to serve you in a manner that you so deserve.

It is imperative that the use of these Programme(s) be communicated at every level, and on every opportunity throughout the Lodges and Districts of the Grand Jurisdiction, now and in the future.

All of which is respectfully submitted on behalf of the committee.

REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the D.D.G.M. Orientation Committee 2008 – 2009.

During the year our committee conducted eight workshops across Ontario. This year we had one additional seminar in Hamilton for six districts that were unable to attend the Fall Meetings. Overall, there were 133 Masons aspiring to be D.D.G.M.s or District Secretaries. Also attending were 16 current D.D.G.M.s and 5 Members of the Board.

Early in the year, we replenished the stock of the brochure INFORMATION FOR PROSPECTIVE D.D.G.M.s. This new supply should last approximately 5 years. We also sold nearly \$1,000.00 worth of Grand Lodge books.

In April 2009, we again contacted the D.D.G.M. candidates inquiring if there were any aspects of the program that we could assist them with before they attend Grand Lodge in July. We are also sending them the PowerPoint Presentation electronically for their future perusal.

We have now confirmed the sites for D.D.G.M. orientation seminars in the 2009–2010 Masonic Year.

Our committee was quite fortunate. The R.W. Bro. Paul Johnson and I had access to laptops and projectors for PowerPoint presentations. This saved considerable time and effort in trying to co-ordinate the use of the Grand Lodge equipment.

R.W. Bro. Jack Nancekivell and V.W. Bro. Les Sulzer have reviewed the District Secretary's portion of the PowerPoint Program. We as a committee recommend possible changes that will streamline the entire presentation in the future. We averaged 4 committee members at every seminar. That is ideal for a proper presentation on behalf of our Grand Lodge.

RECOMMENDATIONS:

1. Continue with further communication between the aspirants and committee in March and April of the Masonic Year.
2. We want to improve the orientation by stressing that D.D.G.M.s put more emphasis on Grand Lodge Programs as part of their official visits, highlighting a couple of Grand Lodge programs at each of their visits
3. Continue to highlight the duties of District Secretary and relate how their assistance can relieve some stress often absorbed by the District Deputy Grand Master.

Overall our committee is quite pleased with the seminars and how the aspirants have responded to our efforts. I want to acknowledge our committee for their work and dedication.

Firstly, I would like to thank R.W. Bro. Dave Mahon for his efforts over the years. Dave left our committee in October 2008 to pursue other activities in the Masonic Family.

Finally, I want to thank our committee members: R.W. Bros. Paul Johnson, Tom Keith, Dave Snedden, Jack Nancekivell, Norm Allingham, V.W. Bros. Roy Pickard and Les Sulzer.

Their skills and sincere effort have been impressive and I know they have represented Grand Lodge in a very positive manner.

All of which is respectfully submitted.

JOHN C. GREEN, Chairman

REPORT OF THE COMMUNICATIONS COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Communications Committee, it is my pleasure to submit the following report. For efficiency and cost effectiveness we are increasingly forced to use the internet to make contact, keep contact and provide support for our Grand Lodge Programmes. Unfortunately, this method of communication can be quite impersonal as well as missing those who are not computer literate. How we balance this challenge with our mission to act as an effective communications source between Grand Lodge, districts, and lodges of our jurisdiction is the measure of our success.

Working with people remotely and primarily via the written word presents many challenges. But, while there is much on how to use online networking tools from a technology point-of-view, there is not an equal amount on using them from the human point of view. Some of our brethren instinctively work well with others online via the written word, or even live video or audio conferencing tools while some struggle with the technology and even with the whole concept of managing or, simply talking to others regularly online.

Grand Lodge does recognize the importance of all aspects of communications with the brethren.

The committee's assigned objectives were met with much enthusiasm by our committee members and our results are as follows:

- A. D.D.G.M. Trestle Boards for all districts were collected and distributed. District contact information was extracted and made available when requested.
- B. All email distribution lists were maintained so that itinerary updates for the Grand Master, special announcements from Grand Lodge Officers and committees as well as notices of other newsworthy events could be quickly sent out.
- C. The committee was a source for contact information for Grand Lodge Elected and Appointed Officers, their addresses, phone numbers, e-mail addresses and mailing labels.
- D. The required maintenance for the Grand Lodge web link of 'What's Happening' was kept up to date by our Webmaster. Most data is derived from the D.D.G.M. Trestle Boards, but special event announcements were also added as they relate to either a Grand Lodge or district event. The committee monitored the Guest Book on the Grand Lodge website and answered all membership queries.
- E. The committee was charged with the task of updating the Ontario Masonic Directory. The data was compiled and submitted for a printing quote which was submitted to the Management Committee for publishing approval. The proposal was returned to the committee with a request for further study to explore other cost efficient proposals for distribution and propose ways to maintain current directory data.
- F. The committee was directed to review all links to our Grand Lodge web page from district and lodge websites and check that they are being kept up to date. If updates had not been made, this was reported to the webmaster for follow up and possible deletion of the link.
- G. The committee administered the Awards Program for Lodge Summons, Lodge or District Newsletters and Websites. Again this year, an Award Winner was selected along with a Merit Winner from those submissions made by the D.D.G.M.s.

The winners for this year are as follows:

Category	Award Winner	Merit Winner
Lodge Summons	True Britons' Lodge No. 14 St. Lawrence District	Wellington Lodge No. 635 York District
Lodge or District Newsletter	Peterborough District Masonic Newsletter	St. Lawrence District Square & Compasses
Lodge or District Website	Toronto East District	Richardson Lodge No. 136 York District

Summary

This committee was only able to accomplish its objectives this year through the hard work of our members who all contributed. Our committee members are: R. W. Bros. R. Gibson, J. Kirk-White, B. Snider, and W. Bros. C. Deacon and T. Peddle.

The information your Communications Committee disseminates to all the brethren is for your reading, learning and contemplation as well as assisting you with your time management.

We shall continue to work hard at being sure everyone can see, hear or read our message.

All of which is respectfully submitted on behalf of the committee.

This Report was presented by M.W. Bro. R. E. Groshaw/Acting Chairman, seconded by the Deputy Grand Master, and received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Our Grand Lodge pays tribute in an endearing and enduring respect to a very select few who have and continue to exemplify outstanding qualities of citizenship, stewardship and fellowship.

Examination of the lodge petitions for this prestigious award show diversity of effort and talent on the part of each nominee. Despite never having benefited from officer progression in his lodge(s).

Eight nominees, who received independent approval of each member of the awards committee, have been awarded with the William Mercer Wilson medal by the advisory their

names are recorded in his address to Grand Lodge. We extend congratulation to each committee recipient.

Discussions are ongoing regarding a deadline each year for all nominations. Immediately thereafter, grading of each submission from most favourable to less favourable status could occur with the option of placing a limit upon the number of medals presented in any one year. Your committee would welcome your written comments regarding this matter.

The committee extends gratitude to the Grand Secretary and the Grand Lodge Office staff for their prompt, courteous and efficient services provided throughout the year.

Sincerely and fraternally,

M.W. Bro. William R. Pellow was appointed a member of the Awards Committee for a three year term.

REPORT OF THE GRAND HISTORIAN

This Report was presented by M.W. Bro. A. J. Petrisor, for R. W. Wallace McLeod, Grand Historian, and on motion of the Deputy Grand Master, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, it is appropriate that the Grand Historian should express his gratitude to the Grand Master, for honouring him with this title. According to the book of Constitution, one of the duties assigned to this office is to record matters that are connected with the history of Freemasonry in Ontario.

Several years ago (2004), I talked about two majestic old buildings on the campus of the University of Toronto, University College (erected in 1856 – 1859) and Victoria College (1891 – 1892). The architects were both Freemasons, who served as District Deputy Grand Masters of our Grand Lodge in the City of Toronto: Frederic William Cumberland (who lived 1820 – 1881) and William George Storm (1826 – 1892). It may seem a bit provocative to continue with this sort of topic, but my prejudice is partly due to the fact that I have had an office on the campus of the University of Toronto for forty-seven years. And, one important aspect of Masonic history that should always be considered is the number of significant people who have been members of the Craft.

So let us begin. In the south end of Toronto, at 790 Queen Street West (seven blocks west of Bathurst), stands the entrance to a large public site (now covering 37 acres), known as Trinity Bellwoods Park. On the outside of the impressive old stone gateway, there is a historic plaque that was put up by the Toronto Historical Board in 1988. It reads as follows:

“TRINITY COLLEGE

The University of Trinity College was located on this site 1852 – 1925, occupying a large Gothic-revival building designed by Kivas Tully with later additions by Frank Darling. Trinity was founded as an independent institution by Bishop John Strachan following secularization of the Provincially-endowed university, awarded a Royal Charter in 1852. Trinity offered instruction in Arts and Divinity, and, for varying periods, in Law and Medicine. It also granted degrees in Music, Pharmacy and Dentistry. In 1904, Trinity federated with the University of Toronto and in 1925 moved to a new but similar building on the Queens’s Park Campus. The old building was used by the Kiwanis Boys Club until

1956. When it was demolished, this gateway, put up in 1903, has been left standing in commemoration.”

The new Trinity College on the campus of the University of Toronto was built in 1923 – 1925 by the architects Frank Darling (1850 – 1923) and John A. Pearson (1867 – 1940). It is, according to Martin L. Friedland (the official historian of the University), a Gothic building that was “designed . . . to resemble the old college.” (The University of Toronto, page 278).

Kivas Tully, the architect of the original Trinity College, should be a well known name. A superb biography, written by R.W. Bro. C. E. B. LeGresley, appears in our official history, *Whence Come We?* Let me “borrow” a bit from it. (In the words of Wilson Mizner, “Copy from one, it’s plagiarism; copy from two, it’s research.”)

Kivas Tully was born in Queen’s County, Ireland, in 1820, the son of Commander John B. Tully of the Royal Navy. He came to Toronto in 1844, already a Mason, having been initiated, passed, and raised the previous year in Ancient Union Lodge No. 13, Limerick. On 9 July 1844, he affiliated with St Andrew’s, No. 1, Toronto.

He was qualified to practise as an architect and engineer, and as an architect he designed many buildings, some of which are still in use. Besides the old Trinity College, they included the first Customs House for Toronto, the first Bank of Montreal building at Front and Yonge, sections of Osgoode Hall, the St. Catharines Town Hall, and the Victoria Hall in Cobourg.

When he arrived in Canada as a Master Mason, he quickly recognized the stagnation of the Craft. He saw that the solution lay in independence. He was a man of action, and in 1847 he was a charter member and first Senior Warden of Ionic Lodge No 18, Toronto. He was installed as Worshipful Master on 27 December 1848. Strange to relate, he was already an officer of the Provincial Grand Lodge, for in 1846 he had been named Provincial Grand Superintendent of Works, an office he held for three years.

Kivas Tully did not restrict his activities to the English lodges. On 29 May 1850, he affiliated with King Solomon’s No. 222, of the Irish Constitution, Toronto. A scant two weeks later, on June 13, he was elected Master by unanimous ballot. Furthermore, on November 14, he was named Grand Senior Warden of the English P. G. L. Although Kivas Tully was now a power to reckon with, as an officer both of an Irish lodge and the P. G. L., he worked quietly for two years. At the communication of the P. G. L. on 29 October 1853, he gave notice that at the next meeting he would move that a petition be sent to England requesting authorization for an independent Grand Lodge of Masons in Canada West. He was advancing on more than one front, for less than two weeks later, in King Solomon’s Lodge, on 10 November 1853, he proposed a motion inviting delegates from all the Irish Lodges to a special convention at Hamilton on November 24. The avowed purpose was to consult on the means of attaining self-government.

A resolution was passed that the recommendation of the Convention, for the establishment of an independent Grand Lodge for Canada West, is the most advisable course that could be adopted, and that the duly qualified delegates be requested to attend the adjourned Convention to be held in London on Thursday, 4 May 1854, for the purpose of establishing the said Independent Grand Lodge.

At the meeting in May, 1854, a committee was struck to draft a Provisional Constitution for the new Grand Lodge. Kivas Tully was named to the committee, although he refrained from taking the position of chairman. By November 9, 1854, however, an obstacle had arisen to the quest for freedom. The Grand Lodge of Ireland had offered to form a P.G.L. with limited power. King Solomon’s Lodge directed Kivas Tully and George Allen to write to Dublin explaining why the offer was not acceptable and asking for greater authority.

Eventually, the Grand Lodge replied in the negative. When the answer arrived, King Solomon's Lodge instructed its delegates to the next meeting in Hamilton on 15 May 1855) to advocate united action with the English lodges of Canada West for the purpose of petitioning the Grand Lodges of England, Scotland, and Ireland for a separate Grand Lodge for the province. Again, Tully was one of the delegates. In short, his policy was unwavering, far-sighted, and eventually successful.

During these years of turmoil, new lodges continued to be formed. In 1854, R.W. Bro. Tully instituted Vaughan Lodge No. 236, I. C., Maple, and installed the first Master. On 28 December 1857, William Mercer Wilson consecrated Wilson Lodge No. 48, G.R.C., and installed Kivas Tully as its first Master.

He continued to be active in the new Grand Lodge. In 1857, he was elected District Deputy Grand Master of the Toronto District. He was named as the representative of the Grand Lodge of Ireland at the Grand Lodge of Canada in 1858. He never ran for the top office, but eventually (in 1897) Kivas Tully was given the rank of Past Grand Master (Honorary). He died 24 April 1905. I guess that's enough to say about the architect of the original Trinity College. Let us move on to the next site.

Another historical plaque was erected, this one by the Ontario Heritage Ministry of Culture and Recreation, at the corner of Bay and St. Joseph (one block north of Wellesley). This one reads as follows:

"ST. MICHAEL'S COLLEGE

In 1852, this college was established as a Roman Catholic boys' school in the palace of the Right Reverend Armand, Comte de Charbonnel, Bishop of Toronto, and a vigorous opponent of the public school system in Canada West. The minor seminar opened by Basilian priests that year was combined with the school in 1863, and in 1855 St. Michael's College was incorporated. A new collegiate structure and adjoining parish church, St. Basil's, were built here on Clover Hill. On September 15, 1856, classes commenced with the Reverend Jean Mathieu Soulerin, CSB, as superior. The college progressed gradually and in 1881 it affiliated with the University of Toronto. St. Michael's formally became an arts college within the University in 1910."

Martin Friedland (*The University of Toronto*, 39) tells us that the combined buildings, St. Basil's Church and St. Michael's College, are "the oldest surviving buildings in the University of Toronto."

The historical plaque neglects to mention the architect of the building, but from other sources we know that he was William Hay. This time let me "borrow" a bit from an article that appeared in *The Philaethes* magazine a few years ago.

William Hay, was born at Dikeside, Aberdeenshire, not too far from Peterhead (the eastern most town in Scotland), on 17 May 1818. He learned the trade of architect, and lived in St. John's, Newfoundland, from 1847 to 1850, as clerk of the works for the construction of the Anglican Cathedral of St. John the Baptist. After a brief return to Scotland, in 1853 he came back to the new world, eventually settling in Toronto. He soon became one of the leading architects there, and within the next decade designed many buildings, a few of which are still standing, though they have been extensively remodeled. He was the man who built the original parts of St. Basil's Church and St. Michael's College, on the campus of the University of Toronto (1856). He also designed the school addition to Holy Trinity Church (1858), closer to downtown Toronto, and the nearby Scadding House (about 1860). He was active outside of Toronto, and was responsible for St. George's Anglican Church in Newcastle, forty-five miles to the east of Toronto (1857), and St. Andrew's Presbyterian

Church in Guelph, about the same distance to the west (1857 – 1858). From 1858 to 1860 he served as a councillor of the Canadian Institute (now the Royal Canadian Institute), “the oldest scientific society in Canada.”

Hay was initiated in St. Andrew’s Lodge No. 1 on the Provincial Register, Toronto, on 9 May 1854, and soon affiliated with St John’s Lodge No. 55, which was instituted in 1856. Old records tell us that he participated in the Masonic cornerstone laying for Victoria Hall, in Cobourg, in 1856. He served as Grand Superintendent of Works for the Ancient Grand Lodge of Canada, one of the two independent bodies in Ontario, in 1857 – 1858. After the union of the two Grand Lodges, he was again Grand Superintendent of Works in 1861 – 1862. One authority says that he was “an ardent Freemason,” who was “associated with many Masonic organizations.” He left Toronto in 1862, to finally return to Scotland. His most significant commission there was the restoration of St. Giles’s Cathedral in Edinburgh (1872 – 1883). He died near Edinburgh on 30 May 1888.

So here we have two more old buildings (one now demolished) of the University of Toronto that were designed and built by notable architects who were active Freemasons.

Perhaps that is enough, or more than enough, to say for now about the great Masonic architects of the University.

All of which is respectfully and fraternally submitted.

To. The MWGM The Hon. Bro. Allan J. Petrisor, MW Past Grand Masters,
RW Deputy Grand Master, Grand Senior & Junior Wardens, Distinguished Grand East,
Grand Lodge Officers Past and present, And Members of the Grand Lodge A.F. and
A.M., of Canada in the Province of Ontario.

Fraternal Greetings,

Brethren, None of this would be possible without the blessings of the GAOTU, let us therefore give him all praise and thanks for his many blessings, Lord we thank you... May Peace, Harmony and Good Will prevail throughout this your 154th Annual Grand

Communication.

On behalf of The Most Worshipful Grand Master the Hon. Bro. Kenrick Roberts, of the Most Worshipful Prince Hall Grand Lodge, of the Province of Ontario and Jurisdiction. As R.W. Deputy Grand Master, it gives me great pleasure to bring you Fraternal Greetings. I am very honored, and privileged at being given this momentous opportunity, one that will establish a "Land Mark" between our two Great Organizations. That being the first time an elected officer of the MWPHGL of the Province of Ontario and Jurisdiction would be represented here at this your 154th Annual Grand Communication. This is indeed an historic occasion.

Yes, we do agree the steps to according full and final recognition between our two Grand Lodges were a long and arduous task. It is a testament to those Brethren who persevered when much of our efforts failed, and at times all else seemed to be in vain. We commenced with the efforts of our MWPGM the Hon. Bro. J. Dan Bancroft who initiated the idea, and got the program rolling, after some misgivings, along came MWPGM the Hon. Bro. O. Bruce Scott who continued the relentless pursuit and gained some needed headway during his term in Office.

From our Jurisdiction, the following MWPG Masters have all played an integral part, and have left their indelible mark on this historic moment that as come to bare fruit here today. MWPGM the Hon. Bro. Benjamin J. Layne, (the late: Hon. Bro. W. B. Burthwright), Hon. Bro. R. R. Brothers, Hon. Bro. C. H. Worrell, Hon. Bro. G.W.A. Wharton, Hon. Bro. Joseph A.G. Halstead who also moved the yard sticks, Hon. Bro. C. Barnes and Hon. Bro. James G. Jessop our immediate MW PGM.

All of these MWPG Masters, along with their appointed Grand Lodge Officers and other Lodge Members have worked tirelessly in concert with their counter parts from the MW Grand Lodge A.F. and A.M of Canada in the Province of Ontario to achieve their goal. History will prove the wisdom of those stalwarts, and we my Brethren shall be forever grateful, as we continue to work in the vineyards in Peace, Harmony and Good Will, in conjunction with one another, and with hopes of maintaining a perpetual endeavor for our youth in Free Masonry.

Conclusion:

Much more could be said, and will be said in the future. However, in conclusion I leave you with these few words from our founding father Prince Hall, words that he gave in a charge to some of his Brethren in 1797.

"Live and act as Masons, that you may die as Masons; let those despisers see, although many of us cannot read, yet by our searches and researchers into men and things, we have supplied that defect; and if they will let us call ourselves a Chartered Lodge of just and lawful Masons ; be always ready to give an answer to those that ask you a question; give the right hand of affection and fellowship to those it justly belongs; let their color and complexion be what it will, let their Nations be what it may. For they are your Brethren, and it is your indispensable duty so to do."

MWGM Hon. Bro. Allan Petrisor, Sir, once again many thanks to you, your Officers and Members; for your kind welcome and wonderful hospitality, and as I look forward to the reminder of the day's activities with great anticipation, I shall convey all of this to my MWGM the Hon. Bro. Kenrick Roberts and Members of our MWPHGL Free and Accepted

Masons of the Province of Ontario and Jurisdiction. Please be reminded that our 154th Annual Grand Communications is fast approaching. It will take place on August 7-8-9, at the Delta Meadowvale and Conference Centre, in Mississauga Ontario; hope to see you all there.

Cordially/Fraternally

Bro. Randolph N. Kelman
RW Deputy Grand Master.

Grand Secretary

**Greetings of Deputy Grand Master at Most Worshipful Prince Hall Grand Lodge
Free & Accepted Masons, Province of Ontario and Jurisdiction
August 2008**

M.W. Bro. James Jessop, Grand Master, Officers and Members of the Most Worshipful Prince Hall Grand Lodge, Free and Accepted Masons, Province of Ontario and Jurisdiction:

As Deputy Grand Master, it is my honour and privilege to bring you most sincere and warmest fraternal greetings and salutations from M.W. Bro. Allan J. Petrisor, Grand Master, and the Members of the Grand Lodge, Ancient, Free and Accepted Masons of Canada, in the Province of Ontario.

In the annals of Freemasonry in Ontario this occasion will mark an historic milestone in the history of our two Grand Lodges – the first time that our Grand East has been officially invited to be received by your Prince Hall Grand Lodge meeting in Annual Communication.

As Brothers we have always been equals in the Universal Brotherhood of Man. There is only one race, and that is the human race, and we are all 'sons of Adam.' We may now give thanks to the Great Architect for the divine plan that has brought us closer to the visionary ideal expressed in words attributed to your first Grand Master, Prince Hall: *"To see the day of Jubilee, when men would see men as Friends and treat them as Brothers."*

It has been said that Masons move slowly in order to ensure that all things are done decently and in order. The final step in according formal Recognition has been a long time coming. It was achieved through the vision, patient perseverance and skilful negotiations of many good men in both our Grand Lodges. Among these in our Grand Lodge, credit must be given to the late M.W. Bro. Norman E. Byrne, Grand Master 1991-1992, who initiated

informal talks; M.W. Bro. Donald H. Mumby, Grand Master 2003-2004, who at our Annual Communication in 2005, authorized '*full right of reciprocal visitation with Prince Hall Free and Accepted Masons*'; M.W. Bro. Gary L. Atkinson, Grand Master 2005-2006, who appointed an ad hoc committee to negotiate the constitutional terms under which Recognition could be accorded, and, above all, the members of that committee – R.W. Bro. George E. Hinds, PDDGM and Member of the Board of General Purposes and R.W. Bro. Errol A. Stewart together with M.W. Bro. Mumby. To these men, acting as the dictates of right reason prompted them, we must be forever grateful.

The amendment to the Constitution of our Grand Lodge was read and approved by the Board of General Purposes for presentation to Grand Lodge, where it was included as 'Regular' in the Report of the Committee on Constitution and Jurisprudence presented on Wednesday, 16 July 2008 and passed by unanimous vote of the delegates, on Thursday, 17 July 2008. When M.W. Bro. Petrisor announced the adoption of the Constitutional Amendment, he was accorded a spontaneous standing ovation and prolonged applause by all present.

This was accomplished because it was done for the right reason – because it was the right thing to do.

A milestone is a marker; it is not a stopping place. Two convoys of the great caravan of Freemasonry now move forward in parallel columns, united in a common cause, the great work of serving humanity, striving to make this world a better place, as the old hymn puts it: "You in your small corner and I in mine."

In conclusion, I quote the lines of John Greenleaf Whittier – may it be our Credo as men and as Masons.

O brother man, fold to thyself thy brother!
 Where pity dwells, the peace of God is there;
 To worship rightly is to love each other,
 Each smile a hymn, each kindly deed a prayer.
 Follow with reverent steps the great example
 Of Him whose holy work was doing good;
 So shall the wide earth seem our Father's temple,
 Each living life a psalm of gratitude.

John Greenleaf Whittier

So mote it be.

Constitution – Section 4 (b)

Any other provision of this code to the contrary notwithstanding, the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario recognizes the M.W. Prince Hall Grand Lodge F. and A.M., Province of Ontario (and Jurisdiction) and will consider recognizing more than one Grand Lodge in another jurisdiction if the mainstream Grand Lodge in that jurisdiction "chooses to waive its right to maintain exclusive jurisdiction and to permit concurrent jurisdiction."

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report of your Committee on Fraternal Correspondence. This forward introduces the 26 Reviews of the Proceedings of sister Grand Lodges received this past Masonic year. We are again indebted to R.W. Bro. Colin Heap for his dedicated and perceptive condensed outlines of the salient happenings contained in their annual submissions. It is noted that declining membership is a common concern mentioned most often, identifying on average losses of about 3%. The only jurisdiction in North America reporting increased members is the Grand Lodge of Newfoundland and Labrador. However, there are those who caution that numbers alone should not be the criteria and that quality of candidates should remain important. The Grand Lodge of Louisiana promotes selective solicitation to seek out outstanding men for membership.

The process used to select D.D.G.M.s has also been prominently mentioned, with many jurisdictions turning to open elections rather than rotational systems.

There is a re-emergence of Grand Lodges from former Communist Bloc countries, as well as Cuba. There is also the formation of many Irregular Grand Lodges reported from North America, England and the Philippines. There are also programs that raise funds and promote the Fraternity, such as auto licence plate issues and Child Identification Programs, like our Grand Lodge's MasoniChip undertaking. The Grand Master of the Grand Lodge of England, His Royal Highness, The Duke of Kent, stresses mentoring of new members as an important upgrade for their lodges. The Grand Lodge of Scotland point out their expansion internationally with new lodges in the Bahamas, Trinidad and Tobago where they are admitting members as young as 18.

Reviews generally all reflect the major social changes that they face and point out that success in adapting without compromising principals will determine the future of the Fraternity.

We recommend the perusal of the full reviews to all who wish a handy and easy update of the broad overview of Masonry from around the world, as well as, in our neighbouring jurisdictions, and to those who are providing Masonic information to their lodges.

Sincere appreciation is extended to the Deputy Grand Master for his inspiration and focus, with sincere thanks for the assistance of the Grand Secretary and his staff, particularly Rose Blandin for securing the Proceedings from Grand Lodges.

Respectfully and fraternally submitted.

JAMES D. KINGSTON, Chairman

ALBERTA

*103rd Annual Communication
Lethbridge, Alberta, June, 2008*

*127 Lodges**7,663 Membership*

The Grand Secretary was pleased to report that many lodges have accepted the new communication methods in a very positive manner. Those who have bought into the new system are now receiving Semi-Annual Returns and other Forms via e-mail and are returning them in the same style to Grand Lodge office, who will accept them as long as the Lodge Seal can be reproduced in computerized form. Further changes will be made over the next several years, whereby the cost of doing business can be reduced and the per capita fee will not rise too dramatically. This can only be achieved with the full support of all lodges. Grand Lodge has obtained an automated system for payment of all purchased items, which can be used by lodges to pay Semi-Annual Dues or any outstanding account, thus reducing the postal budget. The day is already foreseen when the Preliminary Report will be on the website for advanced viewing. Grand Lodge is financially sound. These steps, plus diligence and constant attention will keep it that way.

The Committee on Fraternal Relations recommended that the Grand Lodge Representative Program for the jurisdiction be discontinued due to the low number of Reports received (14) during 2007. This decision follows at least three years of consideration, during which 40 Representatives failed to submit a report, perhaps considering their appointments honorary rather than one with responsibility. Their appointments were forfeited under Grand Lodge Regulations. Those who are fulfilling their obligations will be allowed to continue, but when their position becomes vacant it will not be filled. Requests for recognition, however, will still be honored and handled by the Grand Secretary.

The Report on the Condition of Masonry stated that all D.D.G.M.s fulfilled their duties, submitting fair, balanced reports on all districts. Following the Grand Master's theme, Keep the Pace-or- Positive Action Creates Enthusiasm, they confirmed that many rural and urban lodges are prospering with proper Officer Progression and Planning. Some lodges continue with little more than a hope, but leadership, Past Masters and the odd candidate helped them through the year. Others draw strength from a strong attitude, good ritual, sound finance, social events, Mentor and Education Workshops and Open Houses to create public awareness. Younger members are the key to the future and we must maintain their interest as they assume leadership roles. We cannot make Freemasonry easier, just more fun. Success demands that we lead, follow, or get out of the way.

M.W. Bro. John D. Hart, Grand Master, addressing the brethren, called upon them to assume a stance of positive constructive action to solve the problems facing the Craft. "Let me convey a story," he began. "A man owned a house by a river. A spring flood brought water up to the porch. A canoeist came by offering a lift. The man replied, "My faith is in the Lord and he will save me." The waters rose to the first and second floors and the owner of a rowboat and powerboat made the same offer and received the same response. When the flood waters reached the roof line, a rescue helicopter flew by, but the man gave the same answer, "My faith is in the Lord and he will save me." The man drowned and when he appeared before the Lord he asked, "My faith was with you, why did you not save me?" The Lord said, "What do you want from me; I sent three boats and a helicopter." Are you that man? Are Masonic hearts dying and demitting while you wait for some miracle to save them because you have faith in what Freemasonry stands for? Can our lodges and membership be saved? Faith is not enough. You must do something! The Masonic order is a family. When a member becomes ill, you must do everything in your power to save them. Are you one of those who sit by the bedside of the patient, holds his hand, wondering why someone won't do something? Or are you willing to give the lodge artificial respiration until they can breathe on their own? Brethren, you can do this. Are you going to make an effort to save this

patient? What contribution can you make to your lodge? Let us set the standard that will raise our lodges above the mediocre to a new level of excitement and interest."

The report of the Deputy Grand Master, accumulated from his Official Visits within the Jurisdiction, identified several positive themes and a few areas of concern. The most positive is the move towards younger men joining the Fraternity. They are looking for grounding and stability. They also bring considerable challenges to the Lodges they are joining. They have thoroughly researched Masonry and have high expectations. They are well prepared and must be taken seriously. There is thirst for Masonic Education and Lodges are requesting assistance from Grand Lodge. We are answering this to a small degree with the Education Academy, an initiative of the Long Range Planning Committee designed to advance our understanding of the Craft. Well educated Masons will put the Fraternity in a better light and reinforce Masonry as a way of life. The overwhelming response to the elimination of 'One Day Classes' and the reiteration of Mentoring and Coaching indicates that our Craft is ready to return to the basics. The downside to this situation is the lack of skilled Mentors to meet the demands of the new members. This is a reflection of the lack of Masonic Education being presented in many Lodges. This situation is one that must be remedied. Greater value must be placed on the importance of taking time to develop our Officers. Past Masters should fill chairs on occasion to slow the progressive line down enough to allow our new members to be better prepared to take their places.

The District Deputy Grand Masters Committee expressed the idea that they should all have a better background in Lodge Operations, specifically the Secretary's and Treasurer's roles and the content and importance of Annual Reports. Each D.D.G.M. is now expected to provide Leader and Teamwork training to all lodges within his district. They also recommended developing a formal job description for the position of D.D.G.M., a document that has been needed for some time.

The Long Range Planning Committee Report highlighted the programs to be implemented to insure success in the short term and to build on those that have proven their value for the jurisdiction's future. The Commitment to Excellence Program has been available to lodges for several years and those who actively participate are doing well. The Ritual Committee acknowledged that the level of proficiency is less than adequate and the necessary steps have been taken to insure that it will be retained in the best possible form. A Master Lecturer Award was implemented this year to reward those who have mastered the Lectures. This program will be expanded to include the Master Ritualist, Master Builder and Master Architect Awards, recognizing accomplishments in presenting the remaining parts of the Ritual and to reward lodges and brethren for their efforts in the growth of Masonry in their lodge and community.

The Grand Orator, called upon by the Grand Master, began his Oration with a question. "Whither are we travelling?" "One commentator on Masonry recently said, "The problem with Freemasonry is that it does not practice Freemasonry anymore." "While this may be an exaggeration, it is true that we are too commonly failing to provide what was implicitly promised.

Freemasonry is nothing less than a life-long quest to find our true selves, our place in society and the natural world. All other activities, however noble, must be seen as an outgrowth of this core purpose and never allowed to supplant them. To a large extent we have lost the high regard with which society invested us over the last three centuries. But, our purpose is not outmoded. Masonry has not been tried and found wanting. It has been found difficult and not tried. Freemasonry does not appeal to all men. Not all men are prepared to appreciate its true beauty. Each man must find the profound truths in our Ritual

for himself through study and meditation. Many lodges follow these precepts. Others have lost sight of them. A nationwide organization, the Masonic Restoration Foundation is endeavoring to reverse this trend by the establishment of Traditional Observance Lodges. These Lodges use a Chamber of Reflection to prepare the Candidate for Initiation. Everything is done to make the ceremony as impressive and dignified as possible. Apprentices and Fellowcraft spend several months or more studying each Degree and must deliver a paper on it in open lodge before progressing. Education is vital. They strive for excellence in every area: Ritual, Elegance of Dress, Charitable Outreach, Exclusivity, Selectivity and Commitment. Are you being asked to convert your lodge overnight into a Traditional Observance Lodge? No. But their precepts provide meaningful shifts in expectation and in developing an approach to living Masonry on a deeper level, one that leads to the Wisdom of the East. Whatever details you find suitable for your lodge, urge their adoption. But whatever you do, prove that commentator wrong.

Do not let it be said that Arizona Masons do not practice Freemasonry anymore! Let me remind you of the words of a former Grand Master, delivered in 1964. "I shall propose no new bright ideas – not one. All I am going to advocate is that Freemasonry remains Freemasonry; and if we have strayed from the traditional path, we had better be moving back to the main line while there is yet time to restore the prestige and respect, the loyalty and devotion that once was ours."

M.W. Bro. Steven Godfrey, newly installed Grand Master, used his Acceptance Address to outline his theme and course of action for the forthcoming year. "I offer you the challenge to look beyond the trees. In all that you can do, in all that you research, find new knowledge, interesting topics that you 'didn't know you didn't know'. What you discover on your own is always more interesting than that which someone else discovers for you. It's like the difference between romantic love and an arranged marriage. Current research indicates that men seeking membership in our Fraternity were not as enamored with what they saw when they arrived. The reasons are:

1. Loss of Masonic identity.
2. Lack of energy and interest in Freemasonry.

I am convinced we can raise participation higher by implementing what I propose. Learn more about our Craft. Make this the year of commitment. Self discovery and change take time. The twenty four inch gauge reminds us of the efficient use of time. So there is none to waste. The bad news is 'time flies.' The good news is that you are the pilot. I ask that education be a priority of all lodges. I endorse the concept that education be put as an item close to the top of the agenda of a lodge meeting. I ask lodges that have not done so to review their by-laws with reference to the Order of Business, to permit a 7 to 12 minute presentation of Masonic Education at a time when the brethren are refreshed and ready to learn. Allow time for a follow-up discussion. A Socratic approach will, I assure you, spur more interesting meetings. I leave you with this thought from Winston Churchill, who said, "Those who try to build the present in the image of the past will miss out entirely on the challenges of the future." The challenge is now ours. The future and our destiny are in our hands. Look beyond the trees, brethren. Look beyond the trees."

The Grand Chaplain, in his Address, thanked the Grand Master for placing such a strong emphasis on education. It reflected his concern, based on observation, that the 'genuine tenets' in many cases are not been passed on and that they are, through ignorance or deeply ingrained bad habit, being diluted. He expressed his belief that this tendency can be amended, but that vigilance is essential. "We are," he concluded, "united under a Masonic

sign and a repetition of the word 'Fidelity,' to be faithful to our obligations as a brother, to our brethren in the lodge and to the Craft. We are doing a reasonable job, but we can do better. The Perfect Ashlar awaits."

The Grand Secretary reported that the free fall in membership appears to have bottomed out, as shown by information gathered from recent Annual Returns. The number of new Master Masons almost matched the number of deaths, leaving Demits and Suspensions as the challenge to be met. Again, on the brighter side, this tendency towards apparent growth seems to be the case internationally.

The Committee on Jurisprudence, recognizing the Masonic principle of service, recommended that a Resolution be brought forward to permit the wearing of Military Campaign Ribbons above the left breast pocket while attending lodge. However, a directive issued by the Governor General's Office stipulates that these awards, whether full medal, miniature ribbon, or bar, are not normally worn by people in civilian dress at all. As the Resolution was contrary to the Guide to the Wearing of Orders, Decorations and Medals issued by the Governor General's Office, the Resolution was withdrawn.

The Committee on Fraternal Relations announced that a group of Masons have put forward a claim to be the legitimate Masonic Grand Lodge of England. The basis of this claim arises from it being founded in 1725, when styled the Old Grand Lodge at York, and later, the Grand Lodge of All England at York. This Grand Lodge became dormant in 1740, revived in 1761 and dormant again in 1791. On December 23, 2005, an assembly of Masons met to 'reclaim English Freemasonry on behalf of its rightful custodians.' As the legitimacy of origin cannot be validated and the claim of exclusive territorial jurisdiction is unfounded, it does not meet the requirements for recognition.

ENGLAND

Freemasons' Hall, London, April and December, 2008

"In whose hands are the future of Masonry?" asked V.W. Bro. Jeffrey Gillyon, P.G.S., spokesman for the Grand Lodge Forum on Mentoring.

This group was formed at the request of the Grand Master, M.W. Bro. His Royal Highness the Duke of Kent, to identify and collate best practice from Mentoring Schemes from eight Provinces across the country, with a view to sharing the positive results with the entire jurisdiction. V.W. Bro. Gillyon presented the findings of the committee. "This mentoring scheme is all part of our vision for recruitment and retention. Imagine your lodge with a waiting list of quality candidates, who, when initiated, are fully supported throughout their Masonic journey, each of them having an understanding of what it means to be a Freemason in the modern world.

Imagine if the candidate was formally introduced to his mentor immediately following the charge after initiation. He would explain the symbols and teachings set out in the recent ceremony and assist him in making a daily advancement in Masonic knowledge.

For this to happen, there is an urgent need to take mentoring to levels not previously envisaged. We are often not very good at either retaining, or getting the best out of our members. Commerce and Industry have long realized the benefits derived from a sound Mentoring system and we need to adapt to the rapidly changing environment in which we find ourselves. If we don't, we will suffer the consequences. Mentoring is not just an educational process. It is about the pastoral care of our members, involving them in the activities of the Lodge and developing in them, a lifelong interest in Masonry. But the crucial and sometimes hardest part is the choice of the mentor himself, because he will be the interface between the Craft and the candidate. His attitude will possibly mould that candidate for the rest of his Masonic career. Ideally, he will be of a similar generation as his charge. He will introduce the candidate to his circle of friends and they will want to meet socially outside the lodge. But the problem arises that the mentor may not be a very

experienced Mason himself.

We address this problem by providing layers of support. In the first layer, he is looked after by his Masonic friend. In the second layer, the mentor is supported by the lodge mentor. He is the linchpin of the scheme, an advisor, and should not be a mentor himself. He in turn is supported by his Province which is able to provide tailored source material such as booklets and workshops for all degrees. The Province in turn will be supported by Grand Lodge, which will be a conduit for the collection and exchange of good practice between the Provinces and will arrange training seminars for Provincial Mentors on an inter-Province basis. So you see that the whole scheme is supported by layers of support at every level. It should cover all aspects of a Mason's career and any position which he may occupy. This philosophy should run through the whole Craft like "Blackpool" through a stick of rock. All the work of a mentor can be undone in an instant by a single thoughtless remark. Nothing puts a candidate off more than a holier-than-thou approach from brethren who should know better. Arrogance has no place in an organization which teaches brotherly love as its Grand Principle. A candidate should be encouraged to ask questions and if we do not know the answers, we should point him in the right direction to find out. This is the pastoral element of the program I referred to earlier. The program also includes guidelines which the lodge may wish to use in the candidate selection process. I ask the question, "When was the last time you rejected a candidate?" We would do well to remember that one year ago our Pro Grand Master reminded us that sometimes our best intentions to find candidates are overridden by the need to produce ceremonies at all costs. We should be renewing our efforts to find men of quality to join us.

There is an oft quoted business saying, "What gets measured gets done," and we have applied this principle by introducing the concept of monitoring and evaluation to Mentoring. We can identify those lodges that are retaining their members and those that are not. We can look at either a comparative loss of total members or narrow it down to just losses amongst newer Masons, or any other category, such as Past Masters. Provinces and lodges achieving good results can act to share their best practice with others.

Once again I ask the question, "In whose hands is the future of Masonry?" Most of us would reply, "The answer to that is easy – if for no other reason than the passage of time, it must be in the hands of the younger brethren."

But, brethren, in whose hands are they? Who is shaping those who will shape the future of Freemasonry? I would suggest that by supporting the changes necessary to implement a structured mentor policy, you will be taking the future into your hands and who knows, perhaps even the future of Freemasonry itself."

The Committee on Membership and Masonic Renewal reported an increase in the number of degrees conferred in the past year. "This is the second year a significant increase has been recorded and it is, we hope, the beginning of a trend. However, membership must continue to be one of our top concerns. If your lodge has not already established a membership committee, do it now. Renew your efforts to attract good men to the Fraternity. Proven techniques and tools are available to assist you in this quest."

The value of Masonic Education as a factor in membership retention was highlighted by the Masonic Education Committee. Previous attempts to promote education as part of the Leadership Course leading to the Master's Chair have proven to be an uphill battle. The committee considered whether a new approach would yield better results, as outlined in their Plan B.

"Masonry today, perhaps more so than ever, needs good solid, dedicated and inspired

leaders who will help bring the Craft out of its present decline and onto a path that will enable its principles and teachings to be accepted and promoted within our membership and in the world. We cannot expect Masonry to continue to be of value in our lives unless we put more into our lodges than we have in the past. We look with regret at not being as significant in today's world as in yesterdays. If we are to reach a higher plateau, then we need to re-examine our approach. Enthusiasm must be apparent! We must develop way of turning Masonic knowledge into formats that are of enough interest to be used. Lack of membership may not be the problem, but lack of interest. We have a wealth of material stored in our lodges, libraries and museums. How do we best present it? How do we stir interest? This is the challenge. Our history is not so much a rule book of what must be done. It is a guide book as to what can be done.

Prime Minister Disraeli once said, "Upon the education of the people of this country the fate of this country depends. "Is this not also true of us?"

M.W. Bro. Michael A. Sutton, Grand Master, recommended that the Grand Lodge adopt a three year pilot program beginning in 2008 to permit 'One Day Classes,' adding the following comments and reservations. "Let me state here and now that nothing else will be as good as the 'one-on-one' he receives by proceeding through each degree and learning the proficiency after each one, before proceeding to the next. But, as I stated before, things change and so must we. I also need to state that it is my belief that this proposal for 'One Day Classes' will not be the panacea to membership some think it is. My experience tells me it is not as important how you get members into this organization as what you do (or don't do) afterward. Why do we lose so many candidates before they become Master Masons? Why? We should be striving for quality in our candidates, not quantity. These classes should not be approved when the goal is quantity. It should only be used to allow those restricted by time and circumstances an alternate way of gaining access to our hallowed halls. If approved, I suggest the first step would be to contact those who have already been initiated, but have been dropped for failure to advance and afford them the ability to complete their degrees. The highest level of quality instruction and proficiency should be provided. Several sister jurisdictions have allowed this practice for years and we can glean the best way of implementing it from their kind offices. This is not only a suggestion we keep up with the Joneses but a matter of trying to guide change for the best benefit of our jurisdiction. Change will come no matter what we do here today. We can stand still and let it roll over us or we can guide it to our advantage. The choice is yours.

I am encouraged by the number of new Masons we are seeing coming into the Craft. I am encouraged that many lodges have met our challenges with positive action, realistic goals, good finances and strong support from their brethren. Other lodges struggle. Grand Lodge will assist those who request it, but the solution must come from within the lodge. Unless they become active in their communities, have pride in their buildings or in themselves, nothing others can do will sustain them for long.

However, in the end, I am still of a positive mind that we will forge ahead in these next years. I ask you not to think of what you may receive in the short term, but what you can do for those future Masons, Concordant and Appendant Bodies and youth organizations who will be guiding our lodges after we have gone. We are receiving men who are intelligent, enthusiastic and yes, even young. They will cause us to look back at ourselves and ask, "Why didn't we think of that?"

M.W. Bro. Dennis M. Zahrt, Grand Master, reflected upon the achievements of his year in Office. "The emphasis this past year has been on the Renewal of Lodges by, "Getting

Hooked on Iowa Masonry.” I reminded everyone that Masonry is not only work, but it should also be fun. Enthusiasm is contagious. It rubs off on those around you. The specific action related to Lodge Renewal was the creation of a Lodge Renewal Fund which will ultimately be used to provide low interest loans to qualifying lodges needing financial assistance, to place them on a stable and manageable foundation. The Fund was seeded by donations to the Grand Master’s Return Address Label Program. The overall result of these efforts and the initiatives of recent leaders are obvious. A larger number of new Masons have been created in Iowa during the past year than in any year in recent history. Have we turned the corner? I don’t know, but we are gaining on it. We are no longer running scared.”

The Grand Secretary, William R. Crawford, presented an overview of Masonry in Iowa. “Charles Dickens, in his classic, “A Tale of Two Cities,” began the story with the following line, “It was the best of times and it was the worst of times.” Such a line regularly applies throughout history. It is also a description of Iowa Masonry today. One hundred and twenty two lodges have had a net increase in membership. We have more healthy and vibrant lodges today than we have had for many years. In lodge after lodge we have seen brethren step forward and provide leadership. Many lodges, long dormant, are now active and making a difference in their members’ lives and in their communities. Co-operation within the Masonic Family is now becoming the norm. There are many fine examples of Iowa Masons making it “the best of times.”

Unfortunately, for some it is “the worst of times.” They are questioning their future and face substantial losses of members due to non payment of dues. Demits and suspensions virtually match the losses to death and contribute to the average decline, which has remained at approximately 3½% during the last three years. I encourage each one of us, as leaders in Masonry, to help a neighbouring lodge and assist in minimizing these losses. Iowa Masonry is on the move. The public interest is greater than it has been for many years. Public awareness is essential to our resurgence. A marked effort has been made in this area through the advances in technology, websites, newsletters and voluntary community service. These are the challenges that face us; attracting new members, having adequate finances and planning the transition of leadership to the younger Mason. This ongoing effort requires leadership and the older brethren MUST take a big part. Who will step forward? The future is bright. We must remember that success comes from hard work, planning and the ability and willingness to work together. We are “Hooked on Iowa Masonry.” Now let us hook others.”

IRELAND

Annual Report

Dublin, Ireland, December, 2007

M.W. Bro. George Dunlop, Grand Master, commenting on the conditions and challenges Confronting the Grand Lodge of Ireland, began, “Craft Masonry is the bedrock of Freemasonry and its tenets and principles are sound. When practiced honestly and with commitment instills in us a sense of prestige and sets us apart as men of honour and integrity, an apparent anathema in modern times. Changing society’s perception of our Order will always be difficult as the tide of public opinion will constantly ebb and flow and our closed-minded protractors will forever prevail. No sole generation of our members will solve this problem for all time, yet we all have the singular responsibility to exhibit high moral standards in the public place and an obligation to safeguard our standards ensuring that the quality of our membership remains of the highest order. My Grand Lodge Officers and I will to continue promote our order in the public place to achieve a more balanced view within the media.”

It is unacceptable that we suffer not only from the enemy without, but also from the enemy within, which would not exist if every Freemason remained true to his obligations.

We have all voluntarily agreed under oath to obey these laws and in the event of any violation, promised to accept the punishment decreed by Grand Lodge. The incidence of violation must surely relate to the quality of membership.

On that subject, it is alarming that in North America, practices on the part of a large number of Grand Lodges had to be met with stern and resolute action to prevent catastrophe. I am, of course, referring to the conferring of the three degrees in large theatres to multiple candidates. Fortunately, there were those with the moral fiber to react before irremediable damage was done.

In November, an important meeting was held in London, attended by at least 40 Grand Masters. The purpose of the meeting was to raise issues relative to the practices of Grand Lodges within the European Block, many of whom are in favor of forming a Grand Lodge of Europe. The Home Constitutions would be opposed to these moves. In spite of these challenges, in all my visits I was greatly encouraged by our members' attachment to the Order and the wonderful spirit in which it was framed."

The Grand Master also alluded to the problem of declining membership, especially in the Belfast Metropolitan area and announced his intention to form a sub-committee to specifically address this and to develop meaningful strategies for future growth and consolidation.

M. W. Bro. Dunlop announced the appointments of two chairmen, one each for Northern and Southern Ireland, to co-ordinate the Grand Master's Festival of Charity Events, with the focus on children. The beneficiaries are to be the Samaritans, an all-Ireland organization, which assists those experiencing distress and despair; the Northern Ireland Children's Hospice and The Laura Lynn Children's Hospice in the South.

The Board of General Purposes read a letter from the Grand Lodge of Cuba, who submitted the name of a brother to act as our Grand Representative there. Recommended to Grand Lodge and confirmed.

The Grand Master and the Grand Secretary attended the Grand Lodge of Spain, which was celebrating 25 years since its reconstitution following the demise General Franco's Government.

The Fraternal Relations Committee has withdrawn recognition from the Grand Lodge of Greece as well as the Grand Orient of Italy. Brethren were advised not to attempt to make contact with these Bodies or their subordinate lodges.

The past year has seen many changes and even more challenges for Irish Freemasonry in South Africa and Zimbabwe. In South Africa's Northern Province, the most pressing relate to membership and administration due to the extreme issues of crime in general, robberies, murder, hi-jacking, assaults and travel risks. The reluctance to travel, or concerns for family at home have had a major effect on lodge attendance. This serious situation affects not only Freemasonry, but many other organizations and societies. In Zimbabwe, the membership losses due to a rush of emigration have caused our Grand Lodge to place all but two of our lodges in recess. The affiliation to these lodges from those placed in recess ensures that we now have two strong lodges running in Zimbabwe. We are confident, that in time, there will be changes here that will encourage the younger generation to return to this country and in time give us a new pool of potential candidates.

KENTUCKY

208th Annual Communication

Louisville, Kentucky, October, 2007

415 Lodges

48, 955 Membership

The Grand Secretary offered an overview of the information contained in the Account of the Statistics of Lodges, which did not differ substantially from what has been seen in the past few years. Numbers continue to decline, although at a lower rate than previously.

Approximately 2,300 Initiations, Admissions and Reinstatements were offset by 1,990 Demits and Suspensions. A couple of encouraging signs were the increase in the number of Initiations and a decline in the number of lodges reporting no applications. A comparison to previous years indicated that things are fairly constant, that is, not much change. The most disturbing element is the number of Entered Apprentices and Fellowcraft Masons, who do not, for whatever reason, complete their Masonic Journey. The Grand Secretary expressed his conviction that if this reason can be determined, it would be a good starting point in revitalizing the Fraternity. Other than what initially attracted each of us to the Craft, the first impression of Freemasonry on the candidate, is the conferral of the First Degree. If he is not impressed, there is a good chance he may not continue. This factor could also contribute to the reason a number of lodges have not received a Petition for Membership for a number of years; they do not have an Entered Apprentice or Fellowcraft to act as a salesman on their behalf.

The Committee on Masonic Education encouraged all lodges to take advantage of the resources on hand at the Grand Lodge. Ten Masonic Leadership Education Conferences were held during this Masonic year to promote and persuade each lodge to take seriously the teaching of the Kentucky Ritual and the Proficiencies. The Official Ritual, drawn from many historical sources, was corrected and re-issued in 2003 and is the old work of the State's Masonic forefathers. Committee members travelled across the Commonwealth to assist lodges, provide programs and lectures for fellow brethren.

The centerpiece of the Grand Lodge Charities and a source of great pride, are the Masonic Homes of Kentucky; institutes which help elders, couples and widows in assisted care environments. The facilities offers compassionate care services to seniors who may have no connection to the Craft whatsoever, and provide the only exposure to Freemasonry they will ever have. The Homes have borne the Masonic name for 140 years and create a positive connection to Masonry in the minds of the public. Kentucky Masons contributed more than \$286,000 to these and other projects through their Grand Lodge Assessments. A \$1,000,000 grant will be used to finance a pediatric medical day care centre in Louisville and it is intended to add a Masonic Lodge and new offices for the Grand Lodge of Kentucky on the same premises. Additional Grand Lodge projects include Habitat for Humanity, Scholarships and fund raising for emergency aid situations.

M.W. Bro. F. Keith Dreier, newly Installed Grand Master, declared his theme for the forthcoming year, "As from the Craft we came, so to it we must all return." I am committed to help lodges to return to the work at hand, to revive the style of Ritual for which Kentucky has always been noted. This is the bond which holds us together. It has fallen by the wayside. We must place it above ourselves and put forth the effort to return it to the great work that once was Kentucky Freemasonry. Let us dedicate ourselves to this challenge."

In his opening remarks, Clayton J. Bourne III, Grand Master, summarized the progress attained by the Grand Lodge of Louisiana in the previous year." We have presented an aggressive program that encourages our brethren to promote the timeless discipline of our Fraternity; that we are not defined by our beliefs, but rather what we do with our lives. We have encouraged each lodge to develop a purpose, a spiritual commitment to the betterment of mankind, to become good Masons and responsible citizens. We began the year with a bold 4 point program and have been successful in all areas. We installed the new 'Sentinel' computer program to expand our capability to make Grand Lodge and its records more accurate and accessible to all our brethren. The sale of the campus of our Masonic Home

initiated the construction of the new Grand Lodge Hall on adjoining property, with the cornerstone dedication set for the end of the first quarter of 2007. No one program has brought more attention from within and without the State than the Affinity Lodge Concept; a lodge that dedicates itself to a defined purpose. We will Charter three of them this year; the Lodge of the Nine Muses, dedicated to the re-establishment of the traditional European format, including the Table Lodge celebration within a disciplined academic atmosphere; Delta Relief Lodge, devoted to ritualistic excellence for funeral services, and Pelican Lodge, pledged to the study and re-enactment of the battles of the Civil War. The jewel of our Masonic Charities is the Dyslexia Program, administered through the Masonic Learning Center of Louisiana. Thirty three Clinics are operating, with 40 to be operational before year's end. It is an inspiring accomplishment, supported by funds raised at lodge level. The 'Two Cents a Day' program, initiated many years ago, continues to generate income designed to alleviate the financial pressures of running our Grand Lodge. We have amended our Digest of Edicts to permit 'Selective Solicitation,' which allows a lodge to actively seek out outstanding men and bring their names before the lodge for preliminary consideration and if acceptable, a neutrally worded contact is made, inviting these men to attend a social function, preferable with their families, wherein the objectives of the Fraternity are explained. They are then advised that as they have demonstrated the necessary characteristics, the lodge has considered them for membership. Change is a universal law of mortality and the theme of every page of history. We cannot rest on our laurels and wait for candidates to come to us. Freemasonry is not recognized as it was several decades ago. Studies show that 85% of the population has no idea we exist, much less what we stand for. How can we expect to attract applicants when we are an unknown commodity? Masonic Education has received particular attention. Our history in Louisiana is rich, dynamic and embraces a unique quality unlike any other jurisdiction, developed through the York Rite and the English Tradition and the Scottish Rite, advanced through the French Tradition. Scottish Rite Ritual was formerly limited to the 10 Lodges in the 16th District. In the interest of maintaining our heritage and to honor our early history, we have approved a Resolution to allow one lodge in each of the remaining 18 Districts to practice and preserve the Scottish Ritual.

Grand Master Elect, M.W. Bro. S. Bruce Easterly, pledged to maintain continuity and support the agenda of his predecessor. "We must re-establish Freemasonry and Masons to the status we once enjoyed and set standards so identifiable with our Fraternity that the general population will recognize us as leaders, thus creating that system which traditionally, has been our best recruiting tool. We must rejuvenate and enforce the idea that to join our Fraternity singles you out as a special person, a credit to society and a better man."

"The only reason for the existence of any Grand Lodge Committee is to help the Craft become successful," said M.W. Bro. Gerald S. Leighton, Grand Master, responding to the concerns raised in the Annual Reports of District Deputy Grand Masters. "I share your hopes and frustrations. Your comments addressing the effectiveness of Schools of Instruction and the need to preserve and nurture our Ritual are of great concern to all of us. Have heart, however, as the same comments have been appearing in reports for decades. Let me assure you that our efforts and those of the Grand Lecturing Staff have not been in vain. To the District Educational Representatives: I say that your position is vital, keeping the brethren informed and providing the opportunity to learn more about our membership. The symbol on your Apron is the Lamp of Knowledge. Keeping it aflame is your challenge. I believe that not giving new brethren further light in Masonry and making them aware that they are part

of something important may well contribute to one of the primary problems facing our organization.

Suspension for Non Payment of Dues, although there is a downward trend in this area, it is not significant enough to say that we are making great progress. For years we have suspended the same number for NPD as we have raised to the sublime degree of a Master Mason. We have been diligent in trying to understand the reasons for these suspensions and addressing them with support in Lodge Officer Training, a focus on Masonic Education, management skills, and by venturing into the new area of understanding how men of different generations interact with each other. Our Renewal and Revitalization Committee continually reaches out to lodges that request assistance and provides a plan of action. Through your guidance as a Grand Lodge, I have also been able to continue the normalization of relations with the Prince Hall Grand Lodges. This effort is ongoing and we can cite a number of accomplishments. The question of legitimacy was resolved a long time ago and with it came a better understanding of territorial exclusivity. Last year, this Grand Lodge officially received M.W. Bro. Leslie A. Lewis, Grand Master of the Prince Hall Grand Lodge of Massachusetts. This could not have been possible in my grandfather's or father's day. I firmly believe that the next generation of Masons will look back on these events and say, "Isn't that the way it's supposed to be?" We will be able to look them in the eye and say, "That's exactly the way it's supposed to be!"

These and other issues are the pragmatics of stewardship that this position demands. But we are more than that. Masonry is about the human journey in search of significance and usefulness. Its modes are both ancient and as new as tomorrow. We are neither benevolent by purpose nor important by virtue of the size of our membership. We are privileged members in an important endeavor."

M.W. Bro. Raymond G. Christensen, Grand Master, began his Report with the remark, "The success or failure of our Fraternity rests firmly on the actions of each member. The strength of Minnesota Masonry is about and dependent upon the foundation you, the Master Mason, provides. So ask yourself, "How did I do this year?" I think you did very well. Raisings are on the rise, lodge activities are on the increase and inter-lodge assistance is common. The Masters and Wardens are working to provide governance for their lodges. Degree work, Ritual and performance are improving, assisted by attendance at Schools of Instruction. Our Lodge Recognition Program challenges each lodge to improve in the following areas: Masonic education, mentoring, membership, charity and community involvement. There are four levels to be attained: Lodge in good standing, Bronze, Silver and Gold. Each lodge must try to complete at least one level per year and is suitably rewarded and recognized. This fosters self evaluation and consequently, striving for improvement. Mentoring has always been present and is receiving new and constructive energy. Membership is being recognized for its importance in the future of the Craft. Leadership is being emphasized and taught and positive attitudes are present and infectious to other Masons. Our Masonic Charities have become a major force in philanthropy in Minnesota, providing more than \$5.6 million dollars of assistance to Masonic Homes, medical facilities, grants and scholarships. There is a renewed enthusiasm in our Youth Groups, particularly DeMolay, which has achieved positive growth. These young men come from a variety of social and economic backgrounds, representing our society as a whole. Some are faced with many challenges in their daily lives and it is anticipated that through DeMolay they will find a safe, wholesome environment to find personal growth and development. This also helps satisfy one of our strategic goals for the long term progress and growth of our Order, membership."

Decline in membership is the issue that continues to plague the Grand Lodge of Minnesota. The Grand Secretary's Return reported a net loss of 517 Masons for the current year, a decline of 3.08%. The decrease in income forces Grand Lodge to seriously review expenses and programs. The Membership Committee worked hard on this issue, difficult at best to get a handle on and searched for new ideas and outlooks. Common elements were found in lodges successful in attracting new members. They were more engaged in the communities they served – hosted a number of social events like table lodges and dinners – had programs to interest and involve new and young members – devoted more time at their meetings to fellowship and Masonic education and less to business matters like paying the heating bill. The KidsID Program has been a great success and has created such a positive impression of the Craft in the public mind that it alone is responsible for over 100 applications to join the Fraternity. Be vital in the lodge, the community and society at large and the Fraternity will become a place that good men will want to join.

The Deputy Grand Master, Thomas C. Jackson, commenting on the progress and direction of Grand Lodge, said, "Our commitment for many years has been to improve our governance and leadership structure so as to better meet the needs of our brethren. These are challenging times, but they are good times, as shown by a renewed interest in the popular culture for the lessons we teach. Rebuilding and growth do not happen all at once, statewide, but comes in pockets of activity and strength. The turnaround is here, although we will still see a numerical drop. Like the sprig of acacia, the roots of our Fraternity are deep and can flourish in the oddest places following a long drought."

NATIONAL GRAND LODGE OF GREECE OF A.F. & A.M.

Masonic Year Book, Athens, Greece, 2008

57 Lodges

8,000 (Approx.) Membership

Reflecting on the activities of the past Masonic year, M.W. Bro. Dimitrios A. Kontesis noted that the Independence and Sovereignty of each Regular Grand Lodge is the proper base from which to promote the Craft in the 21st Century. The National Grand Lodge, since its foundation, has adopted the following principles:

- (a) The Ancient Charges and Landmarks of the Order
- (b) The Aims and Relationships of the Craft as approved in 1938 by the Home Lodges of England, Scotland and Ireland.
- (c) The Basic Principles of Grand Lodge Recognition.

"The minimum basis on which to accept a Regular Mason, a member of a Regular Grand Lodge, is the adoption of these Principles. I extend a fraternal hand to every Regular Brother and declare that in the future we will follow in the path that our ancestors engraved. The tradition of Brotherhood all over the world is the unique responsibility of every one of us to keep and to pass along to the forthcoming brethren, as we have done through all the past centuries."

This statement was in response to a meeting of the Grand Masters of the Regular Grand Lodges of Europe, hosted in London by the Marquess of Northampton, United Grand Lodge of England, who stated that Regularity should be the only means of communication of the Grand Lodges of Europe. Greece contributed to this meeting by presenting a Memorandum whereby it firmly positioned itself to the 1938 thesis, focusing on two major problems, the decrease of membership worldwide and the proliferation of irregular Masonic bodies claiming validity.

The National Grand Lodge of Greece has a membership in excess of 8,000, which is increasing and exceeds the normal attrition rate, sufficiently covering the entire country. Its philanthropic achievements are impressive: relief to flood and earthquake victims, re-equipping hospitals and the struggle against illiteracy by establishing schools for working

youth. Scholarships are regularly awarded to students of International Law. A vehicle was donated to the Cyprus Cancer Institute and a large number of brethren are on the list of voluntary donors of human organs. The Grand Lodge experienced fantastic growth during the 1980's. The majority of lodges instituted date from 1986 onwards. They cater to foreign residents and visitors, having German, Italian and English speaking lodges, the latest being Rudyard Kipling No. 85 in Corfu, established in 2008. The oldest is Phoenix of Corfu, continuously working since 1818 and the repository of Masonic documents and artifacts dating back 200 years. The development of Masonry in Greece is closely aligned with the country's national history. The Craft has always been in the forefront of any struggle against oppression, invasion and war, and suffered accordingly. A particular bond was established with the United States following World War II, when during the period of reconstruction, the Masonic Hall in Athens, severely and deliberately damaged by the Nazis, was rebuilt through the efforts of the U.S. Consul in Athens and President Harry Truman, who sent a delegation to assess the damage and then invited financial assistance to restore the building to its former splendor. It is through these accomplishments and sacrifices that Greek Masonry has met the test of greatness and made its mark in the world Craft.

"In my travels throughout the jurisdiction, I have found an increasing interest in Masonry," said M.W. Bro. Stanley E. Williams, Grand Master. "The membership, by all indications, seems to be holding its own, a lower than average decline of close to 2%. Many lodges report Petitions coming in and Degree work being performed with great enthusiasm. Hopefully, this denotes a trend for future growth. Never compromise. Keep our standard high and we will prosper. Never recommend a man for membership unless you know them and would be proud to be seen with him under any circumstances.

The Masonic Scholarship Assistance Program is in its seventh year, targeting students planning a post high school education. In co-operation with the Knights Templar Foundation of Nevada, \$12,000 has been made available for scholarships. Whereas Masons are dedicated in their support of and furtherance of public schools, I proclaim Public School Observance Week, to be observed at some period between April and June 2007. Each lodge, or several lodges, should join together in a public demonstration of our Masonic Fraternity's championing of our educational system. Feedback from scholarship recipients has ascertained that our second objective, positive public awareness of Masons, has been achieved.

The Northern Nevada Child I.D. Program started in 2001, provided service to over 2,200 children this year, bringing our total to over 19,000. This has been a great way of telling the community who we are. As people get to know us, they keep inviting us back to assist more children. This success has encouraged one County Sheriff to obtain a grant for a new state of the art system at a cost of \$15,000, which will be made available to Masons as well as his own Department."

The Education Committee undertook the task of putting together a format for an Education and Leadership Seminar. The theme was 'The Masonic Toolbox – How to Use It.' The format encourages the use of the Manual of Lodge Operations, to be studied by the new Mason to help him acquire a basic understanding of Lodge Operations and the roles of the Officers and the Nevada Masonic Code, essential for those who wish to advance through the chairs. The Silver State Award for Excellence is given to those lodges that achieve a balanced program of activities that promote pride in the Craft and member satisfaction. Five Schools of Instruction were held statewide, generating positive feedback.

The Grand Orator presented a paper on changing demographics and its effect on membership, which has seen an average decline of 3 to 5% in the last few years. This has caused some to predict Freemasonry's eventual demise, ceasing to be the dynamic social force of its historical background. Despite the predictions of statisticians, people still belong to clubs, political parties and Lodges. There are two defined targets for membership. Young men just out of their association with DeMolay and the 40-45 year age group. The first is already familiar with Masonic values and the aims of the Fraternity. The second group is well established, secure professionally and in a life routine with available time. An innovative corps of officers would examine the age distribution in their lodge and develop an action plan for the targeted population to ensure the viability of their group in the future. To encourage and increase attendance, incentives appropriate to our time need to be offered, a format that brings exciting activities and information to the brethren. While our cardinal principles have remained unchanged and shall remain so, some of the ways we conduct business need to be updated. Every meeting should have a specific focus. The possibilities are endless. If we can accomplish this objective, I believe we will not only survive, but thrive. We are a first class society and everything we do should be rooted in our desire and objective to take good men and make them better."

The opening remarks in the Address of M.W. Bro. William C. Boone, Grand Master, offered a blunt and candid assessment of the State of The Craft in New Brunswick. This followed the Report of the Grand Secretary, showing a further loss of 118 members during the previous year.

"Declining membership is a concern and there does not seem to be any viable solution on the immediate horizon. From December 1961, when we had a recorded 8,945 registered members, to December 2006, when we stood at 3,919, the average loss per year is 117. If we continue to do the things we have always done, the eventual outcome is pre-ordained. A number of lodges have been successful in attracting new members in the last 5 years, but even they have shown a deficit at the end of the period. Three lodges in particular have shown whopping decreases of over 200 brethren each over that 46 year time span, while only two have shown and maintained an increase. We must ask, "What are these two doing differently?" The decline may be just a symptom of a changing society. Each generation over the last 60 years has had a different outlook on life. Loyalty to family, work, church and club was an integral part of the pre-Boomer Generation. They joined. They stayed. They worked hard. Later generations, from the Boomer to the Flower Child and Generation X, were basically of the, 'What's in it for me?' mentality. Consequently, fraternal organizations such as ours held little attraction. The exceptions to the rule were not enough to reverse the trend.

In addition, the 80/20 rule seems to be alive and well within Masonry. 80% of those who join leave for one reason or another. 20% who remain do 80% of the work. 20% of the lodges are responsible for 80% of the new members. 80% of the lodges use only 20% of the resources available to them.

A dedicated core, therefore, is struggling valiantly to keep the ship afloat with water washing over the decks. Is there a definite solution to revive and revitalize Freemasonry in New Brunswick? If I had an answer to that, every organization in the country would beat a path to my door. Several years ago, the Board of General Purposes adopted a 5-Year Plan for this Grand Lodge. Other than being occasionally dusted off, it lies in the vault of forgotten records. We need to examine why this was allowed to happen. We must correct the situation. No business can survive without an action plan outlining where it wants to be in

1, 5 or 10 years. So must we create such a plan. But, we must be prepared to commit to it, to adjust it as circumstances dictate, to see it as an opportunity to turn a negative into a positive. We need to examine where we have been, are now, and where we want to go. Too pessimistic you say? My remarks are an indication of an urgent need that this is done as soon as possible. To this end, I am recommending that a weekend conference on the Future of Freemasonry be held this summer. The conference will be open to any Master Mason in good standing, with special emphasis on having newer, younger members in attendance. By blending fresh ideas seasoned with experience and utilizing all the positive means at our disposal with a healthy dose of common sense, we will attempt to set the course ahead. Let us resolve, here and now, to practice the Tenets of Freemasonry during the troubled times as well as the pleasant ones. The wheel is there. Let it be shone and polished, not re-invented."

M.W. Bro. Maxwell James Squires, Grand Master welcomed the Grand Master of the Grand Lodge of Scotland, in attendance to participate in the dedication and opening of the new Grand Lodge Building, Freemason's Hall, in Mount Pearl. "I am proud to welcome you to the home of all Freemasons in Newfoundland and Labrador and the seat of Freemasonry in our province," he began. "We are only a young jurisdiction and we have much to do to ensure continued growth. Throughout the whole of North American Jurisdictions, membership is a major concern. This is not unique to Freemasonry. Service organizations, fraternities and churches are also experiencing decline. Over the last few years, interest seems to follow a pattern of waning and then surging. However, I am pleased to say that interest in the Craft in our province is on the upswing. In spite of demits, suspensions and deaths, we have had an increase over the last two years. Even though moderate, it is significant. It is my sincere wish to see this trend continue. To this end I am working on a Membership Committee in conjunction with the Shrine, which, in my opinion, will benefit both organizations. According to the Masonic Services Association, we are the only jurisdiction in Canada that can boast a net increase in membership. We are attracting good men. We must be doing something right. During the eleven years we have been in existence, we have been building together upon a solid foundation. I chose the theme, 'Reaching Out' and this is exactly what we have done. The great interest in Grand Lodge is reflected in the large number of brethren who submit their name for elected positions. So let us continue to tackle issues that confront us. Let us 'Reach Out and let our Light Shine.'"

The District Grand Masters submitted generally positive Reports on the Condition of Masonry across the province. In varying degrees, lodges are addressing the increasing pressures on financial resources; emphasis on good Work and Ritual; the importance of visitation; the determination to strive to increase membership and the maintenance and repair of lodge buildings.

Amendments to the Constitution included the appointment of an Assistant Grand Secretary for a period of two years, to provide assistance to the Grand Secretary and perform his duties in his absence. All District Grand Masters shall, in accordance with procedures established by the Board of General Purposes, ensure that, prior to his Installation, the Master-Elect of each lodge is familiar with the duties and responsibilities of the office and with the Ritual of opening and closing in each Degree. The District Grand Master shall also guarantee that each lodge in his district has a program of Masonic Education.

Newly Installed Grand Master, M.W. Bro. Lawrence G. Moss speculated on the future course of Grand Lodge. "My question today is, 'Where are we as a Fraternity?'" This leads

to another, "Is this where we want to stay?" If it is, my job will be an easy one for the next two years. We will simply rest on our laurels and coast until 2010. But, I suspect the answer is "No." So where do we want to go and how do we get there? We need a vision and a long range plan. We may not get there in two years, but we will still have the vision and know how to get there. I doubt not we love our gentle Craft and that we don't want to change it. I am not suggesting changes in our Ancient Landmarks, or even necessarily our Constitution, which gives your Grand Master extraordinary powers, almost dictatorial. I believe that era is over. We need leadership which implies genuine participation by all rank and file brethren. New, young members are seeking more from the Craft, knowledge of the spiritual value of the Rites of Freemasonry of three hundred years ago. They will replace you and me when time passes. We must seek them out and bring them into positions of leadership. They have as much to teach us as we have to teach them. If we do not have a dream we will never have a dream come true. Standing still is simply not an option."

M.W. Bro. Daniel George Campbell, Grand Master, acknowledged those areas in the Jurisdiction requiring improvement: Ritual Work: Lodge Management and the teaching of our basic tenets and Masonic principles, not only the traditional aspects of the Work, but the spiritual and esoteric facets of our teachings. He remarked that many lodges are developing creative educational presentations and he stressed the importance of the Mentor Program, The Master and Wardens' Workshop and the efforts of the Ritual Committee in revising the Ritual for the three Degrees, providing greater instruction and consistency, making it easier to understand and follow. Despite the constant issue of declining membership, the Grand Master expressed confidence that Masonry is alive and well in Nova Scotia and that it is more important to hold onto good men than bring in those of lesser quality who only appear to be visiting our profession for a short time.

The Report of the Grand Secretary commented on the favourable reviews given to television programs and films about the Craft and his belief that this is igniting a great deal of curiosity about Freemasonry. "The result is a flood of enquiries from non-traditional sources, including the Internet. Many of them lack the personal recommendation of brethren who know them. Therefore, the work of the investigating committee becomes of paramount importance and we should examine ways to improve their effectiveness. We must be cautious. We wish to initiate Masons, not just acquire members. Indiscriminate recruitment could result in the ultimate surrender of a lodge's charter. But, it is also our responsibility to ensure that those we initiate become knowledgeable Masons. Masonic Education is a weighty responsibility for the entire lodge. Our new brethren must not languish unattended." The Report of the Committee on the Condition of the Order was presented pointing out that their responsibility was to do a self examination of Grand Lodge operations, discover problems which should be addressed and corrected before they go too far and do serious or irreparable damage to the Fraternity. Observations included: Incomplete reports from Grand Lodge Officers; Inconsistent, incomplete, or overly optimistic reports from several D.D.G.M.s; the quality of Degree work running the gamut from excellent to very poor; Weakness in the presentation of Masonic Education for newer Masons and older brethren; Declining membership compounded by the fact that the average age of remaining members of certain lodges is well above 50 and unless something is done to attract younger brethren, those lodges are headed for oblivion; the dignity of and integrity of the Craft is being compromised by the presence in shopping malls of Masons selling raffle tickets on all manner of objects, usually to support the lodge finances. "A lodge that cannot hold its head

high and raise sufficient money from within its own ranks should take a very serious look at itself, its dues structure, and the commitment of its members. How can the general public not think of us as a service club when they see us participating in such activities?

Many members feel the Board of General Purposes is too cumbersome. It has taken over several activities which used to be debated and voted upon and have made attendance for some at the Annual Communication irrelevant. In spite of the fact, many may feel this Report is too negative; some progress has been made in that last few years. A Grand Lodge Amendment now ensures that our Report shall not just fade into the woodwork, but have a priority on the agenda of the new Board of General Purposes who shall take appropriate action. It now appears that senior people in Grand Lodge want to take a serious look at the issues facing our Fraternity and address them.

Brethren, Freemasonry in general and in this jurisdiction in particular, is coming to a crossroads. In 2017, Freemasons will be celebrating the 300th Anniversary of its formation as we know it today, even though we can trace its beginnings much further back in time. In 2017, this event will be celebrated in England and around the world. We must ask ourselves, as we approach and ultimately reach this crossroads, will our Fraternity continue straight through the intersection and continue into the future, proud and strong, considered a pillar of the community as we once were, or will it take a turn to the right or to the left and go down a dead end road leading to oblivion? Brethren, if we continue to sit on our hands and allow the Fraternity to deteriorate at the current pace, there can be no question in our minds as to what we can expect. We will end up taking one of those detours and fade into history."

The Committee on Membership Maintenance used statistical data from the Grand Secretary's Office dating back to 1989 to establish a membership baseline. For these 19 years the average membership was 149,970 and the average number of suspensions was 1,883, representing 1.27% of the Grand Lodge Membership. For the two years the committee has been in place, the average suspensions for non-payment of dues was 1,473, which is 410 fewer than the usual, representing 0.99% of the total. The committee attributes this decline in the annual number of suspensions to the implementation of the Tracker Form, which requires all District Deputy Grand Masters to hold the lodges accountable, in writing, for their attempts to contact brethren owing dues before the lodge was allowed to take action to suspend them. The Report concluded that the results shown indicate that the committee's time was well spent in the interests of Freemasonry in the jurisdiction. "The accountability required by the use of the Tracker Form, forcing the lodges to make personal contact with the brethren, uncovered many instances where lost or deceased brethren were discovered and treated appropriately. Lastly, we feel this was successful in promoting personal interaction among the brethren. Not all success is measured in numbers, graphs and charts."

R.W. Bro. Stephen Gardner, newly Installed Grand Master, set the tone of his term of Office with the phrase. "What you have inherited from your forefathers, you must earn again for yourselves, or it will not remain yours." My theme for the next two years is abstracted from that, "Earn it Again."

Freemasonry is the gift of our forefathers. For a brief time it is ours. For a brief time it is in our care. Are we doing all we can to protect our heritage? Are we meeting the challenge? A polite answer to that question is, "We are not." Over the next two years we will promote efforts to close some of these gaps. It is through our Ritual that we communicate our Masonic values and initiate the process of discovering our proud heritage. We have seen a decline in the number of brethren learning the Work. In too many instances

a Master of a lodge has learned none of the three Degrees. This cannot continue. We must correct this. Effective this year, no brother will serve as Master without first being certified in at least one Degree and the business of the lodge. It is necessary to be clear that every one of the progressive line officers is committed to this new minimum standard. We must determine the quality of Freemasonry our sons and grandsons will inherit.

We will improve communication with our membership by rolling out a program, at no cost to our lodges, whereby they can call their members as often as they want, en masse, through an automatic dialing system. I cite the example of one lodge in our jurisdiction that has used this program for the last year. One hundred percent of their members receive a call. Not one has asked to be removed from the list. Attendance has increased by twenty five to fifty percent. Brethren are returning who have not attended lodge in years. The number of petitions has increased. They are seeing the benefit of more brethren in the line of progression. They have reconnected with their lodge. The opportunity exists for all our lodges to have similar success. Use it, or lose it.

We are introducing the, "Change for Troops" program. After the close of each lodge meeting, all the brethren will simply leave their pocket change behind. The monies will be used to purchase International Calling Cards, which will allow our Military personnel in Iraq and Afghanistan to make that phone call home. The message printed on the card is simple. "The Masons of Pennsylvania thank you for your service and sacrifice." This card will bear the Masonic Square and Compasses. Use this opportunity to thank them.

Brethren, our Trestleboard is full. We have much work ahead of us. Every brother can play a part, large or small, in building a stronger Fraternity for future generations. In full confidence, this Master Mason believes that together, we can get the work done. Do your part to "Earn it Again."

M.W. Bro. Romeo A. Yu, in his Address, reviewed the activities, accomplishments and concerns of his year as Grand Master, and the theme of his term, 'Masons in Deed and in Creed.' As a constant reminder of his theme, the slogan, 'Think, Speak and Act as Masons,' was adopted in response to the call of the times, for Masons to rise from their lethargic state and take part in building a better nation and a better humanity. He charged his Grand Lodge Officers to implement an ambitious and revitalizing program for the Grand Lodge of the Philippines.

The major thrusts were:

- Maintain high ethical and moral standards in public and private life.
- Membership growth and development.
- Financial discipline at all levels.
- Uniform and impressive rites and ceremonies.
- Harmonious relationship among Masons and between lodges.
- Support of the public school system and youth organizations.
- Environmental concerns.
- Concern for sick and elderly brethren, widows and orphans.
- Dialogue and fellowship with various groups wary of Freemasonry.

M.W. Bro. Yu created a calendar of events on a monthly basis to highlight these objectives, chief among them being, 'Good Citizenship Month,' to express support for the public school system, especially at the elementary and high school levels. Education is considered the most vital tool emphasized by the Craft worldwide as the effective instrument to gain freedom

from injustices, including poverty. Districts were encouraged to adopt a school, donate library books and sponsor scholarships.

'The Mason and the Environment Month,' enjoined the brethren to be hyperactive in environmental concerns, initiating tree planting and coastal clean-up projects. 'The Greatest of These is Charity,' the December strategy, exhorted all Masons to be individually generous, particularly to the poorest of the poor, and to synchronize all District projects to coincide with the 94th Anniversary of Grand Lodge. Masons responded admirably to a great challenge when many areas in Southern Luzon suffered huge losses in life and property due to Typhoon Reming. Grand Lodge coordinated efforts from districts and lodges in the Grand Jurisdiction to provide emergency assistance in cash and kind to assist the victims.

'Transfer of Lodge Leadership and Installation Ceremonies,' traditionally held in January, are to be well planned, rehearsed and open to the public to enable non-Masons to witness our ceremonies and erase misconceptions about the Craft. In this regard, M.W. Bro Yu took a leadership role in opening a dialogue with the Archbishop of the Bishops Conference of the Philippines.

What of the future? The Committee on Masonic and Education is discussing the development of a curriculum on Masonic Studies which would evolve into a Graduate Degree, known as a Degree in Masonic Sciences. This degree will be a product of a deliberate development program for future members who will undergo intensive study courses that would qualify them for appointment as Grand Line or Masonic District Officers. The vision is the creation of a corps of dedicated academics among the 15,000 or so Filipino Masons from whom the future leadership of the jurisdiction will emerge.

The waters were not always calm in the jurisdiction, however, and M.W. Bro. Yu expressed regret at the decision of members of 3 lodges to form the Independent Grand Lodge of Free and Accepted Masons of the Philippines on 10th September, 2006, in defiance of the constitution. The Grand Master declared all officers and members of the I.G.L.P.I. clandestine and directed that their names be expunged from the records of the Grand Lodge of the Philippines, all subordinate lodges and appendant bodies.

"I exercise my power and function with a heavy heart to preserve the Masonic Fraternity as an institution. Somehow, along the way, I must have displeased some of our members. There are lots of formulas for success, but there is one sure one for failure and that is to try to please everybody. Having a separation in our mystic circle is the last thing we desire, but we cannot allow disorder to threaten the survival of our Craft in this part of the Masonic world. While we uphold our constitution, we also pray that someday the Great Architect of the Universe will be merciful to us and bless us with healing and reconciliation."

M.W. Bro. Heber B. Ross, Grand Master, conveyed a generally positive view of the State of the Craft in Prince Edward Island. Although only 9 new members had been raised in the last year, most Constituent Lodges boasted that they have attracted new members. The number will be much higher during the final months of 2008, as several new members are presently in different stages of completing all degrees.

The Grand Treasurer reported a surplus at the end of 2007–2008. Sales of Masonic merchandise by Grand Lodge continue to be strong, yielding a healthy profit. These funds are used to replace Grand Lodge Regalia. The financial reserves continue to grow due to designating \$1.00 per member to the fund. Grand Lodge also benefitted this year from the scheduled increase in the per-capita assessment, increasing from \$20 to \$23.

The Committee on the Constitution rejected a motion which would allow Master Masons

to become members of Grand Lodge, believing that it would change the reason why Past Masters are members. Past Masters have gained a lot of experience and knowledge in operating a lodge. If Master Masons were allowed to become members, it would remove the incentive and ambition to become a Past Master. The rationale is that Grand Lodge is like any step in Masonry. It is simply a Grand Lodge of Past Masters that oversees the operations of Constituted Lodges. Allowing this change could also create a situation whereby a large lodge could control Grand Lodge with uneven votes.

Due to the retirement of the present Grand Secretary, a letter will be sent out to all lodges, together with a short job description advising that the position is vacant as of June 2008. Any brother interested must advise the Grand Secretary of their intentions to apply for this office.

The Report of the Grand Master's Education Day included the results of a 'Breakout Session,' where brethren were asked to discuss and offer solutions to the very important question, "How do we retain the interest of lodge members so they continue to attend Lodge Communications?" The answers offered an insight to the problems faced by Constituent Lodges and overwhelmingly focused on Mentoring and Masonic Education, or the lack thereof.

The solutions included: Begin the meeting with a dinner followed by 45 minutes of Masonic Education. The business meeting should last no longer than 40 minutes and all contentious issues are to be deferred and sent to committee to be hashed out. The Educational theme is to be chosen for the entire year and each speaker must deal with that specific subject. Educational programs should be developed for Wardens to prepare them for the Master's Chair, citing the example of the Province of Ontario. Mentoring should be mandatory. Grand Lodge is reluctant to do this due to the resistance shown by some lodges to what they perceive as a 'forced policy.' All new candidates must be given an idea of what the Craft is all about. They should be encouraged to ask questions. They want to learn and they need a coach to pass on their knowledge and experience. To use a marketing and business analogy, if you don't promote your product, you won't get the sales. Grand Lodge should initiate a marketing program to promote Mentoring. The object is future leadership. Set the bar high and people will attempt to reach those standards.

M.W. Bro. Opkar S. Sandhu, Grand Master, praised the work of all Grand Lodge committees in the discharge of their responsibilities over the last year and commented on their various on-going projects.

Membership: As always, membership continues to be a concern for all. The good news is that the tide seems to be turning. We are now hearing positive news from lodges that have not received a Petition in many years. I am aware of some lodges who hold Emergent Meetings to do Degree work just to keep up with the backlog. Isn't that nice to hear? I am not saying this condition is prevalent throughout the jurisdiction. Certainly, there are still many lodges, especially in rural areas, that are not enjoying the rewards of this revived interest in Freemasonry. But overall, reports are positive and I am pleased to inform you that I have sent out a total of 151 letters welcoming new Initiates, 84 English and 67 French.

Communications: The chairman informs me that his committee is putting in place a new and improved Candidate Referral System on our website. On average, the site gets 1 application a day. Assuming only 50% turn out to be serious, that makes about 180 candidates a year, young at that. These prospective candidates are referred to Regional Dispatchers who are now using an updated enquiry form to better evaluate the candidate so that referrals, according to choice of language and locality, are more efficiently directed in a transparent

and objective manner.

Awards: To encourage efforts to initiate and retain more members, our Grand Lodge instituted Certificates of Achievement as a means to recognize lodges successful in their efforts in increasing membership in a positive way. Bronze indicates a 1 year increase; Silver, a 2nd consecutive year of increase and Gold is presented to Lodges with 3 years of consecutive gains.

Finance: The committee reported that the cost of granting dispensations is greater than the funds received. We recommend these charges be increased to reflect true cost. We have again proposed a balanced budget. We have almost balanced the budget for the last few years by controlling expenditures. However, if Grand Lodge wishes to expand its activities it can only do so by going into a deficit. We must look at the revenue side of the budget and find ways to increase them. We recommend that we look into increasing the per-capita charge.

Business Continuity Plan: This question came up at a meeting with President of the Masonic Foundation. After 9/11, many organizations were asked to identify their preparedness should their place of business be impacted in any way. In our case, Grand Lodge and numerous lodges meet in the building known as the Montreal Masonic Memorial Temple. Should that facility become unavailable for an extended period of time, for whatever reason, we are not currently in a position to answer the questions: What do we do to conduct our lodge meetings? Where and how safe are our Grand Lodge records? We must have a plan of response. I have therefore struck an ad hoc committee to develop a Business Continuity Plan for the Grand Lodge of Quebec and all Attendant Bodies.

Concerns: It is distressing to learn from certain D.D.G.M.s Reports that some lodges are afflicted with low morale, conflicts and internal dissension. I caution all concerned that if the Grand Master feels forced intervene to resolve matters, his focus will be on the welfare of the Craft in the jurisdiction, with individuals and the merits of their positions being of secondary importance.

Grand Secretary's Report: The Grand Secretary recorded a loss of 69 members during the past year, a decrease of approximately 1 ½ %. However, when the number of deceased is removed from the statistics, our variation is plus 45 members.

D.D.G.M. Reports: They were all generally favorable. Lodges having a strong social event calendar and a high attendance at the social dinner after seem to be the ones attracting new members. Is this what young men are looking for today? All districts report contrasting situations; lodges with large memberships, good attendance, exemplary Ritual and Degree Work, Mentor and Educational programs and strong community involvement are offset by borderline lodges with an aging membership, attendance problems and less than adequate Ritual. Attendance at rehearsals, and more rehearsals would help alleviate some of their problems. But they need help. That being said, in spite of all the negatives, the overview of the State of the Craft in Quebec remains positive.

SCOTLAND

Sir Archibald D. Orr Ewing, Most Worshipful Grand Master Mason, emphasized the positive aspects of Scottish Freemasonry internationally. "The public perception of Freemasonry, especially in Scotland, has, I believe, improved quite a bit over the last few years. The International Conference on the History of Freemasonry held in Edinburgh last year, attracted positive coverage in the National Press. On National Radio, the BBC are running a four part documentary on the origins of Scottish Freemasonry and its' influence across the globe. The programs show the Craft in a very positive light. I am pleased to report that since our last Annual Meeting that the Scottish Craft, despite some local difficulties,

continues to be strong. Grand Lodge has approved several new lodges in the Bahamas and Jamaica and in the District of Trinidad and Tobago, Freemasonry flourishes. What is noteworthy is the relative youth of the Initiates, many between the age of 18 and 25, which reflects a thirst for a moral and spiritual code of conduct. Overall our membership remains fairly constant. The Finances of Grand Lodge have shown a significant improvement this last financial year through the curtailing of costs. However, we continue to feel inflationary pressures in many areas of operations. The value of our Benevolent Fund has increased and we continue to support a number of non-Masonic charities.

During the last twelve months, Grand Lodge has extended recognition to the Grand Lodge of Bulgaria and others are being considered for recognition, particularly in Eastern Europe. Whilst we welcome the revival of Freemasonry there, a good deal of caution needs to be exercised. I would like to make mention of an important meeting of around forty four Grand Masters which took place in London this month. The purpose was to discuss regularity and recognition, but the main thrust of the meeting was really a rejection by most of the participants of the concept of a European Masonic Forum with a permanent Secretariat, which had been strongly supported by Austria and Germany. Their main goals are listed as follows:

- To support the progressive integration of Europe.
- To promote effective integration of recently established European jurisdictions into European and global Freemasonry.
- To discuss ways in which Freemasons could positively affect the development of society.
- To support the development of society on the basis of Masonic values and principles.

The European Masonic Forum goes further and has produced statements such as:

- European Masonry can no longer be divided along geographical boundaries.
- A common Europe needs a common European Masonry.
- In the 21st Century, Masonry, like any other institutions and thought, cannot be defined alongside National borders any more.

In my view, these sentiments are unacceptable, as they directly contradict the Aims and Relationships of the Craft agreed to by Scotland, England and Ireland in 1938, which expressively forbid public comment on matters of religious, social or State policy when we act in our Masonic capacities. This will not prevent us from maintaining our existing close links with European Grand Lodges, but we need to keep a close eye on creeping Euro-Masonry."

These concerns were reiterated by the Guest Speaker, M.W. Bro. Alexander Clevén, Grand Master of the Regular Grand Lodge of Belgium, founded in 1959, who explained that the bipolarization of religious, political and social life in his country led the Grand Orient of Belgium, in 1872, to abandon the two principal landmarks, the belief in God and the ban on religious and political discussion, eventually resulting in the Grand Orients' loss of international recognition. "Belgium, and my Grand Lodge in particular, stands on the borderline between the Regular Masonic World and the World of Freemasonry calling itself 'liberal and a dogmatic.' We practice eight different rites in five languages within 45 lodges and 1,600 brethren. We are enriched by the legitimate balance between two linguistic communities. So we watch the Masonic world with a lot of attention. The new generation challenges our tradition, and they suggest we should question certain matters of today's society. This is one of the greatest dangers jeopardizing our destiny. We Belgians, through our experience, know what price has to be paid. We do not engage in matters of society. We engage in man. We build ourselves. We better ourselves in the hope that it will improve humanity. Freemasons are people who gather and talk to each other in spite of their differences. Those who gather because of their similarities more often wage wars against others. Tradition is not conservatism. Tradition is transmission. To transmit is to transcend

in time and with each step enrich the spirit of thoughts and the knowledge of time. This is why our lodges need to be places in space and time for the development of the brethren. One enters Freemasonry to change oneself, not to change Freemasonry."

"I am pleased to report that the State of the Craft in South Carolina is strong, active and vibrant," stated M.W. Bro. Gerald L. Carver, Grand Master. "The proficiency of our Lodge Officers and brethren in conferring the three symbolic degrees has been excellent and in accordance with the ancient usages, customs and rituals. The life's blood of our Fraternity is the conferral of these degrees on good and honorable men. I am also pleased to continue the tradition of Past Grand Masters, having this year written 724 personal letters congratulating and welcoming new Master Masons into our Fraternity. After two years of negotiations with the South Carolina Dept. of Motor Vehicles, the Masonic License Plate with the Square, Compasses letter G and AFM has been issued for an additional cost of \$30. A \$21 dollar portion of the fee will go to the Grand Lodge Charity Disaster Relief Fund and to the Scottish Rite Children's Language Centres. Our Grand Lodge financial condition is now balanced because of the decision of the brethren to increase the Annual Dues to Grand Lodge. On those rare occasions when disharmony reared its ugly head, the Officers, D.D.G.M.s and Grand Lodge Officers worked diligently to restore harmony and brotherly love, which is the essential fabric of every lodge and the very foundation of our Craft. As the large numbers of our brethren from the World War II generation are called to the Celestial Lodge above, our membership numbers continue to be impacted. Members lost to NPD continue to plague this Fraternity. It is an area that can only be addressed at the lodge level. It is each our responsibility to know each brother's circumstance. By personal contact it may be discovered that a brother needs assistance and may be too proud to ask his brethren for a hand-up. Last year we had a net loss of 852, down from 963 in 2007. This year Grand Lodge issued 110 certificates to lodges that did not drop one member because of NPD. That is one third of all lodges in this Grand Jurisdiction. I believe that with an extra effort we can increase that number to one half. The Committee on Masonic Relief has, for several years, requested that each Master Mason contribute through his lodge, the amount of \$3.65, or a penny a day in thankfulness that an additional year has been added to his life. The current contributions amounted to \$4,364, which was placed in the General Fund for Masonic Relief. During the last year the Board assisted indigent Master Masons and destitute widows in the total sum of \$150,000. An overview of Masonic Education Programs revealed high and attendance and participation at The Grand Master's Workshop for Worshipful Masters, designed to instill them with in-depth knowledge of their duties and responsibilities. The presentation of Masonic Education material at all Instructional meetings across the jurisdiction is a priority and a Speakers Bureau is maintained, always willing to accept an invitation for assistance, or provide a guest speaker upon request. In conclusion, my brethren, this past year has brought opportunities and challenges. Together, we have been able to seize the former and overcome the latter for the good of our Ancient and Honorable Fraternity. We have been the shining beacon of Masonic Light in South Carolina for 271 years. I have every reason to believe that Freemasonry in our State will, with our brother's assistance, continue to benefit society for many years to come. To quote our brother, Sir Winston Churchill, "What is the use of living if not to strive for noble cause and to make this world a better place for those who live in it after we are gone? How else can we put ourselves in harmonious relation with the great verities and consolations of the infinite and eternal? And I avow my faith that we are marching towards better days. Humanity will not

be cast down. We are going on swinging bravely forward along the grand high road and already behind the distant mountains is the promise of the sun."

M.W. Bro. Kenneth L. Glaser, Grand Master, stated that he would take time to comment on one important issue in addition to his Annual Report. "I have visited many Constituent Lodges and have found that they are working well. Our membership is slowly turning, but the problem remains that is basically self-inflicted and that is that we have made a decision in our code not to have a longer time to allow Master Masons to prove their proficiency. I have said all year, "Masonry isn't dying – we are killing it." A Worshipful Master has three different ways to declare a Master Mason. None of the three say that he has to memorize anything, but the words and passes. I see very little mentoring. I defy anyone in this room who was raised to the sublime degree of a Master Mason to say, "Now I know what Masonry is all about." When a candidate becomes a Master Mason and he is declared proficient that is when mentoring should start. That is when he should be taken by the hand and taught Masonry. You cannot teach him in a month or a year. Right now is a prime time for young candidates and we are getting them. But we are doing with them exactly what I have described. We are not grabbing them by the hand and teaching them the duties of the office. We have lost that all important one-on-one contact. Teach him to become proficient in all three Degrees and believe me, once he finds he can memorize he will then ask, "Do you have a part I can learn?" These young people are smart and have high expectations. If you do not give them something to do, they are not going to be around long. The Blue Lodge of Masonry is their foundation. No matter what they do afterwards, it will topple over without that solid foundation. Let us go back to being Masons, to the basics we have learned. If our method of teaching is outmoded, let us find another way. Your lodge will prosper. We are well in South Dakota in spite of some problems. It is turning around. We must not disappoint our new, younger members. Keep in mind that leadership has no age, that there are no limits on imagination, but our lodges must mean something to our members."

The Deputy Grand Master announced that the CHIP Program has been started in South Dakota. After being approved by Grand Lodge in 2006, with no finance available, fund raising efforts were initiated. Many contributions have been received from lodges, individuals and foundations. The committee has been able to purchase four computerized units, brochures, releases and the forms necessary to host the first two CHIP events in the State where over 200 children were processed. There has been a tremendous response to this program, not only by the general public, but also by all the volunteers that have assisted. We have received enquiries and requests to conduct events all over South Dakota and have formed six area committees to assist local lodges. A procedural operations manual and website are presently being developed.

The Report of the Commission on Masonic Education commented on their mandate to develop guidelines to encourage lodges to spend more time in explaining the philosophical and symbolic meanings of the Degrees. Having attended the Midwest Conference on Masonic Education, they were particularly impressed by a presentation concerning the Traditional Observance Lodges and the European Concept Lodges springing up around the United States. These lodges strive to give their membership a similar Masonic experience as our brethren in Europe enjoy and were common in lodges of centuries ago. Tuxes, white gloves, festive boards, scholarly presentations and exquisite formality are the order of the day.

Similar remarks were made by the Board of the Custodians of the Work, who, for several

years have tried to bring a focus on appreciation of the beauty and artistry of the Work as a whole and thereby improve all of the brethren understanding of its basic meaning. To this end, the Ritual Monitor has been revised and amended. It is hoped this will create the desire to become accurate and proficient. Understanding engenders interest; interest spurs practice; practice creates proficiency. When brethren understand and appreciate the lessons, the Work will become "word perfect" and the circle will be complete.

M.W. Bro George Bernard Dungan, Grand Master, opened his Address saying, "I am confident we can accomplish great things for Freemasonry and the State of Virginia. I urge you to commit yourselves to service and miss no opportunity to make some small sacrifice for mankind, thereby adding to the common stock of knowledge and understanding. My extensive travels across the Commonwealth have confirmed that many districts are busy with Degree work. I feel that with the number of brethren entering the Craft this year, our membership will begin to experience an increase. Many of the new brethren are younger men. This is a good sign. We must plan our meetings to make them attractive to the new brethren to assure their continued attendance. To this end, I have placed special emphasis on a new program entitled, "Mentoring a New Brother." It has been well received and I recommend we promote and support it with continued vigor. While increasing numbers is a worthwhile goal, we must also remember to guard well the West Gate. In order to maintain the high standards of the Craft, we must not allow those who are not morally qualified to gain admittance and discredit Freemasonry. I have also issued two Executive Orders for the benefit of the Craft. To deal with the losses caused by NPD, I instruct all Lodge Secretaries to report to the Grand Secretary all delinquent members, prior to the issuance of a Citation, to enable the Grand Master to appeal directly to the brethren to pay their dues. The second Order is designed to improve the District Deputy Grand Master selection process. In an effort to secure the best candidate in each district, the following procedure will be observed. The Master of each subordinate lodge in each district shall notify its members that nominations for the Office of D.D.G.M. will be considered at a designated communication of the lodge. The Master may have the first nomination. A majority ballot is required if there is more than one nominee. In the event of a tie, the Master shall have one additional vote. The vote shall be by secret ballot. All members must vote. Each lodge will then submit the name of its nominee and alternate in accordance with proper procedure, to the Grand Secretary. All nominees will complete a resume on a form supplied by Grand Lodge, certifying their qualifications and competence in Ritual and Educational proficiency. Each Master or Past Master shall then sign a statement whereby they commit themselves to the discharge of all obligations and duties as D.D.G.M. for the year. Finally, nothing shall affect the right of the Grand Master to appoint whom he will as District Deputy Grand Master. All of the above falls within the recommendations of the Strategic Planning and Implementation Committee and our objectives; to improve the quality of lodge and district leadership; to define standards for success; to develop an effective membership program to attract a large number of high quality candidates; to create continuity between successive D.D.G.M.s and to support our lodges with the resources necessary to improve their operations."

M.W. Bro. Edmund Cohen, newly Installed Grand Master, pledged to build upon the success of his predecessors and the Strategic Plan and pursue the goal of creating a tighter bond between the lodge, the district and Grand Lodge. In closing, he reminded the brethren of the responsibilities of Masons. "I have put on my pin two words that capture the very essence of Freemasonry, "Virtue" and "Honor." They are universal ethical principles, not

empty slogans. Masons are honorable men whose word is their bond. We can be counted upon to help in our neighborhoods and communities. We have voluntarily undertaken very substantial and significant obligations, to help and assist. While we may not be able to change the world, we can make our corner of it a little bit better."

"Let us examine what we have accomplished in the last year," began the Grand Master, M.W. Bro. Charles McQuery, in his Communication Address. "There are many areas where the relationship with the media is outstanding and Masonry has been held up as a shining example of good in the community, although much work needs to be done in the larger metropolitan locations. The CHIPS program has been very successful in raising the awareness of the Craft and in providing a valuable service to our communities. More than 4500 children have been processed since inception and we have had magnificent support from Police and Fire Departments, School and Civic groups, the Chamber of Commerce, Knights of Columbus and many private Dental facilities. After 2 years, I believe it is time to solidify the committee as an ongoing endeavor and make the CHIPS program a Standing Committee of Grand Lodge.

There are several districts with a substantial Hispanic population and they are a largely untapped resource for membership. To this end we have created a brochure in Spanish, clarifying Freemasonry, to be distributed in these communities.

The Emphasis on Mentoring Program is now on CD and has been distributed to every lodge in the jurisdiction. This program is the keystone to the strength of our Craft. Adapting to changes in technology has prompted new ideas and creative ways to work. Most lodges and Secretaries now have computers. There are needed changes to our Code to permit lodges to file all reports and documents electronically and I am recommending the Masonic Code be altered to allow transmission of all official correspondence and documents to Grand Lodge without affirming a Lodge seal.

The printing of the Standard Work and Freemason's guide to the Symbolic Degrees, which combines the Washington Cipher and Monitor into one document, has been completed and is ready for distribution. I was very concerned on several occasions during my travels to witness some Masters relying on an opened Cipher to open and close the lodge. I firmly believe that before a brother can adequately fill the Oriental Chair, he needs not only to be able to perform the Ritual of the Work, but must understand the laws that govern how the lodge is to be administered. Don't you want the best prepared brother as your Worshipful Master? I am recommending a change to the Masonic Code requiring the acquisition of a Lodge Management Certificate, proving proficiency, by all brethren who aspire to the Master's Chair.

The Grand Secretary's Report provides data relative to Membership. The decrease in numbers is less than 2%. We have had fewer NPD's and net losses than at any time in the last eleven years. The only way this will continue is for lodges to make themselves active and visible in the community and continue to be a relevant and respected Fraternity.

As I have travelled, I have found the fabric of Freemasonry in Washington strong and vibrant. The Craft is strong and getting stronger. For the brethren who take up the challenge, Freemasonry is not empty words and ceremonies, but a way of life. I urge to rededicate yourselves to the high ideals of Masonry and, "Walk the Talk."

M.W. Bro. Charlie L. Montgomery, Grand Master, affirming that Grand Lodge is the sole arbiter of what is or is not acceptable Masonic Conduct, and exercising his authority and responsibility, gave an account of his actions to counteract violations of the Masonic Code of West Virginia.

“There is a coalition of brethren and members of concordant bodies within this Grand Jurisdiction that has come to be known as the Masonic Crusade, a misguided and disgruntled group of individuals. They question decisions made by previous Grand Masters to gain support for amendments and to repeal our laws, as well as to subvert the principles of the Order. Their activities consist mainly of campaigning, recruiting, advertising false information and the unauthorized circulation through an illegal website, of Grand Lodge Documents. These activities have disrupted the peace and harmony of the Craft and do demonstrate intent to control this Grand Lodge and do violate and circumvent the obligation to which all West Virginia Masons are bound. I hereby order and reaffirm that participation in the affairs of the Masonic Crusade, including its illegal website activities, or any related endeavor constitutes un-Masonic conduct and will be treated as such. I have publicly endured flagrant insubordination and disrespect from three of those responsible, a Past Grand Master, a Deputy Grand Lecturer and a Worshipful Master. The authority of your Grand Lodge and Grand Master cannot be undermined. I order them all expelled from Masonry in this Grand Jurisdiction and that no Mason under the authority of this Grand Lodge shall converse or have contact with them on any matter Masonic. The actions of the P.G.M. are the most serious, as he should lead by example. I have also ordered all correspondence regarding the Masonic Crusade to be immediately sent to Grand Lodge and the Subordinate Lodge from which it was distributed to be placed under indefinite probation. Further infractions will result in the forfeiture of its Charter. I further order that our own Grand Lodge website be made more secure. Great effort has been expended in recent years to restore peace and harmony amid confusion. There appears to be a great deal of activity concerning new members in our jurisdiction. We must not be diverted and lose sight of our responsibility to ensure that the new members of our Craft are properly educated in our ancient customs and usages so as to preserve the integrity of our institution. This task falls upon all of us.”

The Grand Lecturer appropriately closed the session remarking, “Let us therefore resolve: to mean what we say: to keep the promises we have made: to accept the responsibilities we have as men and Ancient Craft Masons, and thus render ourselves deserving of the honor and merit the confidence reposed, when the privilege of being made a Master Mason was granted to us. Let us remember that as Ancient Craft Masons, as in other facets of our lives, great privileges are accompanied by even greater responsibilities.”

Grand Master's Banquet
Wednesday, July 15, 2009**

Grand Master, Distinguished Guests, Brethren All:

R.W. & Dr. David B. Harte is currently serving as International Spokesperson for Masonichip International and as Grand Representative to the Grand Lodge of Illinois near the Grand Lodge of Massachusetts.

He serves on the Massachusetts Dental Identification Response Team and DMORT Region #1.

In 1998 he introduced a comprehensive child identification program as a local Lodge community service project, which gained international media coverage overnight. With much collaboration the program subsequently was recognized, respected and strongly supported by national recovery investigative, law enforcement, dental, and forensic professionals.

CHIP has been presented to convention groups including: the American Dental Association, the American Association of Forensic Sciences, the National Center for Missing and Exploited Children, the American Association of Orthodontists, the US Senate Caucus committee on Missing and Exploited Children, the North American Grand Masters Conference, along with many state dental, law enforcement and Grand Lodge meetings.

He is a recipient of numerous awards including the Special Recognition Award from the National Center for Missing and Exploited Children and the American Dental Association's President's Award for Humanitarian Service.

To date over 1.9 Million children have been comprehensively ID'ed across North America and beyond.

Grand Master's Banquet

Grand Master, Distinguished Guests, Brethren All:

So why is a Comprehensive Child Identification Program needed in the world today? Twelve years ago TWA Flight 800 suddenly crashed into the Atlantic Ocean, resulting in a long, arduous task of identifying 300 victims including over 100 teenage children. At that time DNA testing took 6-8 weeks for results. Due to fluoride and dental sealants, many of the teenager's dental records were blank: many had perfect teeth; no fillings. The last two teenage victims were identified ONE YEAR after the crash.

As a direct result of that tragedy, a Mason in August of 1998 introduced the concept of a comprehensive child identification program at a local Lodge community safety event. The program featured videotape, professional fingerprinting, a Toothprint, which was later found to be a DNA sample as well as a scent-tracing sample in addition to its identification possibilities; and safety education materials. The event was reported as a world-wide news

media event via International Associated Press.

So, again why is a Comprehensive Child Identification Program needed in the world today? I have 99,832 compelling reasons: 99,832 just happens to be the number of missing children across North America according to the National Center for Missing and Exploited Children. But that may not have significant meaning to you. Here's a number that will : 20,000. Twenty thousand is the number of children reported missing every year right here in the Province of Ontario.

No parent is ever prepared for the sudden loss of a child- but having a comprehensive child identification kit ready for recovery, investigative and law enforcement officials is an invaluable resource. The National Center reports that in missing children cases, in only 1 of every 2 cases do they receive an adequate picture of the missing child. Seems hard to believe. But let's take a quick survey: How many of you have multiple children or had a sibling yourself growing up? Hands up high please... Just about everybody present. Well tell me if you can relate to this....

First child born gets 5 baby photo albums

Second child born gets 1.5 baby photo albums.

Third child asks whether the camera broke when they were born.

And it doesn't get any better as time goes on; so that when children are in their teenage years- the most likely time for them to become lost, missing or abducted – most parents have very few photos.

Videotape and digital photos are powerful tools. If a picture is worth 1000 words, then videotape is worth a million. They can be put on AMBER Alert broadcast easily; they offer mannerisms, expressions and actual clues as to where missing children can be found. In one jurisdiction, a child was missing coming home from school. Mom drove back and forth with no luck, then brought the CHIP video to the police. On the video, one of his favorite after-school activities was visiting the video arcade in the strip mall. Police stated that was their # 1 lead. An investigation at the video arcade revealed that the boy was indeed there, and was befriended by an older gentleman. A witness gave a good description of the suspect's vehicle. Quick police detective work revealed the owner was a known sex-offender in the immediate area. When police arrived at the suspect's home, the child had already been assaulted and his demise was being planned. The video SAVED THE BOY'S LIFE; a still photo would have rendered a very different outcome. In a Mid-West State an A.M.B.E.R. Alert saved a 15-year-old's life. The person she met from chatting on the internet was not a 15-year-old boy, as she expected, but a 29-year-old Class 3 Sex Offender. The videos have been equally effective in recovering missing children at large theme parks.

And they can serve as a basis for age progression computer imaging. Many children have been found on the internet, and children have actually found themselves, thanks to the imaging unit at the National Center for Missing and Exploited Children.

Digital fingerprinting is now state-of-the-art: Fingerprints can be taken with confidence since the fingerprints can be read by the two most commonly used software programs used by recovery, investigative, and law enforcement officials.

Toothprints add a very strong identification component to the program: it can identify burn victims at Shriners hospitals, and can also serve as a more traditional forensic tool. In addition, Toothprints is a DNA sample, and is a pure scent sample. Scent discriminating dogs have been trained to use a 6-year-old Toothprint and can easily trail using them accurately for many miles. Scent discriminating dogs can scent human skin cells through car air vent systems and follow subjects accurately. These dogs are trained to trail one scent-at-a-time only, which is the reason for their great success with Toothprints. A person with Alzheimer's was reported missing. A scent dog was brought in to trail the missing Senior.

After a mile, the dog scented into a convenience store, covered the store, came out, crossed the street and started walking up the middle of the car lane. The dog was actually tracking the skin cells coming out of the air vent system of a car. A neighbor had actually picked up the Senior, recognizing that they were disoriented, and returned her home safely.

A nine-year-old was reported missing after not coming home at night. A tracking dog was brought to the last place that a sighting of the girl was reported. After picking up the scent, the dog found her 12 minutes later, 12 blocks away from the original site.

A Toothprint demonstration was performed at a public event : two identical twins were in a group of 5 children that interlaced their paths across a football field. A Toothprint from one of the identical twins was used as the scent tracer : the dog easily followed the path of the correct twin. Even though the DNA of identical twins are exactly the same, their fingerprints, Toothprints and scent are unique.

A DNA sample is taken of every child. Humans have 100 trillion cells. Identification, in theory, is possible from just one. The Ground Zero tragedy taught us a great deal about DNA. Prior to Ground Zero, most scientists would have agreed that DNA was the answer to all identification. There were 2749 victims at Ground Zero; to date 46% have NOT been identified. At Ground Zero, the temperature stabilized at 5000 degrees Fahrenheit for a long time – which denatured all the genetic material needed for DNA identification purposes.

Had Toothprints been available for all the victims at Ground Zero, many hundreds more would have been ID'ed.

We now, more than ever, understand the need for comprehensive ID materials for all individuals.

Safety education is the last component of the program. Children, age appropriate, are taught how to stay safe. They are taught the “8 Rules of Safety”, how to leave their spit, fingerprints and hair behind as evidence for investigators, and taught internet safety.

Also, the most likely targets of abductors:

Survey: How many of your wives, daughters, grandchildren jog or walk using head sets? Brethren, that situation is the # 1 target of offenders across North America. Please get the word out.

2 Target: kids coming home from school; loners are especially vulnerable.

There are a significant number of side benefits of participating in the child identification program:

- 1) PR – many jurisdictions have reported millions of dollars' worth of free press in TV, cable, radio, newsprint media coverage, which leads to name recognition and new membership.
- 2) Increased respect and recognition by all participating partners of the program: law enforcement, community leaders, dental and forensic officials, recovery officials. Many will become members of the Fraternity.

Most offenses today are not committed by an abduction, but by a seduction. How is that? Most are lured by internet “friends”, priests, sports coaches, teachers, or chat buddies, who seemingly grow a budding interest in a child because they “listen” and “understand.”

I want you to leave tonight with the knowledge of the most powerful tool that will arm your children or grandchildren against would-be perpetrators: and that is SELF-ESTEEM.

When you return home from this Annual Session, tell your children that you love them, that

you are proud of them, that they bring great happiness to your life....
Because, if you don't, someone else will....
And they may not have your child's best interest in mind.

Brethren of the Province of Ontario, I congratulate all of you that have given of yourself to this program. You have contributed greatly to making a safer Canada for your children, and have made possible the ID'ing of 1.9 million children across North America.

God bless and Good Night.
You are truly on the side of the Angels.

MasoniCHIP International, Spokesperson

Deputy Grand Master's Thanks to M.W. & Dr. David B. Harte

Most Worshipful, the Grand Master, Most Worshipful, the Past Grand Masters, Distinguished Guests at the Head Table, Officers and Members of Grand Lodge, Recipients of the William Mercer Wilson Medal, Representatives of the Masonic related Youth Groups, Reverend Sirs,

R.W. Bro. David B. Harte, Guest Speaker,

Brethren:

When our Grand Master introduced the Ontario Masonic Child Identification Program two years ago as the primary community outreach program for our Grand Lodge, it was enthusiastically embraced by Districts, Lodges, and individual Brethren. During the twenty-four months of operation, more than 18,000 children have been processed in clinics across the province. Countless brethren have volunteered their time to man these clinics.

Dr. Harte, as one of the original promoters of the Child Identification Program in North America and the creator of one of the key components in the recording process – the wafer for obtaining a dental impression – to you must be given due credit and acclaim for the success of this program in so many Grand Jurisdictions throughout North America. Science teaches that the simplest solution is often the best, and by the simple act of taking a dental impression, so much vital information is obtained. It certainly gives a new dimension to 'going to the dentist.'

Your insightful address this evening has inspired all of us to move forward with this community service project with renewed enthusiasm. It has often been said that we hope that the Child ID Kits never have to be used by the families that have received them, but if the safety expedited, or the life of one child can be saved, all our efforts are worth it.

On behalf of all here present, R.W. Sir, it is my privilege to express our sincere thanks and heartfelt gratitude to you.

SUMMARY REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS 2008 – 2009

Algoma District – 10 Lodges

R.W. Bro. Kenneth A. Orr

It has been a humbling honour and privilege to be the Grand Master's representative to Algoma District.

Masonry in Algoma District is certainly, strong and holding its own at the present time. Many Lodges are busy with degree work as membership is experiencing an upward swing in the district. The quality of work in the District is great. There was one Lodge looking at an amalgamation with another strong lodge, this was cancelled at the last minute and it would seem many older members of this Lodge want to try and make their lodge work.

I appointed W. Bro. Walter Arenovich District Secretary and am proud to say it was a great choice because of the help and support My BROTHER W. Bro. Walter Areovich showed and gave. I'll always be grateful.

Algoma District is a special District because six (6) Lodges are within city limits of Thunder Bay and four (4) Lodges are outlying Lodges. Hornepayne Lodge is close to six hours from Thunder Bay and we managed to visit all Lodges for all Official Visitations and all Installations, it was over 15,000 kms of driving but enjoyed every minute of it.

Lodge Resources is now off the ground and is starting to see positive results.

The Blood Donors program is just flying along with great leadership and the numbers are climbing every year. I hope the leaders stick around to help the next D.D.G.M. in this very important program.

Masonic Chip is up and running strong with the public's response surpassing all expectations. More interest from communities is coming in daily. The leadership and support group is fantastic. I hope the group stays together and keeps this program moving forward in positive way.

District Devine Service in May was very well attended with a 100 or more Masons in attendance. One of the most attended Devine Services in many years.

The Grand Master's visit was also well attended on both days and evenings.

In closing I'd like to say I am very proud of my District and all the Members. As a young man I didn't know what to expect going in, but am so extremely happy that I was given the opportunity to represent them. For that I'll always be grateful. I hope I made them proud.

Algoma East – 8 Lodges

R.W. Bro. Stephen J. Kovisto

Algoma East District is made up of 8 lodges spread over a vast geographical distance. During each official visit, I have found that attendance is about 20 -25% of the lodges membership but they participate with a genuine enthusiasm for the craft. All lodges have seen new members enter the craft; however, this is Northern Ontario where many of the communities are single resource communities with population and economies taking a hard hit everywhere. Financially, each lodge has found ways to operate without need to draw upon their savings. In general, harmony amongst the brethren and the practice of our rights and ceremonies has been delivered with proficiency and a genuine zeal for the fraternity.

Lorne Lodge #622 in Chislehurst has been struggling in recent times. However, with the Grand Masters encouragement and attendance at a lodge meeting and the Districts ongoing support, when we held the District's Lodge of Instruction, they have found a new reason for their Masonic life. I am witness to a spruced up lodge, their continued community involvement, and the return of absentee members. This bodes well for Lorne Lodge and their attempts to continue to practice Masonry into the future.

We find the programs, forms and materials posted on the Grand Lodge website and the material on the Computer Resources CD to be invaluable. It allows all district chairmen and brethren with access to the internet to get current information and forms. The use of computers helps narrow the vast distances the brethren face in this northern region of Ontario.

During my term as DDGM, I have introduced the Masoni-CHiP programme to the district and have made Masonic Education a priority. Our District chairman has compiled and distributed a handy CD disc of short masonic education pieces and a monthly email newsletter to be used by lodges who desire masonic education at meetings.

Finally, the highlight for the district has been the visit of the Grand Master not once but twice. He attended the districts reception and then paid a fraternal visit to Lorne Lodge in Chapleau. Thank you Grand Master for your words of encouragement and support for masons in Algoma East District.

Brant District – 13 Lodges

R.W. Bro. Stephen M. Dekruef

I'm happy to say that Brant District is on the mend! We are fortunate to have more lodges in our district with new members than lodges without as well as the Past Masters have risen to the challenge to mentor these young Master Masons to be the best they can be. Even though some of the Grand Lodge programs are not presented in their natural form they are starting with the basics. The lodges are working on the public awareness and the community involvement in the Pumpkinfest, Riverfest, Mothers Day-Fathers Day brunches, Blood Donors and the well received MasoniChip Programs. I believe that our lodges feel that if we can build on our membership through these things and that the Friend-to-Friend and Brother-to-Brother will flourish in the future.

The last year I've had the pleasure and honour to assist the presentation of many 50 and 60 year long service pins to the brethren in our district. Their remembrance and recollections of years gone by are a true inspiration to many in attendance. We also have had many Lewis Jewels presented this year showing that this fraternity truly is from generation to generation.

Our web master has been outstanding in keeping the events of the district current and up to date which helps the lodge stay informed. With this it keeps the attendance up and show the newer members that the district is there to support them in their journey.

The Master, Past Masters and Wardens Association is very strong and supports the lodges in every way possible. With their assistance they have given the aspiring District Deputy Grand Masters the tools needed in getting to know the process and knowledge required to benefit everyone involved. They also hold a Candidates Night where there is a question and answer period and they are allowed to give their views about Grand Lodge and running of it. A social time gives everyone an opportunity to judge if they are the right person for the job.

We strive to make this world a better place and with the members of Brant District were doing our part.

It's truly been a memorable year that I will cherish for years to come.

Bruce District – 12 Lodges

R.W. Bro. Robert P. Ruff

Bruce District continues to flourish, visitations are well supported by the District with an average of 75 at Official Visits. Our membership has increased, although we have lost a number of great Masons to the Grand Lodge above. The Lodges doing Degree work and the ritual have always been performed in an excellent manner. Finances vary from lodge to lodge although most are doing very well. The Mentors Program is used in guiding all new candidates. The CHIP Program is another great event in the District and promoted by many of the Lodges. A Lodge of Instruction in mid April was well attended by a great number from the District. A good attendance was held at the regional seminar in April for the F. To F. Mentor and B. To B. program. Bruce District along with North Huron District in September hosted the Masonic tent at the International Plowing Match at Teeswater. This was a tremendous success, for Masonry and both Districts. Bruce District holds a Degree in the Barn in mid September at the Out-Door Educational Centre at Oliphant and is well attended by the Grand Lodge Officers and Brethren within and outside the District.

October we have Pumpkin Fest at Port Elgin, this involves many Lodges and family members in promoting Masonry and the CHIP Program. February we hold a successful curling bonspiel. There are many Ladies Nights, Golf Tournaments, Christmas Dinners,

BBQ's Fish Fry and of course the Hanover Steak Fry in June. This year, I have given out 22 maple leaf pins to new candidates in the District, along with 25 yr, 50 yr, and 60 yr Service Awards. Many Lewis Jewels have also been presented to Brethren of the District. This has been a great honour and pleasure to attend these events and do the presentations. The year for me has been a great and wonderful experience, as all the Brethren have been encouraging and most helpful. I believe Bruce District has a positive out look that will keep the lodges healthy for many years to come.

Chatham District – 11 Lodges

R.W. Bro. Terry A. Maynard

Geographically Chatham District is located in South Western Ontario and is made up of 11 Lodges

The quality of work of the district ranges from good to excellent with improvement shown in some from the beginning of my term. I believe all Lodges to be financially stable at the present time although the difficult economic times of the present may have a bearing in the future.

Eight Lodges in the District saw an increase in new membership. I was pleased to be able to pin a Maple Leaf on 9 new members this year. However this tends to be offset by members taking demits to move to new employment and those passing to the Grand Lodge Above.

I was honoured this year to present four 60, and two 50 year jewels as well as Blood Donor recognition certificates ranging from first time donors to 200th donation.

The District hosted 2 Grand Lodge Seminars this year and I believe all who attended came away with a better understanding of the Masonic Foundation of Ontario, B2B, F2F, and Mentor programs.

We were pleased with the success of our first MasoniChip Day and are looking at scheduling another in the summer.

In March of this year our District hosted a Grand Master's Reception to welcome M.W. Brother Petrisor and Mary. We were very impressed with the support shown by Grand Lodge.

The District remains very good at supporting local community projects such as The Bruce B. Foster Foundation providing several \$1000 bursaries to needy students in post-secondary education, Chatham Care Bear Program for children caught in traumatizing situations, breakfast programs at local schools, and offsetting the cost of swimming programs for youth. Some individual Lodges continue to support local graduates with academic awards,, take part in, Remembrance Day Services, Christmas Parades as well as generally donating their time and talents to local charities and provide health care assists at no cost to those in need.

Chatham District strongly supports each other, apparent by their visitations at special nights and official visits and the harmony among the Lodges is enviable. I would, however, prefer to see more use made of Grand Lodge programs in some areas. Masonic Education is now the standard at every meeting in the district and is always well received.

The District Divine Service was well attended in April. I was very warmly received when visiting neighbouring districts and G.M.'s Receptions. This year has been the highlight of my Masonic career and I want to thank my family, Chatham District, my Lodge, and Grand Lodge for their support in order that I can look back on 2009 with pride.

Eastern District – 16 Lodges

R.W. Bro. J. Robert Cleary

Masonry and Brotherhood continue to flourish in Eastern District. Our Lodges continue to support each others' programs and those sponsored by the District Team and the Masonic Association of Eastern District. Renewed growth remains high on the agenda with 14 members being initiated this year. This brings to 57 the number of new members over the last 3 years and indicates that the future bodes well for Masonry in Eastern District.

District Programs, which have included MasoniCHIP Clinics, Lodges of Instruction, a District Divine Church and Remembrance Service, a Blood Donor Clinic and the Inaugural

District “Daylight” Lodge and Luncheon to assist our senior brethren, have all been successful.

Our District Project for “Prostate Cancer Research” has been a resounding success. With the financial support of our Brethren we have not only achieved but have greatly surpassed our projected goal and have more importantly, raised the awareness level of this deadly disease and the need for Testing Now!

The Masonic Association of Eastern District - Masonic Bursaries, supported by Duck Race Ticket sales, Donations and Brethren working at the Glengarry Highland Games, continue to assist our area students who are continuing their education at the Post Secondary Level. Our District website easterndistrictmasons.com continues to keep the Brethren and Visitors well informed of the work of our Lodges and our District activities.

Although some financial or attendance issues continue to hamper a few Lodges, I am confident that through personal contact, good programming and sound planning, along with the support of our District Brethren, that those Lodges involved will improve.

Thank you for supporting your District my Brethren and “so may it continue until time shall be no more”.

Erie District – 8 Lodges

R.W. Bro. Roger A. Reid

Masonry among the eight (8) Lodges in the southernmost district in Ontario is alive and surviving. This part of the province has been hit hard with the current economic downturn and consequently we have brethren who have had to make a tough decision to leave the area for employment. Consequently, membership in the district has suffered.

On a positive note, the district lodges are alive and vibrant with good to excellent ritual work being performed.

The district committee chairmen must be congratulated on their successes this year. The blood donor numbers continue to exceed our expectations. Our MasoniChIP program was successful in identifying 219 children and adults during two (2) events this year. Three more MasoniChIP days are scheduled this year. The masons and their families, who have volunteered their time, need to be commended for their contributions to this program.

Combined district presentations were attended by both Windsor and Erie districts on the Brother to Brother, Friend to Friend/Mentor, and Masonic Benevolence programs over the past year. These programs were embraced by the brethren and “the seeds have now been sown”. Many thanks to the brethren who gave up their personal time to travel to our district and present these programs.

Many highlights were recorded the past year in Erie district. A Lewis Jewel presentation night in Leamington for 25 masons was witnessed by their families and friends. Over 150 people filled the lodge room. An evening of great excitement and pride to all who attended. A 70 year pin was presented to a very active mason in Tilbury who still attends all meetings. Several 50 year pin presentations have also occurred throughout Erie. Lastly, the brethren of Erie witnessed a William Mercer Wilson award presentation along with a 50 year pin to Bro. Jack Spence of Central Lodge. A very emotional evening by all who witnessed the presentation by our Grand Master. We are very proud of your accomplishments Bro. Spence.

At this time, I would like to thank all brethren of Erie district who have worked tirelessly to ensure the future existence of our lodges. The “passion of the craft” shown by all members indicates that Masonry will continue to thrive in Erie district.

Frontenac District – 16 Lodges

R.W. Bro. David J. Quinn

The world marches on. Each day our eyes and ears are subjected to an assault of reports on war, natural disasters, abducted children, violent crimes and economic collapse from media outlets which operate 24/7 disseminating information on the ills and woes which mankind is subjected to. One has to dig deep to find the good. This is a skewed view. The vast majority of people are good and endeavour each day to live in harmony with each other and to bring comfort and assistance to those around them. This more accurate perspective is exemplified by our gentle fraternity and the brethren of Frontenac District.

Numbers and figures provide valuable information but care must be taken to ensure that the human element is not obscured in the analysis. An entire separate volume of the Proceedings could be published on the acts of kindness, the unselfish devotion, the timeless dedication and the efforts to improve our fraternity which have been exhibited by the brethren of Frontenac District. The brethren have without exception treating Nadine and me with the utmost respect and graciousness but of greater consequence is that they have done so to each other.

All sixteen lodges can be characterized as being stable to hale and robust. Those with challenges have identified them and have implemented rectifying measures.

A new Masonic concept has been introduced in our jurisdiction with the consecration of Templum Fidelis Lodge in Frontenac District. This lodge adheres to the traditional observance format. I encourage all brethren to learn more about his bold and stimulating initiative at www.templumfidelis.com.

Having St. Andrews Lodge number 597 and Maple Leaf Lodge number 119 celebrate 100 and 150 years respectively along with many 50 and 25 year pins. Grand Lodge certificates, picnics, BBQ's, Ladies nights, dances, banquets, Lewis Jewels, music, orange suspenders, some haggis and a 1000 Island cruise have made for many joyous times.

Thank you to the brethren of Grand Lodge, Frontenac District and Queen's Lodge for a year which allowed me to learn the meaning of honour in service.

Georgian North District – 10 Lodges

R.W. Bro. John J. Demerse

The beginning of our Masonic year in Georgian North began with an amalgamation of Earl Kitchener Lodge No. 538, Midland and Georgian Lodge No. 348, Midland and dedicated as Huronia Lodge No. 348 on September 23, 2008, officiated by our Grand Master M.W. Bro. Allan J. Petrisor.

We are now down to 10 active lodges within our district and from my observations during my official visits and installations the state of masonry appears to be on the upswing. We have seen a substantial increase in new membership and affiliations.

My main concern is that one or two of our smaller lodges might not be able to keep pace as they are limited, population wise, to attract new members.

The Brother to Brother and mentor programmes will definitely assist the smaller lodges in attracting new members and retaining present ones.

Ritual in the lodges is being carried out in a very satisfactory manner, and most lodges have masonic education topics presented when degree work is not being performed. This is a very excellent manner in which to keep the interest alive in the lodges.

Finances, lodge buildings, regalia, all seem to be in very good condition.

Installations throughout the district have shown me that the excellent qualities of those masons progressing through the chairs will definitely allow our district to remain strong within for a considerable length of time.

My heartfelt thanks to all those brethren who joined with me on my official visits and installations and supported me throughout my year as your DDGM, and a special thank you to our District Secretary W. Bro. Brian Johnson for all he has done to make my term the success it has been.

My journey as your DDGM has been rewarding, enjoyable, fruitful, and most certainly can be described as a labour of love.

Georgian South District – 10 Lodges

R.W. Bro. James R. Terry

Georgian South District covers an area from the City of Barrie to the North, Lake Simcoe to the East, the town of Tottenham to the South and the town of Creemore to the West. Georgian South is comprised of 10 lodges representing over 1100 Masons. The number of masons in the district has been fairly consistent for the past few years although it is noted there is a slight decline in membership.

The District Project for Georgian South this year was to raise funds for the texts and training of tutors for the Scottish Rite Learning Centre-Barrie. The purpose of the Learning

Centre is to assist children in overcoming dyslexia. This Centre is being established in the Masonic Building at 99 Morrow Road in the city of Barrie.

Many of the Lodges in Georgian South are active in community activities such as blood donor clinics, highway cleanup programs as well as several events that involve family and friends such as BBQ's and Holiday celebrations.

Some new events were initiated in the district this year, including the launching of the MasoniChIP program. This program has been enthusiastically embraced by the Lodges of Georgian South with a minimum of four events have either ran or are scheduled. There is also a Masonic motorcycle ride planned to raise funds for the District Project.

The condition of Masonry is well in the district and, although the total number of Masons appears to be down slightly this year, much of this may be explained by several Lodges purging brethren from the membership for non-payment of dues. In some cases these were several years overdue.

There is a growing number of young and enthusiastic Masons being initiated in the District which bodes well for the future.

Grey District – 12 Lodges

R.W. Bro. Merlyn J. Nicholson

Our area is widespread and contains 12 Lodges, The Two Lodges in Owen Sound and those in Meaford, Orangeville and Mount Forest and Shelburne are in the 100 membership or better range and are progressive, active and growing, sometimes in spurts but generally steady and with good participation and progressive officers in the chairs, Very few past masters are in the chairs and with good attendance at the meetings. The six smaller lodges are financially OK, but are constantly recycling Past Grand lodge officers and past masters into their officers chairs on a regular basis, this is neither productive or of good standing for the future of the lodge.

The lodges that are progressive, take advantage of the Lodge programmes and use the Friend to Friend, and Mentor programmes, and are very visible in their areas. By these they attract new members and remain viable. They participate in their communities.

The C.H.I.P. programme appears to be growing and is being well received through out the District.

The District Functions, the Curling Bonspiel, Golf tournament, Ladies Night and Divine Service are well attended, with good fellowship and camaraderie, unfortunately it is usually the same members in attendance.

How do we get members to attend Lodge and the Functions? These are the problems that seem to plague us all. It does not matter what the age, if members appear one or twice a year they seem to feel they have done their duty, how do we change this approach and attitude. We must work at attracting not only new members but retaining and getting participation from our senior members.

Our District, in general is in good financial shape. However we must be vigilante and work at being progressive, active in our communities, and visible to our fellow citizens. By participation we will GET participation.

Hamilton District A – 14 Lodges

R.W. Bro. Peter A. Lyles

It has been an Honour and a privilege to serve as District Deputy Grand Master representing Hamilton District A. As reported by my predecessors, Masonry in the district is alive and well but much more effort is needed to improve on the status quo. Lodge room ritual is generally of a high standard with a few variations needing correction.

As of 30th May 2009, all 14 Official Visits have been conducted with 2 installations scheduled for June 2009. Reports returned from the 14 Lodges show that only 4 Lodges are actively using the B2B, F2F and Mentor programs promoted by Grand Lodge, whilst the remaining lodges do use their own home grown programs in lieu of the Grand Lodge promotions. Overall the District membership is still declining from 1628 in 2003 to 1441 at present, and whilst some Lodges are enjoying resurgence in applications for membership other Lodges seem to be unable to attract new members or applications.

The Master's and Wardens Association together with the Past Master's Association from the three combined Hamilton Districts continue to provide educational material by promoting Grand Lodge programs such as Protocol and Etiquette, Deacons Floor work and Officer Progression. More effort is needed to improve attendance at these seminars.

The support for the DDGM at this official visits has been excellent with total attendance ranging from 52 to 87. The Tyler's reports however show the true picture where average lodge meeting attendance is in the range of 18 to 39 for members and officers combined. Support for the fall and spring Divine Services need to be improved.

Hamilton District A is promoting and supporting the Grand Lodge MasoniChIP program through clinics at various events throughout the district, such as fall fairs, local festivals etc and through fund raising (\$550.00) Several clinics have been held and more are planned continuing into the year 2010.

I has been my pleasure to present four 50 year Masonic pins and participate in the presentation of 20 Bursary cheques to needy students at Sheridan College Trafalgar and Davis Campuses.

Hamilton District B – 12 Lodges

R.W. Bro. Robert A. Forbes

The District consists of twelve Lodges; seven lodges meeting at the Masonic Centre, the Hillcrest Temple on Hamilton Mountain and at the Masonic Temple in Stoney Creek; the other five lodges meeting in Binbrook, Grimsby, Caledonia and Abingdon.

The largest achievement was the District wide Open House held in October. The attendance was overwhelming, with over seventy visitors. Thirty Applications were sent home with twenty eight being returned for processing. During this year every lodge has been busy with degree work, with a couple lodges doing double and triple initiations.

The quality of the ritual work was very good. Lodge Masters were asked to have the new Master Masons perform small pieces of the ritual. This was done and the new members are so proud of the contribution they are giving to the lodge. It is not uncommon on any given night, to see brethren from other lodges doing ritual outside their own lodge.

The DDGM project for the year was the Nutrition Program in the public schools to ensure every child has a breakfast and lunch.

All the lodges financially and physically support the Canadian Blood Services. In conjunction with this, the District has signed up with Partners for Life.

This is the first year that the District has had a representative to work with Hamilton Districts "A" and "C" on the MasoniChIP program.

It is preferred that Lodges considering a candidate for the Office of District Deputy Grand Master, propose the name of the individual at least three years in advance, so that, that person may have an opportunity to serve as a District Officer. Candidates for the Office of District Deputy Grand Master will attend necessary seminars and complete the DDGM correspondence course provided by Grand Lodge at least two years prior to them taking office.

Hamilton District C – 14 Lodges

R.W. Bro. Thomas R. Marshall

The 14 lodges in Hamilton District 'C' offers a flavour of both the fast pace city life with the modern lodge and banquet rooms to the more relaxed rural or country atmosphere where the lodge buildings are smaller and more historical. However, regardless of which lodge or location for the meeting or whether it was an official or fraternal visit, one thing was common; the warmth, friendliness, respect, and brotherly love shown by the brethren. For this, I am sincerely grateful. In addition, I extend a thank you to the District Secretary, W. Bro. Dan Devison for his support, hard work, and dedication to the office. The successes of any District and District Deputy is a result of the work put forth by the District Team and I congratulate the District Officers and Chairmen for all their efforts. As my life is a work in progress, so it is with District 'C'. Even though our ritual work, protocol, and etiquette meets the standards from Grand Lodge, there is always room for improvement and through our unity and diversity we will strive to improve.

Two lodges in the District have reach milestones and I congratulate Valley Lodge No. 100 for their service to the craft for 150 years and to The Electric Lodge No. 495 for attaining 100 years. I have also had the privilege of being involved in several pin presentations to recognize Masonic service for members who have reached the plateau of 60, 50, or 25 years. In addition there was a 50 year Past Master pin and numerous Lewis Jewels presented. I congratulate all those recipients.

The masons of District 'C' continue to be committed, involved, and visible in our community. Our partnership with Canadian Blood Services to support their clinics both financially and with time and labour is growing, we have been invited back to hold another MasoniChIP event at the fall fair, and our District Deputy's Charity Project to support Student Nutrition Programs in the Hamilton area schools will raise more than \$8000 before my term is complete. There are of course many other events, activities, and charities that the individual lodges and masons are involved with on a more local level and I commend them for their work.

Masonry is alive and well in Hamilton District 'C' and as a group we will continue to support and encourage each other and strive for excellence. Thank you to all the brethren for your support and allowing me to serve as your District Deputy Grand Master.

London East District – 14 Lodges

R.W. Bro. Robert E. Parker

London East District, after a time of some complacency, appears to be entering into a restoration or revival period of its life-cycle. Although several Lodges have seen many of their more prominent members called to the Grand Lodge above, there has also been quite an increase in the number of new Masons being initiated into almost every Lodge in the District. Each of the Lodges maintain prominent "cores" of hardworking and dedicated brethren, but the effects of the several "membership tools" provided by Grand Lodge over the past few years seems finally to be bearing some rewards. It is to be hoped that this infusion of new members can be transformed into increased officer pools, expanded lodge activities and more enhanced social functions.

The quality of the Masonic "work and ritual" throughout the District seems to be making positive strides as well. The stronger Lodges continue to deliver top-notch work - due mainly, I'm sure, to repetitive but productive rehearsals; while the others tend to be picking up their lever of work on their own or importing some expertise from other lodges or ritualistic sources such as the Mocha Alumni. London East District has a very proud Masonic past and it is good to see that its leaders are still concerned with delivering the work the way it has and should be done.

The vast majority of Lodges are constantly involved in various community programs and initiatives. Several successful MasoniChIP events were sponsored and staffed by many of the Lodges in and around London. All Lodges supported the Canadian Blood Services and contributed to the London Food Bank Drive. Many funded local education bursaries and charities, while others took on projects such as road clean-ups, community improvement activities and providing proper benevolence when requested and required. The Districts endeavours received public exposure at several local fairs, public gatherings, fund raisers and parades in the area as well as at the Combined District Divine Service held at St. Paul's Cathedral in London. Several of the rural Lodges also held their own local Divine Services and all were well attended.

London East District appears to have turned the corner and its future seems quite optimistic. Not all of the problems and concerns have been solved completely but all Lodges appear to be ready, willing and eager to co-operate and work hard at keeping this District at or near the top province-wide.

London West District – 13 Lodges

R.W. Bro. J. Ronald Brewé

The overall condition of Masonry in the London West District generally speaking is fairly good. There is no doubt we have a few Lodges struggling with membership and attendance to the extent that one lodge never knows if they will have a quorum to open lodge.

The London West District is composed of 13 Lodges. They meet as follows: 6 in the Masonic Hall in London, 1 in the Village of Mt Brydges, 2 in Byron (ex suburb), 2 Lambeth (ex suburb) and 2 in Lobo, West of London. The Lodge buildings are all in good condition and well maintained. Financially all of the Lodges are in good condition to carry on. New life memberships are disappearing in most of the Lodges in the London West District.

The work being done in the Lodges during my visits has ranged from good to excellent. (The 2008 Book of the work and 2008 Constitution are being used.) In many cases I am seeing the younger members taking a leading role in the running of their Lodges.

Our inter lodge Masonic Education is still operating. This consist of the Masonic Education Chairman of the London East and West District making a list each year of which Lodge will visit who to present their Masonic Education. The Education Chairman is usually accompanied with several members of his Lodge.

Our District is still involved Community Programs, they are as follows: Blood donor clinics and personal donations are very strong in the East and West Districts. The next gaining popularity is the MasonicChIP Program. The East and West Districts are involved in these clinics on a regular basis. Highway clean-ups with signs stating the name of the Lodge doing the clean-ups. Other visibility of Masonic functions are Floats at Fall Fairs and Remembrance Day, both in regalia for the public to

As my time as your representative to the Grand Master, draws to a close, I wish to thank each and every member of the London West District for the warmth and friendliness you have shown me this year. From Kay and I wish you all the best as you continue your Masonic careers.

Muskoka-Parry Sound District – 8 Lodges

R.W. Bro. Gerald A. Stillar

I would like to thank Muskoka Parry Sound District for the privilege of representing you as District Deputy; it has been a busy but very rewarding year. I have had the opportunity to present a fifty year pin, sixty year pin and was present to assist the Grand Master in presenting a William Mercer Wilson Medal to Brother William Shea of Muskoka Lodge No. 360.

We have carried on the tradition of presenting the newly initiated brethren with a Masonic maple leaf pin, throughout the year I had the privilege to present eighteen of these pins.

I can't thank W Bro. Bill South enough for his assistance and companionship throughout the year. Many thanks to the mentors, R.W.Bro. Harold Johnson, V.W.Bro. Bob Romberg, and V.W.Bro. Iain Wates for their assistance and support this year.

The ritual work and the mechanics throughout our district for the most part was very well done. Most of the lodges are strong and vibrant however a couple are experiencing a little difficulty. The lodges in difficulty generally are in a position of having to recycle officers. These lodges demonstrate a lack of enthusiasm and fail to take advantage of the programs available to them through Grand Lodge. I have tried to stress at the official visits that exposure to masonry to the community will benefit their lodge and Muskoka Parry Sound.

In summary Muskoka Parry Sound continues to exemplify the genuine principals of masonry and with growing membership and excitement developed through community involvement, I see nothing but good things for Muskoka Parry Sound District.

To have the opportunity to be the representative of the Grand Master for Muskoka Parry Sound has been a tremendous honour.

Niagara District A – 15 Lodges

R.W. Bro. John M. Quinn

I'm proud to say that Masonry is alive and well in Niagara "A". All lodges have a solid core of active Past Masters, officers and members who are dedicated to looking after the welfare of their lodge. Most lodges are busy conferring degrees and I've noticed that a lot of their new Masons are quite youthful, which bodes well for our future.

One common thread that a lot of the lodges share is difficulty in recruiting officers and they are recycling Past Masters to fill various chairs. Out of 15 lodges, only 7 have Worshipful master serving their first term.

A majority of the lodges are vibrant and healthy, but there are a couple that concern me and one in particular is on a bit of a slippery slope. While they have a dedicated core of Past Masters trying to valiantly to turn around their fortunes, there have been occasions when they could not open due to lack of a quorum.

Most lodges are well known within their community and are involved with local charities. The lodges have also responded very well to this year's fundraising project, the Red Roof Retreat, which offers summer camp activities and respite care for physically and mentally challenged children. It is through the support of the Niagara brethren that we are on track to exceed last year's total of almost \$14,000.00

For the most part this year has been uneventful, but we have suffered losses of some highly respected brethren and past Grand Lodge officers. Perhaps the most significant loss was the Dean of Masonry in Niagara, R.W. Bro. Dr. Charles Sankey who was in his 104th year.

It has been an extreme pleasure for me to serve this year as your D.D.G.M. and I thank all of you for the support you have given me. I have always been proud to be a Mason, but I don't know when I have been more proud.

Niagara District B – 8 Lodges

R.W. Bro. Douglas G. M. Lauder

Eight Lodges in the district perform the work very well with two of the eight being outstanding. Three need to consider elevating their work ethic as at times some of the officers took their performance too lightly. Protocol in every Lodge is observed with reverence in the Lodge room and also at the festive board with proper introductions, head table seating, toasts and replies to toasts being done in an excellent manner.

Membership in all Lodges is good but actual attendance in two is not very good at all. They both have to make an effort to revitalize their Lodges in such a way as to draw the members back out who have not been attending and also to have the candidates interested enough in Lodge activities so they keep returning and taking part in each meeting regarding ceremonies and business.

The finances of every Lodge are in good order and none are in requirement of assistance from Grand Lodge. For whatever reason Grand Lodge programs are not being utilized in the district as much as they could or should be. Some Lodges take it upon themselves, with the guidance of their elder statesmen, to institute these programs on their own while other Lodges seem to believe that they are doing fine and do not require any assistance. These Lodges have to be convinced that these programs DO work and it would be to their advantage to incorporate them for the benefit of the members of their Lodge.

Every Lodge in the district is involved in their respective community in one way or another and all are doing their part and every one is to be commended. A couple of Lodges have active Lodge Range Planning committees addressing the issue and others are very concerned for their own welfare and are taking steps to keep their respective Lodges moving forward with dedication and zeal.

To improve the district overall I believe that first and foremost each Lodge has to look to itself and seriously address the issues that are and could be of concern and detriment to themselves.

The district as a whole is very, very good as we have seen Cope-Stone and Phoenix members back out in the district; visitation is up; Brethren visiting to and from the United

States; and visitation to and from Niagara A District has seen a substantial increase from years past.

Nipissing East District – 7 Lodges

R.W. Bro. John C. Anderson

The District is divided geographically with 4 lodges in the South and 3 lodges in the North. The unity between the Lodges is supported through the visitations of a District Travelling Gavel, Social Events-Annual Fish Fries, Golf Tournaments, BBQ's. Each Lodge holds and supports a Memorial Service in November for those who have died in war and or have passed on to the Grand Lodge Above during the previous year.

The Masonic Ritual Work, when presented within the District, is of a good quality. The Sturgeon Falls Lodge No. 447 hosted an Orientation Session for the prospective DDGM's of Nipissing East District and surrounding districts and it was well attended. The Grand Lodge Program-MasonicChip was hosted by the Elk Lake Lodge No. 507 brethren and it gathered local support. A Grand Lodge Brother to Brother Session was held at the North Bay Lodge Building this Spring and it was an inspiration to the members. The newly initiated Nipissing East District Web Page, will be the voice and sounding board of the district Lodges. They can now expand upon their individual History and explain their present projects where "Masonry Can Make A Difference". The District Divine Service, held on Sunday the weekend of The Valley of North Bay Scottish Rite Spring Reunion, was well attended. The Finances of the 7 Lodges are good and their individual Long Range Plans are in constant review. The District Lodges are well maintained and their upkeep is good. Ongoing plans to co-host the Masonic portion of The International Plowing Match, that will be held at Englehart, Ontario between the 22nd - 27th September 2009, have been formalized. It is expected the Grand Master, and Masons from throughout Ontario, will be in attendance. The single most memorable event this year was the 100 Anniversary of Silver Lodge No. 486. The Grand Master Allan J. Petrisor presented the Master, Wardens and Officers of the Lodge with their Gold Regalia. The reception and banquet that followed, and the guided tour of Cobalt Ontario by W. Bro. Douglas Shearer Master of Silver Lodge the next day, was excellent. Silver was turned to Gold that day.

The Masons of this District have weathered declining attendance and in some cases declining membership but through District visitations and the Grand Lodge Programs positive expectations will be realized. The District Long Range Plan Toward sustain ability, through the newly created District Web Page – (<http://nipissingeastdistrict.com>) and the Grand Lodge Program - Brother to Brother which will soon be in the hands of my replacement, are expected to be nurtured and expanded upon. I would like to thank W. Bro. William Pickard – Nipissing East District Secretary and the District brethren who have supported me in my duties. It has been an honour to have served you.

North Huron District – 11 Lodges

R.W. Bro. John C. Carswell

The principal efforts of the past D.D.G.M. in forming the Master and Wardens Association last year are showing great improvement in strengthening the communications structure among the lodges in the district.

The Masonic Education chairman has done an excellent job in promoting Masonic education in all of the lodges, and ensuring proper protocol and etiquette were at the forefront of his presentations.

In September of 2008, the lodges were quire involved with the International Ploughing Match, with a Masonic booth housing the CHIP programme on the Saturday, and a Meet and Greet with the Grand Master, which was a much appreciated highlight. The Grand Master was also present for the presentation of two Fifty Year Pins to R.W. Brother Mac Inglis, and R. W. Brother Stewart Rolly, with a large number in attendance

The District Divine Service which was held at the Teeswater United Church on April 26, 2009, had an attendance of over one hundred guests, which showed that Masonry is alive and well in North Huron District.

The workshop of the Lodge Resource Overview session conducted by V.W. Brother Ian Wates, was a great benefit of resourceful information for the lodges in the district.

There has been a good turn out at all of my D.D.G.M. official visits. With good representation of the Masters of the district being present as well as good support from other Grand Lodge Officers and those from the Board of General Purposes.

On March 21, the district held its annual curling bonspiel. The day was filled with good fellowship and two full draws, with sixteen rinks entered.

During the year there were twelve fifty year pins, and 2 sixty year pins, as well as six Lewis Jewels presented in the district.

The condition of Masonry in North Huron continues to be stable for the most part, and where lodges are struggling the Worshipful Masters and brethren are committed to putting forth the extra effort required to rectify the situation and ensure that a viable Masonic Lodge will remain in their communities.

Ontario District – 15 Lodges

R.W. Bro. Blain R. Moffat

The fifteen lodges of Ontario District provide a harmonious membership blend of small rural lodges (50+ members) and larger city lodges (125-200 members). All lodges within the District are blessed with a core group of dedicated officers, Past Masters, long-time members and inquisitive young members working tirelessly to ensure the future success of Freemasonry.

A genuine atmosphere of supportive co-operation is displayed within the District as all special events are well attended and lodges regularly share available candidates and degree participants. The quality of ritual work continues to be of primary importance in all lodges with many new Masons actively participating and assuming lodge officer duties.

Throughout the year three particular items have been regularly brought to the attention of the District membership: Firstly, to ensure that all lodges are indeed places of harmonious co-operation. Lodges are encouraged to exhibit an atmosphere of fun while at the same time maintaining the tradition of properly prepared, meaningful ritual. Every effort should be made to leave the stress of everyday life behind when entering the lodge. Secondly, an effort was made to actively promote the limitless opportunities available upon utilization of the Grand Lodge Programs. The three District Lodges of Instruction also served to reinforce the importance of these programs with presentations being made by F2F/Mentors, B2B, Officer Progression and Protocol /Etiquette committee members. Thirdly, to endeavour to support the MasoniChIP, Ontario program not only financially but also labouring to host clinics for the benefit of their communities.

It appears Ontario District may be entering a period of re-growth, as all lodges are receiving membership applications. This trend has slowed the membership decline and a serious examination of demit and suspension issues could halt it completely.

As in past years, faithful support by the membership has ensured the realization of the District Project Goal. This year's project was to raise \$10,000.00 for MasoniChIP, Ontario equipment and supplies.

On April 19, 2009 the District membership and their families were welcomed by the congregation of the Orono United Church and invited to participate in the proceedings of the regular morning service. The District masons and their families were treated to a free breakfast prior to the Divine Service. Following the time of worship the church family provided light refreshments for all present.

Throughout the year I have had the pleasure and privilege of participating in the presentation of many long service pins, 25, 50 and 60 years a Mason as well as a 50 years a Past Master. Having the privilege of presenting V. W. Bro. Robert J. Croft with his certificate – Fellow of the College of Freemasonry – was a highlight of the Masonic year.

A definite sense of pride and determination exists within Ontario District and I am certain this personal drive will prepare the Lodges to meet the future head-on.

I wish to express my gratitude to Ontario District for the manner in which I have been received and the courtesies extended to the District Secretary and me.

It has been an honour to represent the Grand Master, M. W. Bro. Allan J. Petrisor, within Ontario District and I thank you sincerely for the opportunity.

Ottawa District 1 – 15 Lodges

R.W. Bro. Dave A. Ganderton

The condition of Masonry in Ottawa District 1 is “very good” with a total membership of 1,330, consisting of urban and rural Lodges. The Lodges are supported by a dedicated group of Masters, Past Masters and Wardens who continue to contribute the additional effort to achieve the level of success the Lodges have earned and enjoy. Although most District Lodges have had several initiations and the follow-on degrees, a couple of the smaller Lodges have been challenged to attract new members. Sadly, one Lodge was forced to suspend several members despite all the appropriate administrative steps to facilitate and encourage their continued participation. This Lodge is certainly now in a state of risk and may need assistance.

It has been my honour to present many Service Pins to brethren of Ottawa District 1 with the most memorable being a 70 year Pin and a 60 year Past Master Pin to W. Bro. Thomas Allan Brown of Goodwood Lodge. The Grand Master, M.W. Bro. Allan J. Petrisor, visited the District on several occasions and presented the William Mercer Wilson Medal to Bro. Robbie David of Civil Service Lodge, 10 March 09. I consider this to be the highlight of my year with the Deputy Grand Master, R.W. Bro. Ray Daniels, Past Grand Master, M.W. Bro. Donald Mumby and Past Grand Master, Prince Hall Grand Lodge of Ontario, M.W. Bro. Welsford A. R. Daniels, along with 200 Masons and friends also in attendance.

The Valentine Charity Ball continues to be a significant combine Ottawa Districts charity focused fundraiser, the Starlight Starbright Children’s Foundation being the selected charity in District 1. The Ottawa Districts held a combined Divine Service with Rabbi Reuven Bulka, a well-known local radio host, as the distinguished guest speaker. The shared service was a very enjoyable opportunity to worship and fellowship together with our families.

My thanks to all District Officers for their support and a special thank you to our District Secretary, W. Bro. Allan Quinn for his outstanding dedication and contribution. It has been both an honour and a most memorable and enjoyable journey to serve as the Grand Master’s representative in Ottawa this year. The Ottawa District 1 slogan for this year is:

“A LODGE ALIVE IS WORTH THE DRIVE! SEE YOU IN LODGE”

Ottawa District 2 – 14 Lodges

R.W. Bro. Peter G. Harbert

Ottawa District 2 is made up of 14 Lodges, eight of which are within the City of Ottawa and the other six spread up the Ottawa and Bonnechere Valleys in the smaller communities of Arnprior, Renfrew, Cobden, Pembroke and Eganville. The city Lodges share two Masonic buildings with a comparable number of Lodges from Ottawa District 1 in each.

I emphasized communications this year sending out email notices in advance of Official Visits, issuing D.D.G.M.’s Monthly Messages and maintaining our easy to navigate web page with up-to-date information. The result of better communication has been a noticeable increase in attendance at Official Visits, in particular at the Country Lodges.

The District hosted a Lodge Resources Seminar that provided the attendees with an excellent overview of the Masonic Leadership, Mentors, Brother-to-Brother, Friend-to-Friend and Protocol & Etiquette programs. The most important factor of the Seminar was the number of young Brethren 40 or under in attendance.

Ottawa District 2 cooperated with Ottawa District 1 in three major events: the Valentines Ball that through a silent auction raised over \$7500.00 for the two District charity projects; a Divine Service that filled the church and provided about \$350.00 for each charity; and an excellent, well attended Grand Master’s Reception in Pembroke.

The Country Lodges organize an annual Upper Ottawa Valley Gala. This Year Pembroke Lodge was the host and combined it with their annual Robbie Burns Night. The successful Gala was well attended by members from both the City and Country Lodges.

The one key concern is the waning membership. With the exception of 2 lodges that are holding even and 1 that showed a small increase the other 11 Lodges reported a reduction in membership numbers. This is primarily due to an aging membership. I do not believe that we have reached the low point and membership numbers will continue to drop; however, it has been encouraging to see the number of applications for initiation that have been received from young men 35 and under.

This has been a rewarding year and I thank the Lodges of Ottawa District 2 for their support.

Peterborough District – 11 Lodges

R.W. Bro. Robert C. McBride

From the beginning I was faced with the challenge of some Lodges not being aware how tenuous a position the District was facing nor how the future of the District was affected relative to Lodge membership.

I have been shown the utmost courteous and respect by all Lodges and will never forget the brotherly manner in which I was received by each Lodge I would be most negligent should I not express my deep thanks to the PDMA and to my mother Lodge, Corinthian Lodge No. 101 for their generous support.

The idea of each Lodge accepting and then carrying out a project of its own to the benefit of its immediate area thereby making the community aware of its involvement and achievement was, as the year progressed, enthusiastically received and supported. Beneficiaries from individual Lodge efforts have included the Campbellford Memorial Catscan fundraising which 4 Lodges supported; Peterborough Food Share; Families First; 5 counties Children's Centre; Millbrook Medical Centre, and Lakefield Food Bank. W. Bro. Andy Stevenson produced a Pocket Calendar the proceeds of which were donated to the DDGM's choice of charity, the Fetal Alcohol Spectrum Disorder support group.

Each Lodge in Peterborough District is to be congratulated on its adherence to this Grand Jurisdictions principals and ritual. The District Secretary, W. Bro. Barry Maddock and I have experienced complete cooperation when carrying out our duties of inspection.

Fortunately, I am certain with the Great Architect's assistance, Lodges deemed "in trouble" at the beginning of my term began to turn around and see some advancement. Given the degree of progress it could well mean that the Lodges in question, Corinthian No. 101 and Norwood No. 223, might see a renewal which will result in the betterment of the health of the District.

Prince Edward District – 13 Lodges

R.W. Bro. Richard D. Burden

The District really supported the D.D.G.M.'S theme this year which was "Pride in Prince Edward" they seemed to accept it with great enthusiasm which can be observed when you look at a lot of the summonses, you will see that particular phrase mentioned. The District project was MasoniChIP child identification program and was also very well received by the Masons of the District, their Pride was certainly exemplified when they turned out in large numbers to assist with the clinics.

Special District events included the installation of Worshipful Bro. Don Gillis of Madoc-Marmora-Tweed Lodge No. 48 in Madoc which was attended by the Grand Master. The District reception for the Grand Master in which all 13 Masters of the District were in attendance and two hundred and eleven Masons attended. A live auction was held during the Grand Masters reception and all money raised went towards our District Project which was to raise enough money to purchase three child ID machines. During my Official visit to The Belleville Temple Lodge No. 123 R.W. Bro. Raymond Gunsolus was honoured and recognized for his achievement on having been recognized 55 years as a Past Grand Senior Warden, there were many family and friends in attendance during the banquet hour where the presentations and recognitions were presented.

Lake Lodge in Ameliasburgh celebrated it's 140th Anniversary on May 30th with many dignitaries making presentations at the museum and also at the lodge, a MasoniChIP clinic was also held in conjunction with all of the other activities of the day. A District Ladies night

sponsored by the Past Masters, Masters and Wardens Association held at the Officers Mess at CFB Trenton was also a huge success. Our District Divine service held on May 3 at Consecon United church was well attended.

Our District was privileged to present five Bursaries to deserving graduating students of Loyalist College, which will assist them in their future avocations.

We focused a lot of attention this year on positive publicity regarding the news media either through local newspaper or on the radio trying to make the public more aware of the good that Masons are doing. Our District project was very beneficial regarding this positive attention given to us by the local media, in today's world we need all the positive light possible to make Masonry all that it should be.

St. Lawrence District – 17 Lodges

R.W. Bro. Lorne D. MacDonald

It has been stated that the St. Lawrence District has long been known as one of the most productive Districts when it comes to charitable projects. This year is no exception.

The DDGM's ladies night and CHEO fundraiser held on May 16th, 2009, was well attended by 154 people at the Glen House near Rockport Ontario. The funds generated from this event were in excess of \$ 10,000.00 with other lodges donations of over \$ 6,000.00 totalling over \$ 16,000.00.

The DGM and his lady were gracious in attending this Ladies night.

The DDGM's charity is registered with the Masonic Foundation with a charitable project number 2374.

The District Divine Church service was held on October 19th, 2008 with 75 masons and family attending. The District piper piped the lodge officers into the church and a humorous sermon was conducted by the District Chaplain with assistance from the minister of the United Church in

Mallorytown.

The Masonic Association officers were all very influential in organizing the Grand Master's banquet held in Prescott on April 4th, 2009. This event was held in conjunction with the 150th anniversary of Central Lodge # 110.

The Blood Donor Chairman has reported that the Blood donor clinic was well attended, but the numbers are misleading due to the many changes that the CBS are incorporating into their reporting system; the new system we will be able to ascertain the number of donors from each lodge and each district in Ontario each time a registered donor donates blood. We agreed to do two clinics per year.

The Masonic quiz, the Curling Bonspiel and CHIP clinics are being well attended.

The Quarry Lodge is being held on June 13th, 2009. All are welcome.

Two lodges are receiving support to help plan their future, the rest range from satisfactory to very good. I have emphasized that all lodges use the G.L programs.

I thank the St. Lawrence District brethren for their support.

St. Thomas District – 10 Lodges

R.W. Bro. John R. Johnston

The quality of work in the St. Thomas District ranges from excellent to fair, with improvements to all of the work. There has been a great improvement made by all of the lodges to protocol and proper etiquette. This was a result of a Workshop put on by the P & E Team of the Grand Lodge Resources Committee. This was a presentation that was informative and well attended, 75 plus masons from St. Thomas as well as surrounding districts.

There are 14 new masons in the district this year. Welcome to the St. Thomas District Brethren.

There are a number of brethren who are waiting to be raised to Master Masons and I encourage the incoming Masters to attend to this issue as these brethren are the future and life blood of your lodge.

The Finances of the lodges for the most part are getting by from year to year. To my knowledge the lodges are at present able to make the required Grand Lodge and District

assessments. The district chairman of finance/long range planning reported that more can and should be done in this area to ensure the future viability of the lodges.

The team for Friend to Friend, B2B and Mentor, of the Grand Lodge Human Resources Committee paid the district a visit in April and made a presentation. St. Thomas District was the host and brethren from London East and London West were guests. The district chairman for these committee encouraged the Masters and lodge chairmen to attend. There were 30 plus in attendance. Those in attendance had the benefit of a well done and very informative presentation.

The first MasonicChIP was held in St. Thomas on October 4, 2009 and 105 kits were processed. Thanks again to the volunteers, the community partners and members of the district who helped at that day. There are two more MasoniChIP sessions planned for the fall of 2009. If you are a members you should be involved in it.

The District Meeting of 18 April brought about the formation of a committee to try and put together a District Management Committee. It was agreed that the District needs a management committee to handle issues of long range planning, finances and social activities. Lodge in the district need to take a serious look at their current financial situation. There are lodges that need to set long range plans and get serious about finances for the immediate future. They will need to do this if they are going to survive.

Recommendations for improvement would be that the district keeps working to establish a District Management Committee to assist in the affairs of Finance, long range planning, social and community involvement for the district. This will be an asset to future DDGMs.

The lodges have been very busy and the officers and members working very hard to keep the tenants and fundamental principles for the Craft according to ancient customs. Keep up the good work!

I would like to thank all of the district chairmen appointed to the committees, and to W. Bro. Kevin Schleihuf the District Secretary, for your dedication to the district for the Masonic year. Also thanks to the Master of the district for your assistance when needed. Thank you to all the brethren for the respect you have shown to me and to W. Bro. Gary Potter Grand Steward in this Masonic year.

Sarnia District – 16 Lodges

R.W. Bro. William C. Graham

My year commenced with the Dedication of Cassia Lodge No 116's new Lodge Hall in Ravenswood. This event was well attended by both Grand Lodge Officers as well as visiting Brethren from surrounding Districts.

Degree work and Lodge Protocol are done well with respect to the Book of the Work. Some of the Lodges without any Degrees to confer have offered to assist other lodges in the District with their Conferring of Degrees. Of the 16 Lodges in the District some are experiencing low membership numbers. Their small numbers result in many of the Officers being recycled several time in order to continue to operate. They also find themselves not capable of filling all the chairs in the Lodge. Some may have to look seriously at Amalgamation or Darkness in the near future unless an insurgence of new members comes about.

I have had the pleasure of presenting several Years of Service Pins and Certificates to many deserving Masons. The MasoniChIP Program got off to a good beginning with two events in August and a two day event at the Brigen Fair. By Christmas we had registered about 500 children. Another day was held in April with 100 more children registered.

My wife, Kathy, and I had the privilege of attending several GM's Receptions throughout the Province. I, along with several of the Brethren from the District, attended two Grand Lodge Seminars, Masonic Foundation and F2F/Mentors/B2B, hosted by Chatham District. Those who attended enjoyed the presentations as well as the fellowship.

It has been an honour and privilege to serve the Brethren of Sarnia District as the Grand Master's Representative this year. Thank you to the Brethren of the District as well as the Grand Master for electing and nominating me to this position for this past year.

South Huron District – 12 Lodges

R.W. Bro. Robert C. Wilhelm

Some Lodge in South Huron District continue to struggle and while others are doing very well with new candidates. This is the same with finances, some Lodges are very secure and others are fund raising to keep a float. The fund raising certainly keeps the Lodge members out and active in the community and they continue to get new members. I had the pleasure of presenting some twenty-five year, fifty year and even a couple of sixty year pins. This also unfortunately indicates that our average age is increasing and will soon start a sharper decline in membership.

Clinton Lodge has started the process of amalgamation with Morning Star Lodge and should be completed before year end. It would appear that the Northern part of our District is struggling for new members while the Southern part is very active with degree work. This may be attributed to the rural area and the economic down turn, but with the city of Goderich being located in the northern end it would make sense that we need to inspire the members of Maitland Lodge to be more active in the community. Huron Lodge is struggling for new members, but they have a determined Master to change the course and is trying different programs to try and attract new members.

Most Lodges had successful food drives with Exeter Lodge topping it with over three thousand pounds donated to local food bank. The Blood Donors committee has been extremely successful as well. Our District Devine service was interesting with Rt. Wor. Perry Mitchell as a guest speaker. The District ladies night was well attended and all that attended enjoyed both events. Our Grand Masters reception was a very enjoyable evening and we received positive comments on the evening.

In the District our Lodges have held five successful C.H.I.P programs with over 130 children processed at each program. There are five more scheduled for later on in the year. These programs have improved the visibility of Masons in the community as well as been a great service to the community. Overall South Huron District is in fine shape, but, I am concerned about Huron Lodge No. 224 and Maitland Lodge No. 33.

Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. Robert J. Fleming

We have a very positive, active Craft in the Sudbury Manitoulin District. Lodges are initiating new members on a regular, although not monthly, basis. The degree work is good and improving.

A District Friend-to-Friend Night and a Grand Lodge Brother-to-Brother Seminar were successfully delivered.

A Journeyman Award was established this year to promote inter-lodge visiting within the District. It seems to have taken hold with interest as there is a good deal of visiting occurring and monthly reports are being regularly filed.

This year our participation in the community included: Lodges presenting Bursaries at the high school, college or university levels, a Blood Donor Clinic in Little Current, registration of our District with the Canadian Blood Services Partners for Life program with a goal of 25 donations for 2008 which was surpassed, an information booth at the Manitoulin Trade Fair, two District Divine Services, participation in the Relay for Life cancer walk and in the MCTV Lions Club Christmas Telethon.

A District Veteran Appreciation Night was very well attended and successful in honouring our Veterans of past and present conflicts.

The District Website is very well maintained, presenting an informative face for the District. Activities are listed on the Tracing Board, while events are recorded in the very excellent monthly District Newsletter.

The Java Guild is alive and well and thriving. It continues support many initiatives both inside and outside of the District. I would estimate an average attendance of about 60+ each Tuesday. Non Masons are regularly brought in by the Brethren and introduced to the group. Several application forms have resulted from this initial interaction.

The members of National Lodge No. 588 have taken steps move to the Belrock Masonic Centre in an effort towards becoming more conveniently available to the Sudbury community at large. I respect the tough decisions they have made during this process and I empathise with their reluctance to move from a building and area built by them.

The Belrock Temple Corporation continues to offer the Masonic apartment to members and friends who are in need of accommodation while attending hospitals in the community.

Toronto Don Valley District – 22 Lodges

R.W. Bro. Leonard E. Feldt

The Third Regular Step in Masonry instructs one to contemplate an awful subject. This being the third year of Toronto Don Valley, the requirement of reflection over past years was essential. I felt that some contemplation as to where we have been, and where we are going was required. In this sense, some corrections as to how Lodges were performing were necessary. This relates to The Mechanics of the Work, Adherence to the Constitution of Grand Lodge, and Strict Conformity to The Book of The Work. In general the calibre of Masonry needed to be increased, as did uniformity amongst the Lodges. Bad habits obtained in ones former District were very evident when compared amongst the various Lodges in Toronto Don Valley.

The year started off on "The Right Foot" going forward. All Lodge Masters, Secretaries and Wardens were summoned early in September to express the Intent and Desire for my Year. Nothing was left ambiguous.

With the assistance of The Grand Lodge Resources Protocol and Etiquette Team Leader, V.W. Bro. Gordon Crutcher, The District Education Chairman W. Bro. Isaac Lazar, and two Lodge of Instruction Nights (which we devised our self), many issues were addressed and corrected. The Grand Master himself issued an "Edict" in his April DDGM Address which also solidified my position regarding "Innovations" in the work, which was observed in a few of our Lodges.

During the course of the Year, I was always received with much Dignity and Respect from every Lodge and the Brethren of the District. The attitude and ways of the Past had clearly started to change. Along with this sense of "change" was the attitude and performance of the Wardens Association "The Net-Work" headed by

Bro Art DiCecco. The Wardens Group (both Junior and Senior Wardens of all the Lodges) travelled to almost every Lodge in the District, and performed various Degrees with great Precision and Professionalism. We also had two Grand Lodge Resources Seminars. One Dealt with "The Grand Lodge Resources Manual", and the other with "Brother to Brother and Friend to Friend"

The B2B/F2F Seminar, headed by our Chairman V.W. Bro. Enoch Solomon provided and excellent morning of Instruction for the Brethren, and in the afternoon, Non-Masons of the Community were invited to see what we were all about. Of this Afternoon Portion, 12 Non-Masons attended, and subsequently joined the Craft. Both Sessions were enjoyed tremendously by all who attended.

As is with most Districts, there are both weak and strong Lodges. Two of our weaker Lodges were specifically addressed during the course of this year, and as they still had some issues, the attitude and performance significantly improved and their futures should prove to be much brighter. One problem was a Master sitting in the chair for too long, and his lack of enthusiasm extended to the brethren, and their performance and attitude exemplified it. As for the Stronger Lodges, we have quite a long list of Achievers. Of them, Mosaic Lodge is quite active in Community Service with an excess of 60-70 Brethren participating in many Community and Social Programs on a Regular Basis. York Lodge for their performance in Management and Planning, and St. George Lodge for their Degree and Practice Work, and there are many other Lodges who embrace Freemasonry whole heartedly to an admirable level.

The District may still contain the odd need for Amalgamation etc. in the future, but I believe the District as a whole is on an upswing, not so much by its mere numbers, but by the quality of the Brethren, the calibre of the Work, and quality of The Lodges with in it.

Our District Charity this year was Toronto Ronald Macdonald House, and the District Charity Chairman.

W. Bro. Michael Litvak provided numerous opportunities for the brethren of the District to show their support.

Some of the events included a District Trivia Night, A Theatre Brunch at Stage West Theatre where we enjoyed a performance of "The Producers", and a District Golf Tournament held in June. Many Lodges also provided their own programs, and a significant amount of money was raised this year due to these programs.

Our District Librarian: Bro. Nicholas Chatzifililathias travelled to every Lodge for Official Visits and for all the Installations this year, with a substantial inventory of Masonic Books and paraphernalia. He sold an impressive volume of goods, and the proceeds of which, went to support our charitable cause.

All Chairmen this year did an admirable job for the District, and they should be very proud of what they accomplished.

I am personally gratified by the level of respect shown to me, and to the Office of DDGM, by everyone in the District, and I will always be indebted to the Brethren of Toronto Don Valley for their confidence, and for the opportunity to represent them, and the Most Worshipful this year. This year was definitely a significant milestone in my Masonic Career.

Toronto East District – 21 Lodges

R.W. Bro. Dushan Surovy

This Masonic year was a year of many achievements but also of disappointments. The theme for this year was "Harmony, Harmony and Harmony" which was echoed through out the District. The state of Masonry reflects the fact that most members of the District have taken it to heart, as we had an excellent camaraderie and plentiful attendance at most of our Official and District Social Functions. The Visitations, especially at Official Visits reached up to 107 and as low as 30 with average of 62, with W. Masters in attendance from 13 being the best and 3 being the least but 7 and 8 were frequent. The support the Brethren have displayed was gratifying. The Work of the Lodges was reflecting the pride that W. Master and Officers take in their Office representing the Lodge. We did have a few that were not as prepared as the standard of the district of their lodge would command, and I am sure if given another chance, would like to improve it, than suffer the embarrassment it brings. The lowest point was to see that some masons do repeatedly abuse the privilege of a secret ballot to settle their private vendettas. Is it very un-masonic and causes much damage to the lodge itself.

Our Blood Donors Clinics have collected 810 units of blood and our large team of volunteers are easily identifiable with our uniforms of Red Golf Shirts with a large Masonic Blood Donors logos embroidered on it.

This year we have 3 MasoniChIP clinics in the works, with first one processing 105 children. Our Open Houses have faired well, with one being a part of Open Doors Toronto, well promoted, with results of about the thousand of non-masonic visitors come through the Lodge room, watching Friend to Friend video, listening to our Guest Speakers and asking some most fascinating questions.

One area that was lacing was the Utilization of Grand Lodge Programs, especially on Lodge Resources, which I hope will improve with years to come. Our District is Viable, but membership is more less constant last two years with 1,895 members this year, as compared to 1,886 last year. We had one lodge that chose to go Dark this year and there are a couple still struggling.

Serving as a representative of the Grand Master was a learning and gratifying experience and I thank the Brethren of the District for this once in a lifetime opportunity. We started with Harmony, and we finish on that note.

Toronto West District – 23 Lodges

R.W. Bro. Steven R. Armstrong

Masonry in Toronto West is in good standings. The same is true for Protocol and Etiquette. Of the 23 Lodges in the District, eight have increased in membership, ten have declined and

five have remained the same. Many, of the Lodges have had an increase in new candidates this year that will be changing these figures in the future. Most of the books and records overall were in very good condition, properly maintained and finances regularly recorded.

I have had the pleasure this year of welcoming a new Lodge into our District, Peel Lodge No. 468. The members of Toronto West have welcomed them heartily and the members of Peel Lodge have felt accepted into the District, a great fit for both and the transition went extremely well. Welcome Peel members!

The Grand Lodge programs have been widely and effectively used in the District. I have seen that the Lodge's using them have had higher membership rate and overall are more organized.

My theme this year was Enthusiasm is Contagious – catch it! and many of the members in the District have caught it. We had many events such as our Theatrical Education Night with 168 in attendance, two Fundraising events for the District Charity, “Juvenile Diabetes Research Foundation” grossing over \$11,000.00. A Christmas Divine Service with over 100 family, friends and members. Various Grand Lodge Seminars well attended and many individual Lodge functions with excellent overall attendance. Our Lodges are strong, vibrant and enthusiastic, showing Toronto West has a very bright future in Freemasonry ahead.

Thank you to my District Secretary, W. Bro. William Holtham for the never ending support, and dedication. I will always be grateful.

This year has been very fulfilling, challenging and enjoyable. The Masters, Wardens, Officers and Lodge members of our District have made my travels enjoyable, with fellowship, friendship and support that is heart warming. You have created wonderful memories, that I will cherish the rest of my life. I thank you for giving me the opportunity and privilege of serving you as your District Deputy Grand Master.

Victoria District – 14 Lodges

R.W. Bro. Erick R. Watson

I am very grateful for having the honour and the pleasure of representing M.W. Bro. Allan J. Petrisor, Grand Master of the Lodge of Canada in the Province of Ontario in Victoria District. I also would like to express my sincere thanks to the Brethren of King George V. Lodge No. 498 Coboconk, for selecting me to have the opportunity to represent the Grand Master, and to you Most Worshipful Sir, for confirming my election.

There are a host of Brethren that have worked very hard at making this year a reality for me and this is the perfect time and place for a special thank you and the rightful acknowledgement for their dedication and respect for Masonry. These are not paid positions and I thank all the chairmen of the different committees for taking the time out of their busy schedules to accept this demanding post.

I was very fortunate to have W. Bro. Roger Hodgson accept the position as District Secretary. His dedication to Masonry and our partnership worked very well together for a smooth running year.

One of my first duties was to have the privilege of participating in the investment of V. W. Bro. John Cook of King Edward Lodge No. 464 with his regalia as Grand Standard Bearer. I was also privileged to invest V. W. Bro. Ralph Baker of Spry Lodge No. 406 with his regalia as Grand Superintendent of Works.

I visited each Lodge in the District and I am very happy to report that the Degrees in every Lodge are being conferred in a very creditable manner. All courtesies were extended to me and I was received and treated royally.

I have been privileged to make visits outside my District and was received with great Masonic friendship. One of the highlights was the Grand Master's Reception and Banquet in Temiskaming District in Kirkland Lake. I had the honour of presenting the District Deputy Grand Masters travelling gavel to R.W. Bro. Arvind Aggarwal.

I am very excited with the way the C.H.I.P. (Child Identification Program) has progressed in Victoria District this year. It started at the Winter Carnival & Dog Sled Races in Cannington on February 21st, sponsored by Brock Lodge. On March 4th, the C.H.I.P. program moved on to Sunderland Maple Syrup Fest, sponsored by King Edward Lodge. On Wed. May 6th, we presented a demonstration and display in Cannington at McCaskill Mills

Public School for Family Wellness Night. Future events for the C.H.I.P. program in Victoria District are scheduled for this summer.

Our District Divine Service will be held Sunday, May 31, at 2:30 p.m. at St. Luke's Anglican Church, Burnt River. My wife and I had the pleasure of attending many Ladies 'Nights during the year. We will be forever grateful to the Brethren and their ladies for the hospitality extended to us.

I would like to express my thanks to all the Brethren of Victoria District for making my year a success. It has been an experience I shall never forget and I will always be indebted to Victoria District for this honour. To my successor, I wish that he may have as rewarding an experience as I have had.

Waterloo District – 15 Lodges

R.W. Bro. John A. Kroezen

It has been a real honour to represent and serve the Grand Master in Waterloo District. As much as I would like to state, that we had growth in membership, unfortunately, this is not the case. The district membership rolls declined by Twenty three (23) or 2.3 percent over the July to July reporting time frame, and is compounded by an Twenty three (23) member decline in the previous year. For a grand total loss of 4.6 percent over this two year period. Yes, some of the lodges experienced a brisk number of application from new members, but these numbers were offset by deaths, demits and suspensions. At the beginning of my year as D.D.G.M., I recognized this deteriorating trend, and have made Lodge vitality my focus points in my address to the brethren at Official Visits and MPM & Wardens meetings. Highly recommended the use of Grand Lodge Programs such as B2B, F2F, Mentor and Long Range Planning.

Dedicated Masons continue to be actively involved in many district events and incertain individual lodges. Waterloo District MPM & Warden Association has been the driving force in organizing and executing events such as a Military Lodge, Golf tournaments, Workshops, Theatre/Dinner night, Special Degree and Principle Officers nights, just to name a few. The MasoniChIP committee has been very active with three clinics held in our district, and three additional clinics planned for the near future.

The Long Range Planning committee conducted an in-depth survey of District masons, which provided significant insight as to the shortcomings in what District Masons expect from their association in Freemasonry, and at the same time provided us with clear directions as to where they would like to travel in the future.

During these difficult economic times, the District Charity fund for Adult Aural Rehabilitation achieved only Fifty (50) of its Target of Ten (10) Thousand dollars.

The Divine Service proved successful with a large turn out of Masons and their families. Visitations by the Masons of the District has been excellent, with as many as Eighty (80) percent of the Masters being present at Official visits. They in turn, encouraged their lodge brethren to attend as well.

During my many visits throughout the district, I have encountered nothing but goodwill and great support from the brethren; I wish to thank the brethren of Waterloo District, brethren of Galt Lodge No. 257, and the Grand Master for the opportunity to be of service and at the same time reward me with wonderful memories of a great year.

Wellington District – 12 Lodges

R.W. Bro. C. Allin Brown

It is certainly exciting to be a part of Wellington District, a group of Lodges that are spread from the rural areas of Drayton, Fergus, and Erin, to the more urban centres of Georgetown and Guelph. Our diversity is apparent when you visit us, coming from different backgrounds, lifestyles, experiences, but one thing remains, our welcome.

Our average age has decreased significantly over this past year with many Lodges attracting this new generation of Masons that are young, vibrant, excited, and very eager as they enter our ancient and honourable society. Our Lodges are trying to find new and interesting ways to reach these young men, who will become wonderful Masons to add to our diversity.

Youth have always been a passion for our Masons. Many Lodges in this District are actively supporting the MasoniChip program, planning and holding clinics in all areas throughout the District. The DeMolay Chapter in Guelph is strong and energetic and the local Job's Daughter's Bethel is beginning to grow and we are proud of the young people in our Masonic Family. We also support a Bursary program that has given over \$50,000 to young students over the past 30 years.

Many of our members have been blessed with the opportunity to receive a long service award. Their hard work over the years has made this District and our Lodges what they are today and honouring them is the least that we can do to say thanks for making it possible to have such a thing as Masonry is.

It has been a pleasure to serve the brethren of Wellington District and to represent them as DDGM 2008-09, and would like to thank Irvine Lodge No. 203 for their support of me in my Masonic endeavours. Lastly, certainly not the least, thank you to my father who has served along my side as the District Secretary, as you made me a Lewis, may I help raise the stone.

Western District – 10 Lodges

R.W. Bro. Robert W. Cox

The ten lodges in Western District are generally financially sound, and all Lodges have reported new members this year.

The Lodge work was satisfactory to excellent throughout the District. Every Lodge has a few key members to keep things running smoothly.

Proper protocol was observed at all banquets, and Lodge rooms. The Lodge of Instruction put on by Grand Lodge officers and the handouts really helped put things back on track in regards to proper protocol.

The priority program this year is the Masonichip program. It will start in our District at the end of May when our three most Southern Lodges will host the program. Our Lodge will be hosting the program in early August.

Members are being encouraged to relearn all Lodge programs, as well as to read the following material:

- The book of the work
- The Masonic manual
- The Book of Constitution
- Guidelines for Lodge Officers
- Meeting the challenge

Some of the highlights of the year:

- The Grand Masters banquet in Thunder Bay.
- The Lodges of instruction in Fort Frances and Dryden, performed by the Custodian of the work.
- Presentation of 50 year pins.

The ten Lodges in Western District are very close knit considering their distance from one another. I think they will be operating for a long time.

Wilson North District – 11 Lodges

R.W. Bro. Ronald Findlater

Masonry appears to be on a particular high as the lodges have conferred a total of 48 degrees, usually in an excellent fashion. The "quality" of those joining the fraternity tends to be of a high calibre. They have done their "homework" and are coming to Masonry with a different set of questions and ideals than many of their predecessors. They prove their proficiency in each degree in fine fashion.

Numerous events promote Masonry while presenting it in a positive light. The lodges actively supported the MasoniChip programme both with financial resources and volunteer time resulting in 237 children being registered in Wilson North so far this Masonic year.

Grand Lodge programmes are utilized to varying degrees. Friend-to-Friend nights occur frequently within the district but there needs to be more consistent use of the Mentor and the officer progression programme as well as the Brother-to-Brother programme which is also only sporadically used by some lodges.

There is a lot that is positive and encouraging in this district but at the same time, there are areas that could use some extra attention and improvement. Past masters are encouraged to take a stronger leadership role in their respective lodges and work to address those areas identified.

Finally, I thank the brethren of the district, and especially Mercer Wilson Lodge, for their support and encouragement in providing me with the opportunity and the honour of serving as the Grand Master's representative for the past year.

Wilson South District – 10 Lodges

R.W. Bro. Steven J. McQuade

First of all I would like to start by saying what a privilege it has been to represent the Grand Master in Wilson South District for the past year. It has been one of the busiest years that I have had in masonry, but also one of the most enjoyable.

I would like to thank W. Bro. David Pass the District Secretary for all his assistance and support in the past year, as well as the District chairmen and all the Master and members of the Lodges in Wilson South District for their support and the warm welcome that was always extended to me whether it was an Official visit or a fraternal visit.

This July marks the beginning of the 150th anniversary of the Wilson Districts, that is Wilson South and Wilson North. Masonry in the South for the most part is doing well, there are some Lodges that are doing better than others financially as well as in the standard of the work performed in the ritual.

The work in the ritual varies greatly, from very good to very poor. There is a real need for workshops pertaining to the ritual and floor work for some of the lodges in the District, on the other hand I feel that there probably would not be much attendance by those that need the help as the attitude that I see is that members of some lodges that need the help is that they seem content in remaining as they are and there is not the incentive to better ones self by improving on the skills to perform good ritual and floor work.

There is also a lack of interest by some of the lodges to get out for visitation within the District, while some members of some Lodges are at most meeting in the District as well as travelling outside the District.

All Lodges with the exception of one have had new candidates this year. The Lodges that are attracting the most candidates are those that are most active in their communities with charitable work as well as supporting community projects, and those that have Friend to Friend nights.

This year the growth in the District should exceed the demits and the passing of brothers to the Grand Lodge above.

I have been disappointed with the involvement of the Lodges in the District with the MasoniChip Program, there seems to be a real lack of interest in getting involved, there are four Lodges that are planning to have programs this summer and fall.

The Blood Donors Clinics for some areas of the District do better than others because of location and population. The larger towns fare much better with holding clinics than the small hamlets, some of which are not serviced by the Canadian Blood Services for clinics as making the trip to these hamlets from the Centre in Ancaster or London would not be cost effective for Canadian Blood Services to hold clinics in those areas.

As of May the 12th 2009 blood donations for Wilson South are approximately 1288 units and more clinics scheduled before the District chairman will make his official report to Grand Lodge. There is hope to exceed the 2007 and 2008 donation total of 1402 units.

My thanks to W. Bro. Doulg Waller and his assistant Bro. Harry Tutin for all their work with the Blood Donors Clinics, a job well done in a much needed area.

The District did not take on a District project this year but have supported the Grand Masters project of prostate cancer and also the Masonic Foundation by pushing for more donations by all the Brothers in the District to this worth while cause by using the yellow

envelopes and also getting the grey envelopes into all the funeral homes in the District for donations to the Masonic Foundation in memory of a friend or relative.

This past year in the district there has been a joint celebration with Blenheim Lodge 108, Wilson North and St. Johns Lodge 104 Wilson South celebrating their 150th anniversaries by holding a Grand Masters banquet and Ashlar Lodge 701 celebrating 50 years with a Grand Masters banquet.

In December two brothers from Wilson south had 70 years each as Masons. A banquet was held in January in their honour and the Grand Master presented them with their 70 year pins, both brothers are still very active in their Lodges at the ages of 92 and 95 years of age with the 95 year old just being invested as the Tyler at Oriental Lodge 181. There have been other pins for 50 and 25 years of service as well as many Lewis Jewels as well this year.

In May a William Mercer Wilson medal was presented to Bro. John Moulton from Dereham Lodge 624.

The long term for the District in most cases looks good for most of the Lodges, though for some the future does not look so bright financially and from the support of their membership and unless things change for them there could be darkness for these Lodges.

Windsor District – 9 Lodges

R.W. Bro. Randy A. MacNevin

This year has been very rewarding for the Condition of Masonry in Windsor District. It has been a pleasure to be D.D.G.M.

This year I have witnessed 70 degrees within our 9 lodges in the district. Every lodge performed all degrees. The level of work in the lodges has improved; the dedication and self caring of the Members, Officers and Worshipful Master was evident.

On occasion, brotherhood came into play, a W.M. needed assistance. His call for help was always answered and the degree work was completed in due form. There were two occasions where a Father was able to obligate his son and welcome him into Masonry. My son John was one. W. Bro. James McDonald and his son Douglas was the other. Thus allowing the generations of Masonry to continue and to live forever.

Travelling was encouraged at all lodge meetings and enjoyed by several brothers. We visited Windsor and Erie District, the state of Michigan and Ohio. On several occasions the ladies joined us after lodge.

Several charity projects were instituted this year. A collection of mittens and gloves "Warm Hands Happy Hearts" proved beneficial donating over 500 pairs to several local institutions - Centre for Seniors & Downtown collation. Lodges in the district have their own charities to which they are committed to. Also funds donated from all the lodges were presented to the Deputy Police Chief for the Special Olympics held in Windsor this summer. The masoniChip program is still in planning.

A Lodge of Instruction was enjoyed by all. Several new members were in attendance, to learn something new, to share with others in their own lodge.

The mutual support shown to myself and the District Secretary by the members of several Districts, especially Windsor District, has strongly demonstrated the fundamental principles of our Order. Being the representative of our Grand Master has been a humbling and proud experience. My Masonic knowledge has grown and it will be a pleasure to pass on the values of Masonry to the young men of the future within the Windsor District.

York District – 19 Lodges

R.W. Bro. Walter J. H. Rawlins

This was the first year for York District, and all Lodges and members embraced and supported the District with enthusiasm.

The Ritual and mechanics is above average in some Lodges, but always well done. Past Masters, and Master Masons offer help and support to other Lodges when and where needed.

Protocol and etiquette is always held to a high standard, be it at the festive board, or in the Lodge room. Grand Lodge, and it's officers are looked up to with the utmost respect.

The new District lost one Lodge which moved to another District, but we still visit each other. Membership in 6 Lodges increased, 6 Lodges decreased, and 7 lodges remained steady. Most of the Lodges are still receiving new applications. All of the Lodges are financially sound, or holding their own.

The Seminars and events held in the District were well attended, and successful. This shows just how this New District is coming together as a strong unit. The Lodges all use and implement the GL. programmes, and one Lodge has even hosted the MasoniChip programme.

Almost all Lodges participate in community activities such as Doors Open, Parades, Street festivals, etc. and they have open functions in conjunction with the District such as Ladies Night Dinner/Dance, Robbie Burns Night, Curling Bonspiel, where the public is invited to participate. All of these were very well attended, and enjoyed by all. The open Golf tournament, and Divine Service have not yet taken place at the time of writing.

We opened a new Chapter of Demolay, the Dol. Bridgeford. Chapter, and they are steadily getting new members.

Next year will see another of our Lodges celebrating their 150th anniversary. Very exciting. The District Secretary, and I were privileged to present 75, 70, 60, 50, & 25 year pins, and also 5 generations of Lewis Jewels. This was indeed an exciting year for York District.
